Hi 🖐️

Thank you for downloading the Dance Personal Brand Starter Kit.

Whether you're preparing for auditions, teaching opportunities, competitions or building your online presence, this kit will help you create a polished, consistent personal brand.

Inside you'll find editable Canva templates that you can customise to reflect your unique style and personality.

Our advice?

Don't aim for perfect.

Aim for authentic.

Your personal brand should represent who you are, not who you think people want you to be.
