@ THE NEIGHBOURHOOD

What do you look for in a real home? The privacy to host a party without disturbing the neighbours. The environment that keeps you healthy and infuses adrenaline into your daily routine. The convenience of taking a brisk jog right within the premises after dropping the children at school. The assurance that the little ones and your elderly parents are safe and enjoying themselves at the adjoining park. All of that and more are built into the SMR - SM's Vinay Casa Carino experience.

MEET LIFE HERE!

Casa Carino is being conceptualised, designed, engineered and presented as an answer to a singular question - WILL THE WORLD WE CREATE BRING HAPPINESS TO LIFE? It is not another project we took up. It is not another address that we are adding to Hyderabad's cityscape. Open spaces create a positive open life. At Casa Carino huge well detailed open spaces, parks become the lifeline of a lifestyle that can only be experienced.

LIFE MEETS
HAPPINESS
HERE!

**SMR-SM's
VINAY
CASA CARINO**

Casa Carino rises within the fully developed, joyful precincts of SMR Vinay Harmony, the upscale gated apartment project that set new standards of excellence in Bandlaguda. While each villa is exclusive with a private swimming pool(lap pool), you can actually get the best of both worlds since you have ready access to the amenities, companionship and togetherness of the larger neighbourhood. Reach out to happiness - it's all around you.

**SMR-SM's
VINAY
CASA CARINO**

The aesthetic, functional design is fundamental to Casa Carino. We've endeavoured to redefine the way people use outdoor spaces by creating a central plaza that acts as a pivot of activities. Going forward, this is an area that will pulsate with bazaars, concerts, festivities and more. Combined with generous spread of play lots, shaded pergolas, green avenues and well designed walking tracks, the layout is virtually a mood elevator.
