

# Rich Dickinsons Driving Force

## Press Kit

### BIO

Rich has a long pedigree in the Blues rock industry and toured the UK, Europe and recently in the U.S. with many big names including Blackfoot, Frank Marino's Mahogany Rush, Skinny Molly and helped launch the Hendrix Signature series Marshall amp based on Jimi's original that Rich owned.

They play well-crafted originals with some faithful covers by iconic blues artists.

Able assisted by the hugely talented Rich (Dave) Sleep on bass and Ted (Thundersticks) Nawrot on drums. this band absolutely takes no prisoners.

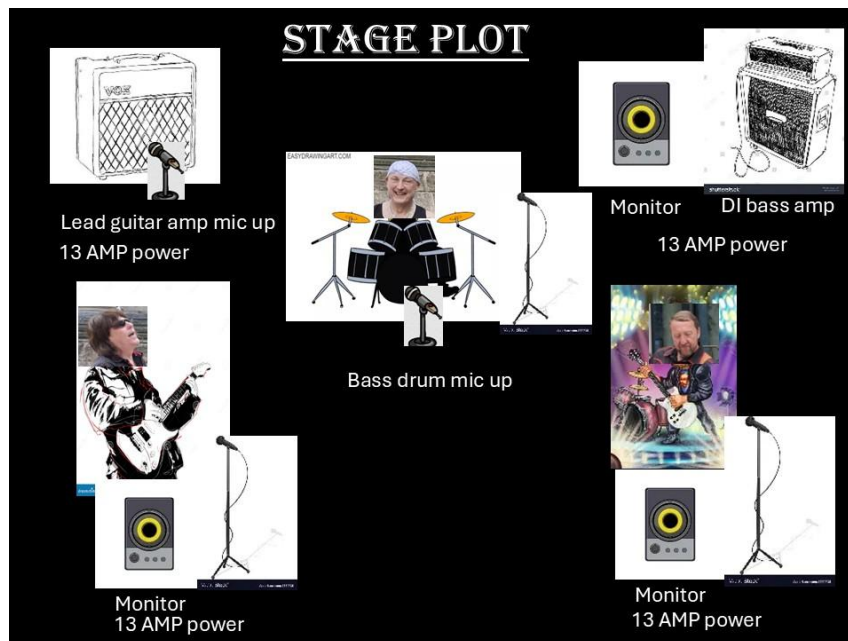

If you like Gary Moore, Joe Bonamassa, Jimi Hendrix, Rory Gallagher your gonna love this.....

**Led by certified Guitar Hooligan Rich Dickinson, the Driving Force show is full of tricks and slick showmanship but delivered with deep respect of the blues and top-drawer musicianship at its core.**

**Jim Simpson CEO BigBear Music**

**Black Sabbath MGMT**

Rich you were honestly the best act I saw all weekend, hands down. Watching the faces in the crowd they couldn't quite believe what they were seeing & hearing. Incredible set - well done. Can't wait to take [James Fraser](#) to one of your gigs!

I have just one word....

Phenomenal!

Simply....Phenomenal!

(Thanks for coming to Brum and giving us such a fantastic evening! 🙌)
