- **STEP 2: We deliver the bite-Sized training we designed**  
Once the training workshop is fully prepared and approved, RISOVENT LTD delivers the session either online or face-to-face for a one-time fixed delivery fee (Table 3 below).

- **Example 1: How the Training Tailoring Service Process Works**

1. **Step 1 – Design**

A client from **Germany (EU)** requests a one **4-hour** tailored **online** workshop. RISOVENT estimates 28 work hours of design to develop slides, exercises, and other content materials.

- Design Fee = 28 work hours × £89 per hour = £2,492

2. **Step 2 – Delivery**

Once the customized **online** workshop is approved and completed, RISOVENT delivers the **4-hour** workshop online.

- Delivery Fee (from Table 3 for UK/EU since client is from Germany) = £850

3. **Total Project Cost = £2,492 + £ 850 = £3,342 + VAT (if necessary)**

- **Example 2: How the Training Tailoring Service Process Works**

1. **Step 1 – Design**

A client from **Saudi Arabia (International)** requests a total of **9-hour** tailored face-to-face workshops (5-hour workshop + 3-hour workshop + 1 hour workshop = 9-hour workshops). RISOVENT estimates 100 work hours of design to develop slides, exercises, and other content materials.

- Design Fee = 100 work hours × £89 per hour = £8,900

2. **Step 2 – Delivery**

Once the customized workshop is approved and completed, RISOVENT delivers the **9-hour**

workshop (5-hour workshop + 3-hour workshop + 1 hour workshop = 9-hour workshop).

- According to the delivery Fee (from Table 3 for international section since client is from Saudi Arabia):
  - 5-hour workshop = £2,500
  - 3-hour workshop = £1,750
  - 1-hour workshop = £ 750
  - Total workshop delivery fee = £5,000

**3. Total Project Cost = £8,900 + £5,000 = £13,900 + VAT (if necessary)**
