EVASION.
EVASION.

EVASION. EVASION.

- E adesso dove andiamo? -
 - Perché dobbiamo sempre andare da qualche parte? -
 - Sì, esatto, non possiamo starcene tranquilli per un po'?
 - Ah va bene, se lo dite voi. Chiedevo solo per curiosità -
 - Dai però non te la prendere -
 - Hey voi altri, non litigate -
 - Tu non t'impicciare e torna qua -
 - Lasciali fare -
 - Fa un caldo terrificante -
 - Io ho quasi freddo, però sono d'accordo -
 - Coglione! -
 - Ma cosa vuole? -
 - Boh -
 - Lascia perdere -
 - A proposito, ricordi di quella volta? -
 - No, quale? -
 - Dai, quella volta che è successo qualcosa di simile ad adesso -
 - Come fai a ricordarti di certe cose io non lo so -
 - È perché sono cose che ti interessano? -
 - Mi chiedo come facciano ad interessarti certe cose -
 - Non sei tu a scegliere -
 - E rieccoci con l'aggressività -
 - Ma quale aggressività, stronzo -
 - Sentilo l'affetto -
 - Vi voglio bene, venite qua -
 - Vaffanculo, ho voglia di stare da solo -
 - Dai, non fare così -
 - Sono molto preoccupato -
 - Io ho quasi paura -
 - A me è indifferente -
 - Faccia quello che vuole -
 - Guardate che cosa so fare! -
 - Per l'appunto, mi sento pieno -
 - Avresti voglia di un po' di vuoto? -
 - No -
 - Un po' -
 - Sì, ma quindi dove andiamo? -
- E si buttò.
