

# RATWATCH TO "SKYWATCH"

President Trump and RFK, Jr. have taken action against chemtrail dumping after decades of reckless pollution of our environment and our food chain; they have unleashed a military operation dubbed "Skywatch" to locate and dig out the airfields and other point sources and technologies.

Just in case "the military" has any trouble finding DARPA, their DOD (DEPARTMENT OF DEATH) pilots or have any trouble proving that geoengineering and weather warfare exist to skeptical dumbed-down sick, miserable, threatened and staggering American True Believers that the same "military" failed to protect despite trillions of dollars spent on "the military"—and despite forty years of our complaints—here you go boys!
