Me as a person:

I am a hard-working person who is not afraid of exploring tough terrains of the world and achieve things to not only benefit me but others. In my opinion peace is the prime thing in life.

My Likes:

Many things traveling, dancing, spending time with family

My dislikes:

Procrastination

What does success mean to me?

Success is when you are truly content with yourself with what you do and you come across as a role model where people look up to you applauding your success and accomplishments while you stay grounded and only strive to do even better

My secret formula for success?

Hard work uniqueness staying you ! Staying grounded

My achievements:

Many but still wanting to do better such as received many awards for dances and fashion shows during schooling years , became a young entrepreneur at the age of 16 worked my way up to AVP in corporate world stepped into modeling and pageantry and received Miss fashionista, Miss Bharat 2021 , Miss universal royalty , Miss Elite USA 2023 , Miss India universe USA 2024 been awarded and recognized by several platforms both in USA and internationally

One Advice:

Never underestimate yourself and don't let others step on your toes. Always keep your eyes on your goals and do not let anyone take away your shine!
