COMPANY OVERVIEW

About Us

EvolveTech Industries is a trusted name in metal fabrication, industrial contracting, and chemical supply. We manufacture high-quality transformer casings and precision sheet metal components, undertake large-scale infrastructure and civil projects, and distribute a wide range of industrial chemicals. With a strong presence across Northern and Central India, we are committed to delivering excellence, innovation, and reliability to national and multinational clients.

OUR PROCESS

Mission

Our mission at EvolveTech Industries is to deliver excellence in metal fabrication, industrial contracting, and chemical supply by providing high-quality products, reliable services, and innovative solutions.

We are committed to precision, efficiency, and customer satisfaction, ensuring long-term success for our clients and partners.

Vision

To be a trusted leader in engineering, industrial contracting, and chemical distribution, delivering innovative and high-quality solutions that enhance operational efficiency and sustainability.

We strive to build lasting relationships with clients by consistently exceeding expectations, embracing technological advancements, and maintaining the highest standards of safety and reliability.

CAMPANY VALUES

At Evolvetech Industries, we uphold integrity, ensuring transparency and ethical business practices. Quality drives us to deliver superior products and services, while innovation keeps us ahead with new technologies.

Safety is our priority, adhering to strict industry standards to protect our people and environment. With a customer-centric approach, we build lasting partnerships by delivering reliable, tailored solutions.

OUR CLIENTS

SUSTAINABILITY & ESG

At Evolvetech Industries, we prioritize sustainability and ethical business practices across all operations. From minimizing waste in metal fabrication to responsible chemical distribution and safe labor practices, we integrate ESG principles into everything we do.

Our focus on energy efficiency, compliance, and worker well-being ensures long-term value for our clients, employees, and communities while driving a more sustainable industrial future.

BUSINESS OVERVIEW

Metal Fabrication

Evolvetech Industries delivers high-quality, precision metal fabrication, crafting durable, custom-engineered sheet metal solutions for various industries with advanced technology and expert craftsmanship.

Labour Contactor

Evolvetech Industries provides skilled labor and expert project management for industrial and civil works, ensuring efficiency, safety, and high-quality execution.

Chemical Supply

Evolvetech Industries specializes in sourcing and supplying high-quality chemicals, ensuring reliable distribution, compliance, and tailored solutions to meet diverse industrial requirements.
