# About Us

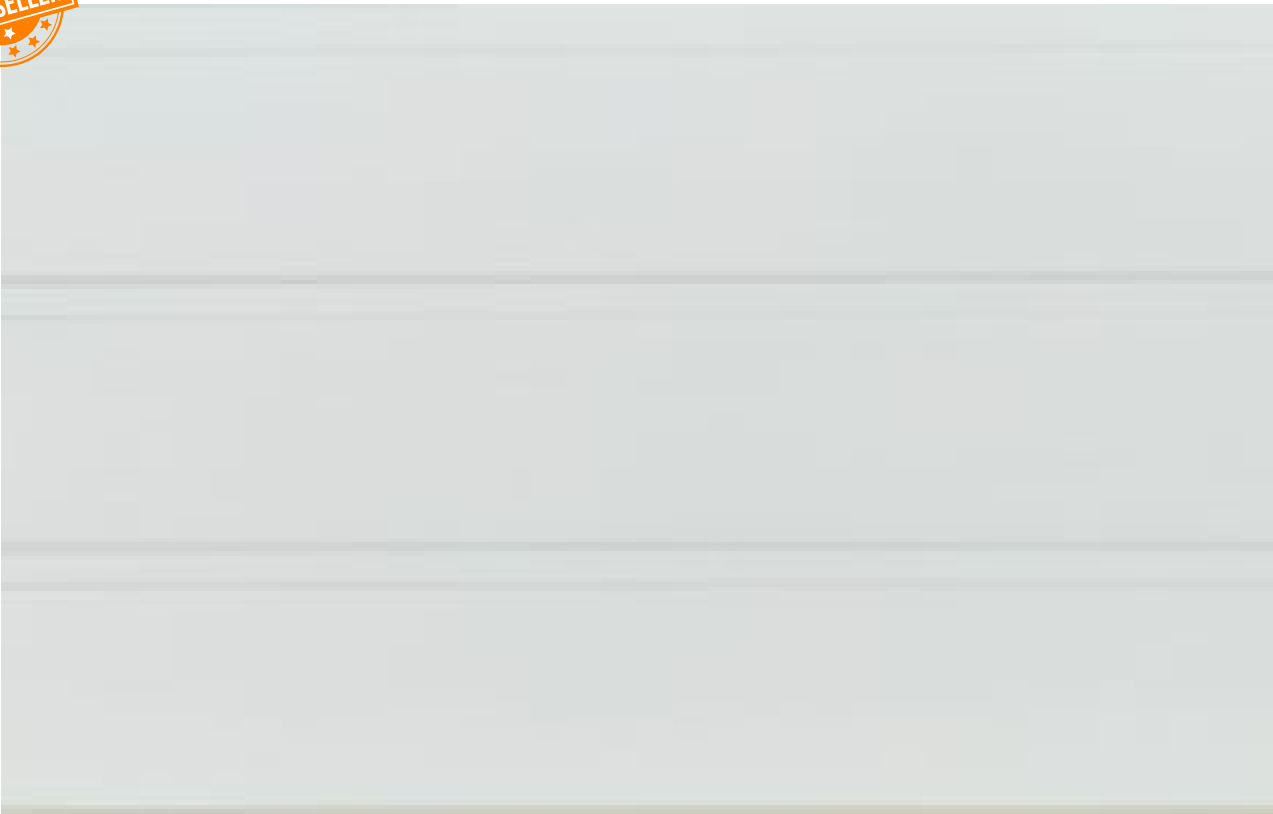

## About SHOGUN PVC Panels

SHOGUN PVC ceiling panels are built to perform—crafted with extra PVC content for enhanced hardness, durability, and a premium finish. Each panel measures 12 inches x 10 feet, offering a perfect blend of aesthetics and long-lasting performance for homes, offices, showrooms, and commercial interiors.

Headquartered in Mumbai and Pune, we proudly supply across India with efficient logistics and reliable service.

For bulk project requirements and dealership inquiries, visit our website: [www.shogunpanels.com](http://www.shogunpanels.com).
