

With this gift certificate, I have a little piece of
craftsmanship ready for you.
May it brighten your home and warm your heart as you
did for me

Although your gift may not have arrived in time for
Christmas, know that it is handmade with care and
dedication.

I look forward to when you finally hold it in your hands,
because it is a little piece of my heart and is created
especially for you.

In the meantime, I invite you to enjoy the anticipation
and imagine how this unique gift will enrich your life.

Let's wait together for the time when we can celebrate
this special piece. I am grateful to have you in my life
and appreciate your patience and understanding.

A special
Gift
for You
