Tips for Young Entrepreneurs Market

- Sell a product or service that you love or believe in.
- Pick a fun name for your business.
- Have plenty of products on hand to sell on the spot.
- Have bags, boxes, or other packaging to protect your products and make them easy for your customers to carry.
- Know all about your product. What is it made of? How did you make it? What price will you sell it for?
- Make a colorful sign for your table or booth.
- Be creative and add balloons, streamers, music, candy, giveaways, or anything else you can think of to help attract people to your booth.
- Use your manners and practice being friendly to people who visit your booth.
- Keep your booth neat and clean.
- Have hand sanitizer or wetwipes at your booth to keep your hands clean.
- Don't forget to get cash for change for customers!
- Have FUN! This can be a great experience and you can make some money too! You may grow up to own a business right here in Charleston one day. Wouldn't that be great?
