Introduction & About US

About Us.

The GSU Mock Trial Team is ranked among the top 30 undergraduate Mock Trial program across the country, and we are dedicated to continue developing future legal professionals. Our team is composed of a diverse group of driven and talented pre-law students. Throughout the academic year, we are posed with a complex hypothetical case, and through a structured schedule and teamwork we are committed to tackling those issues.

Downtown Derby

The Tournament.

On **November 21st and 22nd**, GSU Mock Trial will be hosting **18 universities** from across the nation, at the Fulton County Courthouse, to compete against one another using facts from a hypothetical civil case. Students will have 3 months to prepare arguments for both sides and showcase the legal theories they've come up with. Our tournament serves as a great networking opportunity for students and professionals alike.

Our Accolades.

Georgia State Mock Trial is coming off of it's most successful year yet! Including winning 8 trophies, 23 individual awards, and for the first time in program history achieving 3 bids to the Opening Round Championship Series, as well as our third consecutive trip to the National Championship. All of this has earned us our #27 National Ranking.

High Visibility.

Our upcoming tournament, set in the heart of downtown Atlanta, is expected to draw over 400 participants, including students, judges, lawyers and many other professionals. This provides an exceptional platform for brand visibility and engagement.
