## 11-YEAR-OLD AUTHOR ADORA FAGBOHUN SET TO LAUNCH DEBUT TWEEN NOVEL THE CONFIDENCE SPARK ON JUNE 2, 2025

Montreal, QC – Labworks Publishing is proud to announce the upcoming release of *The Confidence Spark*, the debut tween novel by 11-year-old author Adora Fagbohun, officially launching on June 2, 2025. Written with heart, honesty, and powerful perspective, this chapter book delivers a relatable, empowering message for kids navigating self-doubt, identity, and confidence.

### Meet The Confidence Spark

A powerful, real, and relatable story about finding your voice, embracing who you are, and letting your confidence shine—no matter what.

Written by Adora—also known as Mo'Girl!—*The Confidence Spark* celebrates kindness, resilience, and the unique spark that lives in every child learning to believe in themselves.

Ideal for ages six and up.

Perfect for classrooms, book clubs, and young readers everywhere

### Following in Powerful Footsteps

Adora's creative drive is no surprise. She follows in the footsteps of her mother, Nifemi Fagbohun, a bestselling Labworks Publishing author, who reflects:

"All in all... I'm incredibly proud. It's a beautiful thing to see her embrace her voice and passion so early, just like I did. Holding her book in my hands just two days ago was a proud mum moment I'll never forget."

### More Than an Author

Adora is also the founder of *Bijoux Par Mo'*, her own custom jewelry business, proving that she's not just a storyteller—she's a young entrepreneur with a powerful voice and vision.

"I've been writing my book since last year," Adora shares. I'm so excited for everyone to read what I've worked hard on. I want kids like me to love who they are and feel confident in their uniqueness."

### Availability

*The Confidence Spark* will be available for purchase beginning June 2, 2025, on all Amazon platforms and through the Labworks Publishing website.
