Pastor Profile

The Pastor Search Committee of Cannon Baptist Church sought the input of our church family to help us understand the kind of man we will be searching for in our next bi-vocational pastor. Conversations have been full of joyful expectation, and while there was a wide range of variety on answers to some degree, there was great unity overall.

CBC is searching for a pastor who is committed to the inerrancy and authority of the Bible. He will agree with the Baptist Faith and Message 2000, and will lead our church on the strong foundations of biblical authority. We desire a man who is being transformed by God's Word himself, as he leads our congregation to be transformed by God's Word as well. He will be a text-driven expositor of the biblical text. He will be relational in his delivery, and firm in his convictions. Our next pastor will be easily approachable, a man who is skilled in

relationship building. He will value the insight of long-time members of the church, but not cater to any one (or group's) desire to the neglect of another's. He will make biblical decisions concerning the direction of the church and communicate them with grace while leading gently over time.

If he has a family, he will put God first, his family second and the church third. We desire a pastor who models faithful leadership in the home and allows that to overflow into his leadership at church.

The area around CBC is on the cusp of amazing growth and it is our prayer that CBC will be part of that growth. As such, it would also be our prayer that this bi-vocational position would eventually transition into a full time senior pastor position.
