

ENRICHING THE WEALTHY

Dr. Fauci's business closures pulverized America's middle class and engineered the largest upward transfer of wealth in human history. In 2020, workers *lost* \$3.7 trillion, while billionaires *gained* \$3.9 trillion. Some 493 individuals became new billionaires, and an additional 8 million Americans dropped below the poverty line. The biggest winners were the robber-barons, the very companies that were cheerleading Dr. Fauci's lockdown and censoring his critics: Big Technology, Big Data, Big Telecom, Big Finance, Big Media behemoths (Michael Bloomberg, Rupert Murdoch, Viacom, and Disney), and Silicon Valley Internet titans like Jeff Bezos, Bill Gates, Mark Zuckerberg, Eric Schmidt, Sergey Brin, Larry Page, Larry Ellison, and Jack Dorsey.

The very internet companies that snookered us all with the promise of democratizing communications made it impermissible for Americans to criticize their government or question the safety of pharmaceutical products; these companies propped up all official pronouncements while scrubbing all dissent. The same Tech/Data and Telecom robber barons, gorging themselves on the corpses of our obliterated middle class, rapidly transformed America's once-proud Republic into a censorship and surveillance police state from which they profit at every turn.

Microsoft, by working with the CDC and the Gates-funded Johns Hopkins Center for Biosecurity, had used the COVID pandemic to achieve "two years of digital transformation in two months." Microsoft Team users ballooned to 200 million meeting participants in a single day, averaged more than 75 million active users, compared to 20 million users in November 2019, and the company's stock value skyrocketed. Larry Ellison's company Oracle, which partnered with the CIA to build new cloud services, won the contract to process all CDC vaccination data. Ellison's wealth increased by \$34 billion in 2020; Mark Zuckerberg's wealth grew by \$35 billion; Bill Gates by \$22 billion; and Mike Bloomberg by nearly \$7 billion.

Ellison, Gates, and the other members of this government/industrial collaboration used the lockdown to accelerate construction of their 5G network of satellites, antennae, biometric facial recognition, and track and trace infrastructure that they, and their government and intelligence agency partners, can use to mine and monetize our data, further suppress dissent, to compel obedience to arbitrary dictates, and to manage the rage that comes as Americans finally wake up to the fact that this outlaw gang has stolen our Republic, our God-given inalienable rights, our country, and our way of life—while we huddled in orchestrated fear from a flu-like condition.

With fears of COVID generously stoked, the dramatic and steady erosion of constitutionally-protected rights and fomenting of a global coup d' état against the Republic, the demolition of our economy, the obliteration of a million small businesses, the collapsing of the middle class, the evisceration of our Bill of Rights, the tidal wave of surveillance capitalism and the rising bio-security state, and the stunning shifts in wealth and power going to a burgeoning oligarchy of high-tech Silicon Valley robber barons seemed, to a dazed and uncritical America, like it might be a reasonable price to pay for safety. And we were told, it's just for 15 days, or maybe 15 months, or however long it takes for Dr. Fauci to "follow the data" to his answer.
