About Company

PT Linggau Jaya Eksportir is an Indonesian-based exporter specializing in high-quality agricultural commodities. With a focus on authenticity, sustainability, and global standards, we supply a wide range of products including spices, coconut derivatives, cocoa products, coffee, and tropical fruits.

Established with a strong commitment to empowering local farmers and ensuring traceable sourcing, our operations blend traditional farming heritage with modern quality control and international certifications. We proudly serve global markets in the US, Europe, Middle East, and Asia, delivering value through trusted partnerships and consistently excellent products.

At PT Linggau Jaya Eksportir, we are deeply committed to sustainability, fair trade, and continuous improvement. Our supply chain is built on long-term collaboration with farmers and cooperatives across Indonesia.

Vision & Mission

Vision

To become a leading global exporter of authentic Indonesian agricultural products by delivering consistent quality, empowering local communities, and promoting sustainable trade practices.

Mission

To deliver premium, sustainable Indonesian agricultural products to the global market while empowering local communities and maintaining the highest standards of quality and integrity.

Our Product

At **PT Linggau Jaya Eksportir**, we specialize in delivering premium-quality agricultural and coconut derivative products from Indonesia to the global market. Our product portfolio includes a wide range of natural commodities such as whole and powdered spices, fermented cocoa beans, premium-grade coffee, fresh tropical fruits, and high-value coconut derivatives like coconut sugar, desiccated coconut, briquettes, coco fiber, cocopeat, and frozen coconut meat.

We are committed to offering products that are not only sustainably sourced and processed but also meet strict international standards. Every item we export is carefully selected, processed under hygienic conditions, and packed to preserve its freshness and quality. With options for private labeling, custom packaging, and international certifications, we ensure our products are tailored to meet the diverse needs of our global partners.

Organic Coconut Sugar

Description:

Organic Coconut Sugar is a natural sweetener made from the sap of the coconut palm flower. It has a low glycemic index, rich caramel-like flavor, and is packed with minerals and antioxidants. Ideal for health-conscious consumers and organic food industries.

Specifications:

- Color: Golden Brown
- Form: Granulated / Powder
- Moisture: < 2%
- Sucrose: 75–80%
- Shelf Life: 18–24 months

- Certification: USDA Organic, EU Organic, JAS
- Packaging: 500g, 1kg, 25kg kraft bags (customizable)
- Private Label: Available

Desiccated Coconut

Description:

Desiccated Coconut is made from the white kernel of matured coconuts. It is dried, shredded or finely ground, and used widely in the bakery, confectionery, and snack industries.

Specifications:

- Grade: Fine / Medium
- Fat Content: High Fat ($\geq 60\%$)
Low Fat ($\leq 45\%$)
- Moisture: Max 3%
- Color: White with a hint of cream
- Free from additives
- Shelf Life: 12–18 months

- Packaging: 10kg / 25kg PE-lined kraft bags
- Certification: HACCP, ISO, Halal
- Private Label: Available

Organic Virgin Coconut Oil (VCO)

Description:

Virgin Coconut Oil is cold-pressed from fresh coconut meat without chemicals or high heat, preserving its natural nutrients, aroma, and flavor. It is used in cosmetics, pharmaceuticals, and food applications.

Specifications:

- Method: Cold-Pressed
- Appearance: Clear, colorless to light yellow
- Free Fatty Acid (FFA): < 0.1%
- Moisture: < 0.1%
- Odor: Natural coconut aroma

- Packaging: 250ml – 1L bottles, 20L jerry cans, 190kg drums
- Shelf Life: 18 months
- Certification: USDA Organic, EU, JAS, Halal
- Private Label: Available

Coconut Shell Charcoal Briquettes

Description:

Made from 100% coconut shells, our charcoal briquettes are eco-friendly, odorless, and long-burning. Perfect for BBQ and shisha markets due to their minimal ash and high heat output.

Specifications:

- Shape: Cube / Hexagonal / Pillow
- Size: 25x25x25mm (customizable)
- Ash Content: $\leq 2.5\%$
- Fixed Carbon: $\geq 80\%$
- Moisture: $\leq 6\%$
- Burning Time: 2–3 hours
- Odor: Neutral

- Packaging: 1kg, 10kg inner plastic + master carton
- Certification: ISO, SGS-tested
- Private Label: Available

Semi-Husked Coconut

Description:

Semi-Husked Coconuts are mature coconuts with part of the husk removed to protect the shell and improve shelf life. Ideal for export and use in coconut water, oil, or grated coconut production.

Specifications:

- Weight: 0.9 – 1.5 kg
- Shell Condition: Intact, semi-husked
- Maturity: Fully mature (11–12 months)
- Shelf Life: Up to 60 days

- Packing: Net bags or bulk in containers
- Origin: Sumatra, Indonesia
- Available in container load (FCL)

Coconut Fiber (Cocofiber)

Description:

Coconut Fiber, also known as coir, is extracted from the husk of the coconut. It is widely used in mattresses, ropes, brushes, erosion control mats, and horticulture.

Specifications:

- Length: 5–25 cm
- Moisture: < 15%
- Impurities: < 3%
- Color: Brown / Golden Brown

- Packaging: Baled (compressed)
- Use: Industrial-grade (mattresses, doormats, erosion netting)
- Shipping: 20–22 tons per 40ft HC container

Our Service

At PT Linggau Jaya Eksportir, we go beyond supplying high-quality agricultural products. We offer end-to-end export solutions designed to meet the unique needs of our global clients.

1. Product Sourcing & Quality Control

We source directly from trusted Indonesian farmers and ensure all products meet international standards through strict quality control.

2. Private Label & Packaging

We offer custom packaging, branding, and private labeling solutions tailored to your market needs.

3. Export & Compliance Support

Complete export documentation and compliance with global standards such as FDA, and HACCP.

4. Logistics & Global Shipping

Efficient worldwide delivery via air and sea through reliable logistics partners.

5. Product Customization

Tailored options for mesh size, cuts, moisture level, and blends.

Our Goals

Goal 1

Expand Global Reach

To grow our international presence by delivering high-quality, sustainable agricultural products and expanding our global market.

Goal 2

Empower Local Communities

To support local farmers through fair trade practices and innovative solutions that improve productivity and community livelihoods.

Goal 2

Drive Innovation in Agricultural Products

We aim to lead the way in product innovation by exploring new agricultural technologies, enhancing production processes, and offering unique, high-quality products that meet the evolving needs of the global market.
