

FIREFLY

PARTY WITH US!

FIREFLY was founded in 2014 and lives on as a tribute to our founder, Mark Weber, whose vision was to create a space for community, connection, and fun. Since 2023, FIREFLY has been owned by Jennifer Mowad, who also owns Cocoa & Spice Chocolate Shop, located next door.

FIREFLY is fun for all ages, with great food, drinks, and games. Our bar features a full cocktail menu, 18 taps of mostly local craft beer and cider, and a selection of wines. Our full-service kitchen prepares food from scratch and can customize offerings for your event. If there's something you'd like that you don't see listed, just ask!

Guests can enjoy old-school and modern arcade games, pinball, skeeball, foosball, and board games while celebrating together. Whether it's a birthday, company party, wedding reception, or other special event, we're here to make the experience easy, memorable, and fun!
