

FARID HAMIDOV

GRAPHIC DESIGNER

ABOUT ME

Hello, I'm Farid, a graphic designer with 9 years of experience in the creative industry. I specialize in branding, logo design, packaging and box design, social media content creation, and print materials. My focus is on creating designs that not only look great but also reflect a brand's identity and connect with its audience.

I'm skilled in Adobe Photoshop, Illustrator, CorelDRAW, Premiere Pro, and After Effects. Over the years, I've also mentored 23 students, helping them master design principles, software, and creative thinking. I believe in inspiring others to develop their own unique style and approach to design.

My goal is to take part in meaningful projects and continue growing as a designer while contributing to organizations that value creativity, innovation and quality.
