We are pleased to welcome you to ELEVATE 2026, a rapid revision course in Reproductive Medicine and Clinical Embryology.

This programme has been specifically designed for exam-going candidates and for clinicians and embryologists seeking a concise, high-yield refresh of the subject.

ELEVATE 2026 focuses on core concepts, frequently tested areas, and clinically relevant principles, presented in a structured and time-efficient format.

ELEVATE 2026 aims to support confident revision, sharper recall, and focused preparation—whether for examinations or rapid academic updating.

We look forward to welcoming you to this focused learning experience.

Dr Vasundara Jagannathan
Course Director.

Dr Sindhuja Srinivasan,
Course Director.
