

Little Chester Allotment Association

LCAA NEWSLETTER

MARCH 2025

We hope to have a range of events happening at Little Chester Allotments this year. Our new look website has a calendar of events and important dates, amongst other interesting information, which is regularly updated. This is the link to the website: www.littlechesterallotments.org.uk Please take a look.

Upcoming events –

- Sunday 20th April - Easter Sunday - **Charity Easter Event** in aid of **Alzheimer's Society**
- May 5th to 11th - **Hedgehog Awareness Week**
- Sunday 11th May - **Open Day and Plant Sale**
- August 11th – 17th is **National Allotment Week 2025**. The theme this year is *'Allotments and Wellbeing'*. We will be planning events for that week in our next meeting in mid-March. If you have any ideas for events, please do let us know!

* Associations like LCAA are obliged to find out what our users are interested in/would prefer etc. From time to time, short surveys will be posted on Facebook. These are completely anonymous – we have no idea who is responding – but answers given are appreciated and will inform our future meetings so that we can make better provision for you. Please do not worry if you do not use Facebook.

Over the coming weeks, there will be more work done in the community room, and once decorated, we will have new noticeboards displaying all the important information.

The Trading Post is always open for tenants, though you may need to ask in the community room first, and from March 1st will be open to the public. Please inform your friends!

Plot inspections will be held in March. We expect to see obvious 'signs of cultivation' at this time.

Let's hope that we get a better growing year in 2025 than we had last year! 🌱
