Meet the Future of Work

ACE isn't just an intervention : it's a launchpad.
We bring industry to campus and make learning real.

Gen Z Talent learns to:

- ◆ Think like strategists – solve problems CEOs care about.
- ◆ Work with AI – not as a threat, but as a co-pilot.
- ◆ Build future-proof mindsets—adaptability, resilience, & creativity.
- ◆ Deliver impact now— projects aligned to live corporate challenges.

*ACE = Academia + Corporate + Experience →
one ecosystem to power the future of work.*

Human Empathy + Creative Problem-Solving +
AI Fluency = Future-Ready Workforce.

ACE Advantage

The future doesn't wait. Neither should talent.

- ◆ By 2030, 85M jobs will disappear while 97M new ones emerge
- ◆ Gen Z faces a skills–industry mismatch: 63% of graduates feel unprepared for work.
- ◆ Corporates struggle with employability gaps and slow skill readiness.

ACE bridges this gap:

- ◆ **Students:** Real-world exposure + AI-augmented skill journeys.
- ◆ **Colleges:** Industry integration + higher placement credibility.
- ◆ **Corporates:** Work-ready talent pipelines designed for business impact.
