A MESSAGE FROM THE PASTOR

Grace and peace to you in the name of our Lord and Savior, Jesus Christ.

First, I would like to say that it is an honor and privilege to serve at Mount Zion CME church. 2025 was a year of blessings and success for us. I just want to say thank you to all of our members, family and friends who came out, helped out and supported our endeavors at Mt. Zion.

We served our community with a coat-drive, a pop-up pantry. We had a trunk or treat for the children in the church as well as the neighborhood. This past August, First Lady and I hosted our third summer series (**Acts 2 Action**). it was a "teach and reach" biblical experience where we followed the scripture **Acts 2:42 "and They continue steadfast in the apostle's doctrine breaking bread, fellowship and prayer"**. At the end of each service, we gave out gifts and challenged our members to do a random act of financial kindness and come back to share their experience. At the end of this series, we celebrated with a Love Feast.

This year we plan to Introduce programs with the focus on food security and clothing drives. We hope to collaborate with shelters and other organizations as a guide to needed resources. I believe that through these efforts our church can be a beacon of hope and compassion, to continue steadfast, being mission minded in kingdom building.

I encourage everyone to get involved, share ideas and help us make a meaningful difference in the year ahead.

In Service of Our Lord Jesus,

Rev. Glen Lacey

Pastor Mt. Zion CME Church

Article: What it's like to be the first lady of Mt. Zion CME Church

Being a First Lady brings me joy and fulfillment. It's a role that comes with great responsibility and meaningful purpose. It allows me to stand in partnership with my husband, walking side by side as we work to build God's kingdom. While I walk in partnership with my Husband, I also dance to the beat of my own drum and take my role very seriously.

I am deeply involved in my local church through children's ministry and serve on the district and annual conference levels, where I hold additional responsibilities and participate in other organizations. Serving God and His people is one of the most rewarding experiences of my life, and working with the children alone brings me pure happiness.

This work of love shapes my character and helps me to grow spiritually and personally. I am grateful for how God continually uses me and the church has become my mantle and my calling. This is my purpose to fulfill.

As we continue to move forward, it is my prayer that our church continues to grow in faith and thrives in its mission work. This is a very busy year for us; our calendar is full. I will continue to serve faithfully in all my responsibilities, balancing my role with dedication and joy, trusting that God will guide my every step.

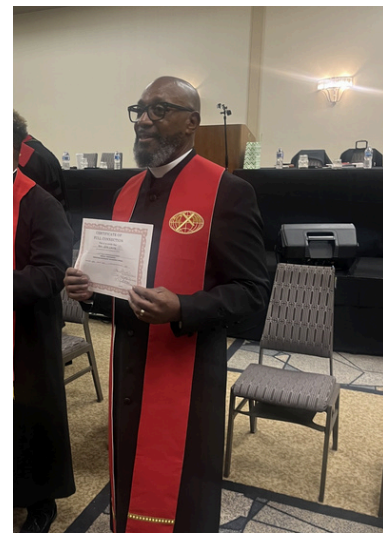

Congratulations to Mt. Zion CME Church's Newest Ordained Ministers Elevated to Local Elder

On Friday, July 18, 2025, at the New York Washington Annual Conference, an Ordination ceremony was held. The event took place at the Sheraton Baltimore North in Towson, MD. At this ceremony, Pastor, Rev. Glen Lacey was ordained to Full connection, Local Deacons; Rev. Evelyn Shannon, Rev. Priscilla Shannon-Alonzia and Rev. Kira Oliver was elevated to Local Elders in the CME Church.

Rev. Yolanda Davis was also elevated to Local Elder at an earlier ordination, held at the Hilton University Hotel in Charlotte NC. on April 5, 2025. God is truly moving in Mt. Zion CME Church!

Pastor, Rev. Glen Lacey, Full Connection

Rev. Yolanda E. Davis was recommending by pastor, Rev. Glen Lacey to be elevated from Local Deacon to Local Elder. Rev. Davis stated, "I passed my test in July 2024, and my ordination was held on April 5, 2025, at the Hilton University in Charlotte NC."

"What an honor it is to walk in my father's footsteps, the late Rev. Ralph W. Davis. Yes, I'm proud to be a preacher's kid."

Ordination serves as a testament, that the individual has been divinely called, trained, and prepared for the work of the ministry. It's a profound, life-altering experience.

In our role we have to stand strong, with boldness, and have confidence. You never know where ministry will take you.

Matthew 22:14 - "For many are called, but few are chosen."

"I shall walk worthy and do what God has assigned my hands to do. **Amen**"

Mt. Zion CME Church's Newest Ordained Ministers (continued)

Rev. Priscilla Shannon-Alonzia,
Local Elder

“It is a gift from God to be called into Ministry. My original passion was to minister to the youth, and my prayer has always been to guide and redirect them toward becoming productive, whole individuals in every area of life. However, God, in His wisdom, has been redirecting my path.

Through His grace, I have been called to minister to and serve as a caregiver for several senior citizens and other adults; spiritually, financially, and emotionally. Many of these individuals were placed in my life unexpectedly, including my own mother, whom God has faithfully entrusted to me over several years.

This ministry has required great patience, a significant amount of time, lack of sleep, careful recordkeeping, and consistent stewardship. Most importantly, it has required an abundance of prayer and continual time in Scripture so that I may seek God’s guidance in every decision and step forward.

Though this was not the path I initially envisioned, I remain committed to walking and serving faithfully where God leads me both present and future according to His purpose.”

Rev. Priscilla Shannon-Alonzia

“When I was called, I did not realize the hard work, studying, and training that I had to do to prepare myself for ministry. After studying for the Elder's test, the long days and sleepless nights took a toll on me physically, yet it was rewarding because I was moving up to the next level. The anxiety of taking the Elder's exam took a lot out of me but the excitement of passing the exam was worth it.

Being ordained with the class of 2025 formed a partnership I will never forget. To stand in front of my family and friends, to take that solemn oath was exhilarating. I was filled with tears and gratitude. It’s such a blessing to follow in the footsteps of my mother, Rev. Dr. Theresa G. Oliver. It was a moment that I will never forget. It taught me the true meaning of ministry. In the end, I thank God for the journey.”

Rev. Kira Oliver

Rev. Kira Oliver, Local Elder

Mt. Zion CME Church's Newest Ordained Ministers (continued)

Rev. Evelyn Shannon Local Elder

“Ministry is definitely a mystery. When God’s word says *his thoughts are not our thoughts and his ways are not our ways, only God knows the plans that he has for us.* (Isaiah 55:8-9)

Being called to ministry is a special gift not to be taken lightly. An unlikely person such as myself, finally accepting the call to ministry. I never wanted to ever disappoint God. I ask why me? I was led to a scripture that said if I keep my mind stayed on him he will give me perfect peace, because he trust in me. (Isaiah 26:3) I was led to other scriptures that showed me where there were others, unlikely people, and yet they walked alongside, served and ministered in the kingdom of God/Jesus. Being ordained into ministry required a lot of meditation, a lot of late night and early rising studies, sisterhood fellowship, prayers, and an abundance of God's grace.

In this spiritual journey with God, he has guided me to use my “mess” as message. When I have preached, when I am in counseling sessions with people, and when I go out to do community outreach with my *“Sistas Empowering Sistas”*, God has been directing me to share, with his guidance, some of my life experiences, among other things, to help others. God's word says in Mathew 25:35-40

35 For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, 36 I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me.’ 37 “Then the righteous will answer him, ‘Lord, when did we see you hungry and feed you, or thirsty and give you something to drink? 38 When did we see you a stranger and invite you in, or needing clothes and clothed you? 39 When did we see you sick or in prison and go to visit you?’

40 “The King will reply, ‘Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.’ Through it all, God has never left me nor forsaken me. (Deuteronomy 31:6) God has the final say! God’s plan! God’s way!”

Fellowship At FDR State Park

On August 2nd Mt. Zion celebrated the end of Vacation Bible School with a trip to Franklin D. Roosevelt State Park. The weather was perfect, and a great time was had by all!

The food was plentiful with BBQ Ribs, Chicken, Shish-kabob, hot dogs, sausage, burgers just to name a few. The kids went swimming, played games, did arts & crafts including Tie-dyed shirts. It was such a treat watching our 2 matriarchs, Mother Thelma E. Davis, 93 and Mother Theresa L. Reid 91, doing the electric slide, cane in hand!

We want to thank every participant and donor and a special thanks to the president of the Board of Christian Education, Sister Gracie Sampson for spearheading this outstanding event as well as Vacation Bible School. We truly appreciate all that you do!

A Testimony

Sis Kendell Burton

Giving honor to God, who is the head of my life. It was Good Friday. It was the 18th of April 2025, a day I'll always remember. I had just completed dialysis and thankfully wasn't feeling ill that day. The weather had broken. It was a lovely Spring Day. I just didn't want to go home that afternoon to an empty house, so I decided to hang out with some friends in their backyard as we New Jersey people sometimes do, just to enjoy the weather. That's when I got the phone call from Cornell University Hospital. I thought they wanted more blood work from me; but no, they had a kidney for me! ***Praise the Lord- a Kidney!*** I couldn't believe it! My heart dropped, and the tears began to flow after all,

I knew someday they were gonna call. I had faith in Jesus, but I just didn't know when they were going to call. After 3 - 1/2 years of dialysis? 3-1/2 years of passing out while on the dialysis machine; coming home with headaches that won't go away until the next day, no Tylenol before treatment or after, just sleeping all night. The next day I would feel better. Vacations that were being interrupted because you had to stop and take dialysis wherever you traveled to. ***But God, but God; thank you, God!***

I received a call on “Good Friday” from Cornell University Hospital and I had 30 minutes to make a decision if I wanted that kidney. I started from the top. I called my husband and my Nephrologist, could not get either one on the phone. Then I called my sister Connie and Rev. Davis (sis-cousin) I shared the good news!! I went back to calling my doctor and Rich and a few other people because I was indecisive as if I should take this kidney. After all, the kidney was coming from a deceased person that had fallen, but also had a previous history of drug abuse, I noticed that dialysis was able to get in contact with my Nephrologist.

I was still in disbelief - in a fog that this was happening to me. Immediately my doctor called me once he found out, hallelujah praise God I got the answer, “I want it.” “Yes, it's OK for you to take the kidney”. “We get kidneys like that all the time.” were his exact words. All the tears flowed some more as I called the hospital back before it was too late and the Kidney would be given to somebody else. ***With Praise in my mouth, I told him I would take the kidney!!!***

When Rich got home, I gave him the good news. He put his things down and literally turned right back around and took me across the bridge. He had just come from work and straight to the hospital we went.

I actually had the surgery that night. All praises to God, my Nephrologist kept telling me he wanted me off dialysis. I was too young for dialysis. I can't thank my husband enough. He took six weeks off for my post-surgery recovery. ***Gods' praises will forever be in my mouth.*** I am forever grateful for what He has done for me. Trusting God, ***He's an on-time God. God is faithful!*** He took me from the dark and into the light. Not in your time, but in His time. Thank you, thank you to my sister Connie, cousin Yolanda (Rev. Davis) who checked on me while I was getting my treatments. I am forever grateful for the things God has done in my life. ***I thank God night & day.***

To my Church Family Thank You for your continued prayers. I am a living witness that prayer works.
