About Us.

Introduction

Established in 2018, PVD Shipping Solution is a trusted logistics and freight forwarding company dedicated to delivering efficient, reliable, and customized shipping solutions across India and the globe. Headquartered in Dehradun, Uttarakhand, we operate with a growing network of branches in Jaipur, Delhi, Roorkee, Mumbai, Lucknow, Chandigarh, Meerut, Kanpur, Agra, Chennai, and Surat.

As a partnership firm, we pride ourselves on our customer-first approach, transparent operations, and commitment to timely delivery. Whether it's local distribution or international freight forwarding, our goal is to simplify logistics and provide our clients with complete peace of mind.

Mission & Vision.

MISSION

Our mission is to deliver seamless logistics and shipping solutions driven by professionalism, technology, and client satisfaction. We are dedicated to simplifying global trade and transportation through efficient operations, transparent communication, and a client-first approach.

We aim to continuously enhance our services by integrating modern technologies, expanding our network, and training our team to adapt to evolving industry trends. Every shipment we handle reflects our mission — to ensure timely delivery, safety, and complete customer satisfaction.

VISION

At PVD Shipping Solution, our vision is to become a leading global logistics provider recognized for reliability, innovation, and customer satisfaction. We aspire to set new benchmarks in the logistics and shipping industry by consistently delivering services that exceed client expectations and by building long-term partnerships rooted in trust and transparency.

Our vision also reflects our commitment to sustainability and responsible business practices. We strive to adopt eco-friendly solutions, optimize routes to reduce emissions, and leverage digital tools to enhance operational efficiency. By focusing on quality, integrity, and service excellence, PVD Shipping Solution seeks to stand as a trusted global brand that delivers not just goods, but peace of mind — in time.

Our Core Services

At PVD Shipping Solution, we provide a complete range of freight forwarding and logistics services designed to simplify the complexities of domestic and international shipping. With a client-centered approach, we combine technology, expertise, and strategic partnerships to deliver customized, cost-effective, and time-bound solutions. Our comprehensive suite of services ensures smooth transportation of goods across borders with full visibility and reliability at every stage.

- **International Shipping Services:** Comprehensive freight solutions connecting businesses worldwide.

Our Key Strengths

At PVD Shipping Solution, our success is built upon a strong foundation of reliability, integrity, and customer satisfaction. We take pride in being a client-oriented company that believes every shipment represents not just goods in transit, but the trust and expectations of our clients. Our goal is to deliver service excellence at every step — from booking and documentation to delivery and feedback.

Client-Oriented Approach Focused on Service Excellence

We place our clients at the heart of everything we do. Our operations are designed to meet the unique needs of each customer, ensuring personalized attention and customized logistics solutions. Whether it's a small parcel or a large industrial consignment, we treat every shipment with equal priority. Our dedicated customer support team is always available to provide updates, address queries, and ensure smooth coordination throughout the process.

Reliable and On-Time Delivery with Transparent Communication

Timeliness and reliability define our brand. We understand that in logistics, every minute counts. That's why we maintain strict schedules, optimized routes, and effective coordination with carriers and partners. Our transparent communication policy ensures that clients are always informed about their shipment status, reducing uncertainty and enhancing trust.

Skilled and Experienced Team

Our team is composed of logistics professionals with years of hands-on experience in freight forwarding, customs handling, and supply chain management. Their deep industry knowledge and problem-solving skills enable us to overcome challenges efficiently and deliver consistent results. Regular training and skill enhancement ensure our team stays ahead of evolving global logistics trends.

Strong Nationwide Presence and Expanding International Network

With a robust presence in major Indian cities — including Jaipur, Delhi, Roorkee, Mumbai, Lucknow, Chandigarh, Meerut, Kanpur, Agra, Chennai, and Surat — we ensure extensive coverage and quick response times. Our growing international partnerships further strengthen our ability to offer global shipping solutions that connect our clients' businesses to the world.

Our Target Market

At PVD Shipping Solution, we take pride in serving a wide and dynamic range of clients operating across both domestic and international markets. Our target market includes organizations from multiple sectors that rely on efficient, reliable, and transparent logistics solutions to keep their supply chains running smoothly. From small and medium enterprises to multinational corporations, we deliver tailored freight and logistics services that match the specific needs of each business.

Our primary focus lies within the logistics, trade, manufacturing, and supply chain industries, where the demand for accuracy, speed, and dependability is paramount. We cater to importers, exporters, distributors, e-commerce businesses, and industrial suppliers who require comprehensive logistics support — covering sea and air freight, customs clearance, warehousing, and courier services. Our flexible service structure allows us to handle both high-volume industrial shipments and smaller commercial consignments with equal precision and care.

On the domestic level, we have established a strong presence across major Indian cities such as Jaipur, Delhi, Roorkee, Mumbai, Lucknow, Chandigarh, Meerut, Kanpur, Agra, Chennai, and Surat. This strategic network allows us to ensure timely transportation and connectivity between production units, warehouses, and retail destinations, helping businesses maintain continuity and efficiency in their operations.

Internationally, we work with clients involved in cross-border trade and global logistics, offering seamless shipping solutions that connect India to vital commercial destinations in Asia, the Middle East, Europe, and beyond. With our growing network of trusted international partners and agents, we ensure reliable freight forwarding, customs handling, and door-to-door delivery solutions that simplify the complexities of global commerce.

What truly sets PVD Shipping Solution apart is our understanding of diverse market needs. We recognize that each client faces unique challenges — whether it's managing customs regulations, optimizing delivery timelines, or balancing costs. Our customized logistics strategies are designed to address these challenges efficiently while maintaining high service quality and transparency.

We also target businesses seeking long-term logistics partnerships, where reliability, communication, and accountability are as important as cost efficiency. By consistently providing dependable service and maintaining an open, client-focused approach, we have earned the trust of numerous partners across various industries.
