Jayashree S is a skilled Design Attorney specializing in the protection, prosecution, and enforcement of industrial designs. With a strong understanding of design law and aesthetic innovation, she supports clients in securing exclusive rights over the visual and ornamental aspects of their products across diverse industries.

Jayashree advises clients on matters related to design registration, infringement analysis, and portfolio management, helping businesses enhance brand value through well-structured design protection strategies. Her expertise spans consumer products, fashion, electronics, packaging, automotive components, and more—where form and function converge to create market distinction.

Known for her meticulous approach and strong grasp of evolving design trends and IP frameworks, Jayashree works closely with clients ranging from startups to established enterprises, ensuring their creative assets are safeguarded both in India and internationally. She continues to champion the value of design innovation as a key element of commercial success.
