

Free Pet Care Checklist

Download and take care of your pet.

Daily Checklist

- ☐ Fresh Water
- ☐ Nutritious Food
- ☐ Potty Break
- ☐ Exercise/Playtime
- ☐ Social Interaction

Make sure your pet has access to clean, fresh water at all times.

Provide a balanced diet appropriate for your pet's age, breed, and activity level.

Take your dog for a walk or provide access to a litter box for cats.

Engage in physical activity with your pet to keep them healthy and stimulated.

Spend time interacting with your pet through play, cuddling, or grooming.

Weekly Checklist

- ☐ Grooming
- ☐ Clean Living Area
- ☐ Check Paws/Ears

Brush your pet's fur regularly to prevent matting and reduce shedding.

Clean your pet's kennel, cage, or litter box to maintain a healthy environment.

Inspect your pet's paws and ears for any signs of irritation or infection.

Monthly Checklist

- ☐ Flea/Tick Prevention Administer flea and tick prevention medication as directed by your veterinarian.
- ☐ Heartworm Prevention (if applicable) Give your pet heartworm prevention medication if recommended by your vet.
- ☐ Nail Trim

Trim your pet's nails to prevent overgrowth and discomfort.

Yearly Checklist

- ☐ Veterinary Checkup Schedule a comprehensive checkup with your veterinarian.
- ☐ Vaccinations Ensure your pet is up-to-date on all necessary vaccinations.
- ☐ Dental Cleaning Consider professional dental cleaning to maintain your pet's oral health.

This checklist is intended as a general guide. Consult with your veterinarian for personalized pet care recommendations.

Summary

This checklist provides a structured approach to pet care, covering daily, weekly, monthly, and yearly tasks. By following this guide, pet owners can ensure their furry friends receive the attention and care they need to thrive.
