

## THE WOODLANDS LIONS CLUB COMMUNITY RESOURCE LIST

### Helping Connect the Community

The Woodlands Lions Club is committed to fostering community connections by sharing valuable local resource contacts. While our club may not be able to meet every need directly, we are fortunate to live in an area with many supportive organizations and services. For the convenience of our residents, we are pleased to share resources we have learned about. Please note, however, that we cannot guarantee, endorse, or verify the quality of these services nor is this list all inclusive of every charity in our area. This information is provided solely as a reference for individuals to evaluate and determine what best meets their needs.
