

Dear Friends and Family,

Great News! I have been accepted & chosen to participate in the Cherokee County Sheriff's Office Public Safety Cadets!

I am writing to ask you to please help the Cherokee Cadet program continue to set young people on a path of success by supporting this worthy and worthwhile program.

The Cherokee Cadet Program is designed for 14-18-year-olds who have a passion for learning about the law enforcement field. Through immersive experiences, hands-on training, and mentorship from active professionals, our program offers a unique opportunity for young individuals to explore and prepare for a potential career in law enforcement. We focus on building leadership, discipline, and a strong sense of civic duty, empowering our cadets to become responsible and engaged members of their communities.

The Cherokee Cadet program pairs with the Cherokee Sheriff's Foundation, an IRS-designated 501(c)(3) non-profit organization, so your tax-deductible donation will be an investment in me, the other outstanding cadets in this program, and in our Cherokee County community. Any amount you can donate will help! I truly appreciate your support.

Sincerely,

A handwritten signature in black ink, appearing to read "England".
