AK PROGRESIF SDN BHD

# INTRODUCTION

## CORPORATE OVERVIEW

*“Guided by expertise, integrity, and a commitment to sustainability, AK Progresif Sdn Bhd delivers professional environmental solutions that protect today’s environment while safeguarding the future.”*

AK Progresif Sdn Bhd was incorporated on 3 October 2013 as a professional consultancy firm specializing in environmental management and environmental compliance services. The company is established with a clear commitment to addressing environmental issues while supporting sustainable development across various industries.

Driven by the vision of promoting a clean, safe, and sustainable environment, AK Progresif Sdn Bhd continuously seeks improvement in its practices and solutions to ensure long-term environmental protection. The company provides comprehensive consultancy services that assist clients in meeting regulatory requirements, minimizing environmental impacts, and enhancing environmental performance.

AK Progresif Sdn Bhd operates under the same directorship as AK Environmental Management Services, enabling the company to leverage extensive industry experience, technical expertise, and a strong professional network. Supported by a team of experienced personnel and qualified competent persons, the company is well-positioned to deliver reliable, accurate, and effective environmental solutions.

The company’s profile encompasses detailed information on its organizational structure, range of services, key personnel, projects undertaken, and strategic partners. This integrated approach allows AK Progresif Sdn Bhd to provide end-to-end environmental consultancy services tailored to client needs.

With a strong foundation in professional integrity, regulatory knowledge, and technical competency, AK Progresif Sdn Bhd remains committed to being a trusted environmental consultancy partner, contributing positively towards environmental preservation and sustainable development in Malaysia.

**AK PROGRESIF

Detailed and Post EIA)

Department of  
Environment (DOE) PAT  
Submissions and Written  
Approval Submissions

# OUR OBJECTIVES

## CORPORATE BUSINESS STRATEGIES

*Our objective is simple yet vital: to protect the environment while enabling responsible and compliant development. Our commitment lies in delivering high-quality environmental solutions that safeguard today's needs and tomorrow's resources.*

### **TO PROMOTE ENVIRONMENTAL SUSTAINABILITY**

To support and encourage sustainable development by promoting effective environmental management practices that protect and preserve the environment for future generations.

### **TO ENSURE THE REGULATORY COMPLIANCE**

To assist clients in complying with all environmental laws, regulations, and Department of Environment (DOE) requirements through accurate studies, submissions, and professional consultancy services.

### **TO DELIVER HIGH-QUALITY ENVIRONMENTAL CONSULTANCY SERVICES**

To provide reliable, comprehensive, and technically sound environmental services, including EIA studies, environmental audits, and environmental monitoring, that meet industry and regulatory standards.

### **TO MINIMIZE ENVIRONMENTAL IMPACTS OF DEVELOPMENT PROJECTS**

To identify, assess, and mitigate potential environmental impacts arising from development activities through effective planning, monitoring, and management strategies.

### **TO CONTINUOUSLY IMPROVE PROFESSIONAL COMPETENCY**

To enhance the knowledge, skills, and capabilities of the company's personnel by maintaining qualified competent persons and adopting best practices in environmental management.

# OUR MISSION & VISION

## CORPORATE GOALS & PURPOSES

### CORPORATE MISSION

- To actively support and contribute to national infrastructure development through responsible and sustainable environmental consultancy services.
- To strengthen and develop local expertise and capacity in environmental protection and environmental management.
- To provide effective, practical, and compliant solutions to environmental challenges faced by our clients.
- To uphold the highest standards of professional integrity, regulatory compliance, and ethical practices in all environmental consultancy services provided.

### CORPORATE VISION

To be one of the leading providers of a multidisciplinary consultancy services, recognised for our commitment to total quality assurance & our ability to deliver professional, reliable, and client-focused solutions that consistently achieve high levels of client satisfaction.

This vision reflects AK Progresif Sdn Bhd's long-term aspiration to grow as a reputable and trusted consultancy firm that offers comprehensive, multidisciplinary solutions across environmental and related fields. By emphasizing total quality assurance, the company is committed to maintaining high professional standards, accuracy, and regulatory compliance in every assignment undertaken.

# OUR CORE VALUES

## CORPORATE COMMITMENTS

AK PROGRESIF  
SDN BHD

### ENVIRONMENTAL STEWARDSHIP

We are deeply committed to protecting and preserving the environment by integrating sustainable practices and responsible decision-making into every consultancy solution we deliver.

### REGULATORY EXCELLENCE

We uphold strong knowledge & adherence to environmental laws and DOE requirements, ensuring every study, submission, & recommendation meets statutory and compliance standards.

### TECHNICAL COMPETENCY

Our strength lies in experienced personnel and qualified competent persons who deliver accurate, reliable, and technically sound environmental solutions.

### PROFESSIONAL INTEGRITY

We conduct all services with honesty, transparency, and ethical responsibility, earning the trust of clients, authorities, and stakeholders.

### CLIENT-CENTRIC SOLUTIONS

We focus on understanding our clients' challenges and delivering practical, cost-effective, and timely solutions tailored to their project needs.

### CONTINUOUS IMPROVEMENT

We actively enhance our knowledge, methodologies, and service quality to keep pace with evolving environmental standards and industry best practices.

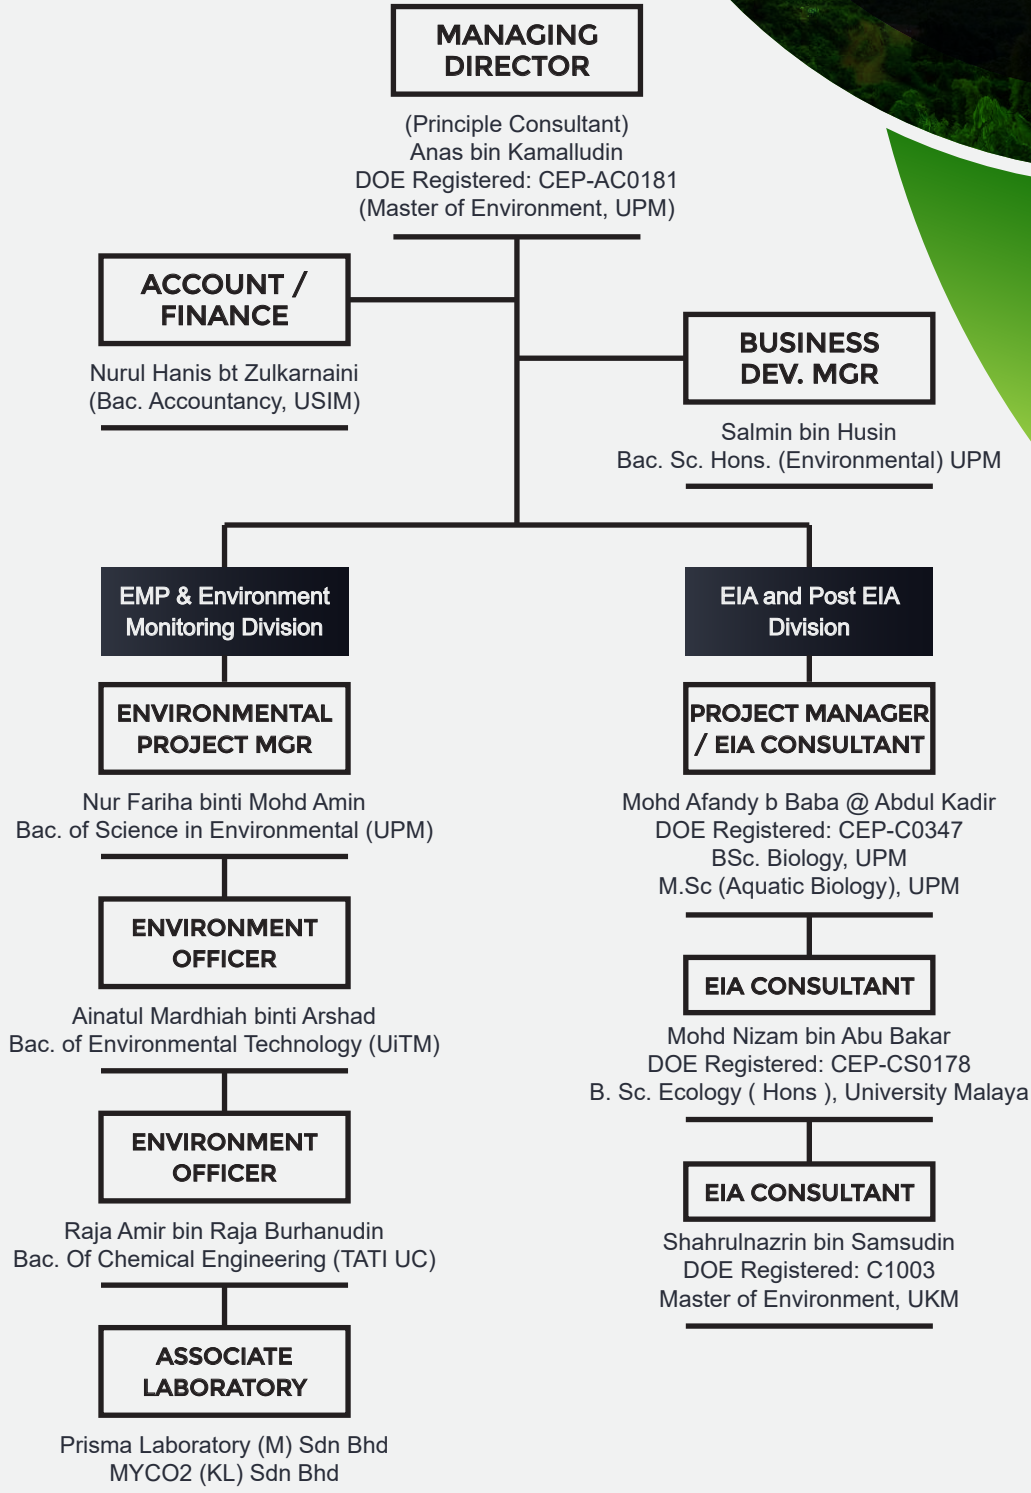

*Built on integrity, expertise, and environmental stewardship, our core values drive us to deliver compliant, reliable, & sustainable solutions that create lasting value for our clients and the environment.*
