2. Tailored a “bite-size” Training Workshop

- **What is a Bite-Sized Training Workshop?**

It is a customized short-format training workshop lasting 1 to 4 hours, designed to meet specific client goals through relevant, practical topics, exercises, and case studies.

- **How Does This Service Work?**

Step 1 – We design your training workshop

RISOVENT LTD will design the full content and structure of your bite-sized training workshop, customized to your specific goals. Each bite-sized workshop can range from **1 to 4 hours** in duration.

Step 2 – We deliver the bite-Sized training we designed

Once the training workshop is fully prepared and approved, RISOVENT LTD will deliver the training session—either online or face-to-face.

Step 1 – Preparation (design) fees
