CAREER
MANAGEMENT

Srivapa aims to be a lifeline for educators. We strive for their total well-being so that they continue to inspire and shape young minds.

This investment in their well-being ensures a brighter future for both educators and their students.

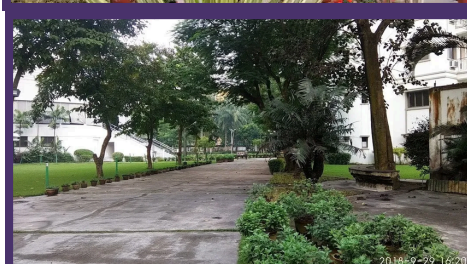

heartfulness
advancing in love

Heartfulness integrates scientific inquiry and time-honored practices which expand your awareness and develop well-being, contentment, calm, clarity, compassion and courage.

Present in over 160 countries, its practices have benefitted people for more than 100 years.
