ACADEMIC VISOR

With profound pleasure and proud we celebrate the launch of the Third Publication of ILSA Magazine. On behalf of the International Department Law we would like to extend a very warm appreciation for the Law Faculty Dean and Vice Deans, the ILSA Chapter UNHAS 2023/2024 and all of whom have volunteered to contribute to the success of the ILSA Magazine in the future.

We hope the ILSA Magazine would bring benefit in align with theory and implementation of international issues. Have a glory of success for the upcoming release and spread the updated information.

P RESIDENT

ILSA is not merely an international law student organization. It is a space to grow, a place where ideas are tested, leadership is shaped, and learning is allowed to be imperfect. Within ILSA, mistakes are not signs of failure, but quiet markers of a process, where growth often begins in moments of uncertainty. This edition of ILSA Magazine brings together their reflections and testimonials, each capturing how ILSA once shaped a part of their journey.
