

**Subject: Support Butler Italian Days**

Dear Businesses & Organizations,

On behalf of The Sons and Daughters of Italy Lodge #1664 Butler, we are thrilled to announce a community event to pay homage to our heritage: ***Our second annual, Butler Italian Days will be held on Friday August 28, and Saturday August 29, 2026.***

This event was very successful last year, and obviously would not have been so without the support from our sponsors.

We will celebrate our rich Italian heritage with food, music, and entertainment, offering a vibrant cultural experience for all. Organizing such an event comes with significant costs—insurance, advertising, stage rental, entertainment, and more.

With the success of last year, we would like to aim for bigger bands and to add a kid's corner for families to enjoy together.

*As a 501(C) 8 non profit organization*, we are reaching out to valued local businesses and organizations for support. We have a range of sponsorship opportunities designed to fit various levels of contribution, and every donation will help make this celebration a reality.

By partnering with us, your business will not only support a meaningful cultural event but also gain visibility within the community through our marketing and promotions. Together, we can ensure the success of this unforgettable celebration!

If you're interested in learning more about sponsorship levels and benefits, please feel free to contact us.

Thank you for considering this opportunity to be part of Butler Italian Days 2026. We look forward to working with you!

Warm regards,

Sons and Daughters of Italy Lodge #1664
