

### Consent Form

I, the undersigned, declare that I have been fully informed about the visa processing times as stated on the official websites of the concerned embassies and VFS (Visa Facilitation Services). I understand and acknowledge that in the event of any delays, whether directly or indirectly, the processing period of the respective embassy is the only timeframe that is considered.

I also understand that **Mainstay Abroad** has no influence or responsibility over the speed, delay, or outcome of the visa processing decision. As a travel agent, **Mainstay Abroad** solely provides assistance with document preparation, form filling, appointment scheduling, and travel advice. The agency does not have the authority to make any decisions regarding the visa application process.

Furthermore, I acknowledge that **Mainstay Abroad** does not collect any visa fees, VFS appointment fees, or any other service charges related to the visa processing itself. **Mainstay Abroad** charges only for the travel advice provided, which is considered a labor cost mutually agreed upon between the agency and me. This fee is solely for the purpose of assistance, and a receipt is provided only for personal guidance.

I hereby confirm that I have fully understood the travel procedures explained by **Mainstay Abroad**, and I have been informed of all the steps involved in the visa process. I accept full responsibility for any delays or decisions made by the embassy and have no objection to any outcome.

By signing this consent form, I declare my full understanding and agreement with the terms stated above.
