

Name: Kavya K S

Designation: IP Associate

Qualification: BE (Electronics & Comm.)

Practice Area: Patents & Design

Contact: kavya@inductip.com

Kavya K S is a dynamic Patent Associate with a technical background in Electronics & Communication Engineering, earned from East West College of Engineering, Bangalore. She specializes in the filing and prosecution of patents and industrial designs, assisting clients in protecting their innovations across a range of advanced technological fields.

Kavya has hands-on experience managing patent matters in diverse and evolving domains such as machine learning, artificial intelligence, neural networks, blockchain, electric vehicle technology, communication networks, Internet of Things (IoT), image processing, big data analytics, and cloud computing. She works closely with inventors, startups, and technology-driven enterprises to draft, file, and prosecute IP applications that align with their innovation and commercialization strategies.

With her blend of technical knowledge and IP expertise, Kavya contributes to building comprehensive IP portfolios that provide competitive advantages and long-term value. Her attention to detail and commitment to quality make her a valuable asset in navigating the complexities of modern-day intellectual property protection.
