

Name: Muzzammil Muhammad

Designation: Principal Associate

Qualification: M. Phil (Chemistry)  
M. Sc. (Chemistry)

Practice Area: Patents

Contact: [muzzammil@inductip.com](mailto:muzzammil@inductip.com)

Muzzammil M is a seasoned Patent Professional and Registered Patent Agent with over 18 years of experience in end-to-end patent lifecycle management—from drafting and filing to prosecution and grant across multiple jurisdictions. He brings deep technical expertise in polymer chemistry, pharmaceuticals, medical diagnostics, organic and biochemistry, drug development, and mechanical inventions.

He has successfully advised individuals, universities, startups, and multinational corporations on diverse aspects of patent law, including application drafting, prosecution, infringement analysis, and portfolio management. Muzzammil also supports clients with comprehensive IP audits, freedom-to-operate (FTO) assessments, and patentability evaluations.

Prior to joining the firm, he served as a Senior Research Analyst, where he specialized in patent analytics, validity and enforcement opinions, due diligence, patent landscaping, and infringement assessments. He is highly proficient in using specialized chemical patent search tools such as STN and SciFinder, ensuring precision in complex patent and literature searches.
