1 About Us.

Introduction

Alawraq Alrabiha Marine Maintenance has been a leading provider of comprehensive marine maintenance services since 2022. We specialize in a wide range of solutions, ensuring the optimal performance and safety of your vessels and maritime operations. Our dedicated team of professionals combines expertise and experience to deliver high-quality, reliable, and timely services tailored to meet the needs of our clients in the maritime industry.

At Awraq Marine, we are committed to ensuring the efficiency and safety of your operations, helping you maintain the highest standards in marine maintenance.

2

Mission & Vision.

MISSION

- At Alawraq Alrabiha Marine Maintenance, our mission is to provide reliable, high-quality marine maintenance services that ensure the optimal performance and safety of vessels and maritime operations. We are committed to delivering innovative solutions with a focus on efficiency, safety, and customer satisfaction, while continuously striving to meet the evolving needs of the maritime industry.

VISION

- Our vision is to be the leading provider of comprehensive marine maintenance services, known for our expertise, dependability, and exceptional customer service. We aim to build lasting relationships with our clients by offering cutting-edge solutions and fostering a culture of excellence, ensuring the growth and success of their maritime operations globally.

3 Our Services

1. Ship Repair and Maintenance

We provide comprehensive repair and maintenance services to ensure your vessels remain in optimal condition. Our team handles everything from hull repairs to engine servicing, ensuring safety and performance at sea.

2. Cargo Loading, Lashing, and Handling of DG and Non-DG Cargo

We specialize in the safe and efficient loading, lashing, and handling of both Dangerous Goods (DG) and Non-Dangerous Goods (Non-DG) cargo, ensuring proper weight distribution and security during transit.

3. Marine Motor & Pump Repair and Installation

We offer specialized repair and installation services for marine motors and pumps, enhancing the performance and reliability of your vessel's propulsion and other systems.

4. Hydraulic System Installation

Our team installs and maintains hydraulic systems, ensuring smooth and effective operation of critical marine equipment and machinery.

5. Fabrication and Welding Services

We offer professional fabrication and welding services for custom metalworks, repairs, and structural installations. Our experienced welders provide high-quality craftsmanship for various applications, including stainless steel, carbon steel, and aluminum welding, ensuring durability and precision.

6. Plumbing Services

Alawraq Alrabiha specializes in pipeline installation, maintenance, and repairs for a wide range of industries. Our team ensures the proper construction and integrity of pipelines, whether for water, gas, or industrial applications, adhering to all safety standards and regulations.

7.Cell Guide Works

We offer cell guide fabrication and installation, essential for container vessels, ensuring smooth and efficient container handling during port operations.

8.Ship Tank Cleaning and Disposal

We provide specialized ship tank cleaning services to remove residues, sludge, and contaminants from fuel, ballast, and cargo tanks. Our team ensures thorough cleaning while adhering to environmental regulations, followed by safe and compliant disposal of waste materials..

9. CCTV Services with SIRA Approval

At Alawraq Alrabiha Marine Maintenance, we provide expert CCTV installation and maintenance services with SIRA (Security Industry Regulatory Agency) approval. Our team specializes in installing high-quality CCTV systems that are fully compliant with SIRA regulations, ensuring your vessels and facilities meet the highest standards of security and monitoring.

We offer customized solutions tailored to your needs, from system design and installation to configuration and ongoing maintenance. With our SIRA-approved CCTV systems, you can have peace of mind knowing that your property is secure, and you are in full compliance with local security standards.
