Rob Fleming Park – Creekside, The Woodlands

10:00 AM - 2:00 PM

Dear Potential Seed Sponsor,

It is with great pleasure that we announce the launch of The Woodlands 37th Annual Wildflower Festival. This event is one of the longest running in The Woodlands with a focus on the key aspects of our community – nature and family. We would be honored and grateful if you would consider becoming a sponsor at this year's event.

This event is held in partnership with The Woodlands Township with all proceeds benefiting The Woodlands Lions Club Charities. The charities supported include the Gift of Sight program for local school children and elderly, the Texas Lions Camp for children with Special Medical Needs and Type 1 Diabetes, Lions Club International Foundation for Worldwide Humanitarian projects and many other worthwhile programs.

The highlight of this event is the thousands of wildflower seed packets that are distributed free to the community by our generous Seed Sponsors. The Seed Sponsors are our corporate partners that have helped us underwrite the cost of the seed packets. In addition to the seed packet distribution, the festival has other family friendly activities such as the Blue Bonnet planting booth, wildflower crafts, bounce houses, face painting, DJ, food trucks, and more!
