

WHAT WE DO?

METAL FABRICATION

EvolveTech Industries excels in precision metal fabrication, producing transformer casings, sheet metal components, and custom solutions. With advanced capabilities and a skilled team, we ensure durability, accuracy, and timely delivery for diverse industries.

LABOUR CONTRACTOR

EvolveTech Industries provides reliable labor contracting services, supplying skilled workers for industrial projects, civil work, and manufacturing. We ensure efficiency, compliance, and seamless workforce management to meet project demands on time.

CHEMICAL SUPPLY

EvolveTech Industries specializes in chemical supply and distribution, connecting manufacturers with buyers while managing logistics, quality assurance, and compliance. We ensure seamless transactions and reliable deliveries for diverse industrial needs.

OUR VISION, VALUES, & STORY

MORE ABOUT OUR SERVICES

EvolveTech Industries, formerly Jyoti Industries (est. 1989), was incorporated in 2024 as a leading sheet metal and stainless steel fabricator. We manufacture high-quality components for food processing, tire-building machinery, and industrial applications.

With advanced infrastructure, skilled engineers, and strict quality control, we ensure precision, reliability, and timely delivery, setting industry standards in metal fabrication.
