

ZULITA MIGRATION PRIVACY POLICY

VERSION 1.0

REVIEWED ANNUALLY

EFFECTIVE DATE 1ST DEC. 2024

1. Introduction.

Our Commitment to Your Privacy, At Zulita Migration ("Company," "we," "us," or "our"). A government-registered (Udyam-Certified) Indian Legal/Immigration Consulting Agency, your privacy is paramount. We understand that entrusting us with your personal information is a significant act of faith and we are deeply committed to safeguarding the confidentiality, integrity, and security of the data you provide. This comprehensive Privacy Policy outlines how we collect, utilize, share, and protect your personal data throughout your engagement with our diverse range of immigration and international relocation services across India, Caribbean, South Africa, Asian Countries, Commonwealth Countries, European Union (EU/EEA), and United Arab Emirates (UAE). This policy is meticulously crafted to comply

with the stringent provisions of India's Digital Personal Data Protection Act, 2023 (DPDP Act), the European Union's General Data Protection Regulation (GDPR) for individuals within the EU/EEA, and other pertinent international data protection laws and best practices. We strive for transparency and aim to provide you with a clear understanding of our data handling practices.

2. Scope of This Privacy Policy.

This Privacy Policy applies to all individuals who interact with Zulita Migration, including but not limited to :

2.1 Individuals utilizing our services related to tourist visas, itinerary creation, study visas, language test preparation, work permits, permanent residency applications, profile marketing for immigration, digital nomad visas, short-term/long-term business visas, golden visa programs, and citizenship by investment programs.

2.2 Visitors to our websites, mobile applications, and other digital platforms.

2.3 Individuals whose data is collected through

third-party service providers and governmental authorities as part of our service delivery.

2.4 Beneficiaries of our services, even if the initial engagement is through a representative. By using our services or interacting with our platforms, you acknowledge that you have read and understood this Privacy Policy and consent to the collection, use, and disclosure of your personal data as described herein.

3. Comprehensive Overview of the Types of Data We Collect.

To effectively deliver our specialized immigration and relocation services, we may collect and process various categories of your personal data, including :

3.1 Identity Data : This encompasses your full legal name (including any previous names), date of birth, gender, nationality (current and previous), place of birth, marital status, photograph (as required for applications), signature, and any other information that uniquely identifies you.

3.2 Contact Data : This includes your primary

and secondary phone numbers, email addresses, residential address (current and previous), postal code, and preferred mode of communication.

3.3 Travel Data : This includes your passport details (number, issue date, expiry date, place of issue), visa application history, previous travel history (including entry and exit stamps, flight details), itinerary details (current and proposed), and any records of refusals or deportations.

3.4 Academic Data : This includes copies of your academic transcripts, diplomas, degrees, certificates, language proficiency test scores (e.g., IELTS, TOEFL, PTE, Goethe-Institut, Alliance Française, Duolingo), and details of educational institutions attended.

3.5 Employment Data : This includes your curriculum vitae (CV), employment history (including employer names, job titles, dates of employment, responsibilities), salary statements, No Objection Certificates (NOCs) from current or previous employers, professional licenses, and registration details.

3.6 Financial Data : This includes proof of funds

(bank statements, fixed deposit certificates), income tax returns, credit reports (where relevant for certain applications), investment portfolios, and details related to financial sponsorships.

3.7 Legal Documents : This includes copies of your birth certificates, marriage certificates, divorce certificates, police clearance certificates (PCCs), affidavits, statutory declarations, business licenses, registration agreement, ITR Reports, Balance Sheets, and any other legal documents required for your specific immigration or relocation process.

3.8 Biometric Data : This may include fingerprints, facial scans, and other biometric identifiers as mandated by embassies, consulates, or visa application centers during the application process. This data is typically collected directly by the authorized entities and not stored by Zulita Migration unless a copy is provided by you for processing your application.

3.9 Health Data : In certain immigration streams, you may be required to provide health insurance details and medical examination reports. We will

handle this sensitive data with utmost confidentiality and in compliance with applicable health data protection regulations.

3.10 Technical Data : When you interact with our websites or digital platforms, we may automatically collect certain technical information, including your IP address, browser type and version, operating system, device identifiers, access logs, and website usage patterns.

4. Detailed Explanation of the Purposes of Data Collection.

We collect and process your personal data for the following specific and legitimate purposes :

4.1 Preparation and Filing of Visa and Immigration Applications : This is the core of our services and involves using your data to complete application forms, compile supporting documents, and submit applications to the relevant immigration authorities for Tourist Visas (USA, Italy, UAE, etc.), Study Visas (Canada, Germany, France, etc.), Work Permits (Norway, UK, Ireland, etc.), Permanent Residency

(Canada, Australia, Germany, etc.), Digital Nomad Visas (Malta, Estonia, Costa Rica, etc.), Short-Term Business Visas (USA, Canada, UK, etc.), Long-Term Business Visas (Singapore, UAE, Australia, etc.), Golden Visa Programs (Portugal, UAE, Thailand, etc.), and Citizenship By Investment Programs (St. Kitts & Nevis, Dominica, Antigua & Barbuda, etc.). Check the full list of countries in the website.

4.2 Facilitating University/College Placement and Language Course Registration : For study visa applicants, we use your academic records and preferences to identify suitable educational institutions in Canada, Germany, and France etc. We also facilitate registration for English, German, and French language courses offered by providers like the British Council, Goethe-Institut, and Alliance Française.

4.3 Arranging Travel, Accommodation, and Travel Insurance : For relevant services, we utilize your travel dates and preferences to book flights, hotels through platforms like Booking.com and Expedia, and assist with obtaining necessary travel insurance.

4.4 Conducting Identity Verification, Background Checks, and Compliance Screenings : To comply with legal and regulatory requirements and to ensure the integrity of the immigration process, we may use your data to conduct identity verification checks through government databases (where authorized) and facilitate background checks through agencies like Equifax and Sterling.

4.5 Managing Legal Documentation, Translations, Notarization, and Attestation : We process your legal documents to arrange for professional translations, notarization by authorized notaries, and attestation by relevant government bodies (e.g., MEA, embassy attestation).

4.6 Processing Payments, Managing Escrow Accounts, and Verifying Funds : For service fees and investment-related programs, we process your payment information securely and may facilitate the management of escrow accounts through financial institutions like Hamilton Reserve Bank, CIBC, Scotiabank, Millennium Banque Privée and Abanca etc. We also verify

proof of funds as required by immigration authorities.

4.7 Maintaining Communication and Managing Client Relationships : We use your contact information to communicate with you regarding your application status, service updates, appointment scheduling, and to respond to your inquiries effectively. We may also use CRM tools like Salesforce and Zoho CRM to manage our client interactions.

4.8 Marketing and Client Profiling (Only with Explicit Consent) : With your explicit consent, we may use your data to inform you about new services, relevant immigration updates, and promotional offers that may be of interest to you based on your profile and preferences. You have the right to withdraw this consent at any time.

4.9 Improving Service Delivery and Personalization : We may analyze anonymized and aggregated data to understand trends, improve our service offerings, and personalize your experience with Zulita Migration.

4.10 Ensuring Website and Platform Functionality and Security : We use technical

data to maintain the functionality and security of our websites and digital platforms, including troubleshooting issues, preventing fraud, and ensuring data security.

5. Legal Basis for Processing Your Personal Data.

Our processing of your personal data is based on one or more of the following legal grounds, as applicable under relevant data protection laws :

5.1 Your Explicit Consent : We will rely on your freely given, specific, informed, and unambiguous consent for certain processing activities, particularly for the collection and processing of sensitive personal data (e.g., health records, biometric data beyond mandatory legal requirements) and for marketing communications. You have the right to withdraw your consent at any time.

5.2 Performance of a Contract : Processing your personal data is necessary for the performance of the service agreement you enter into with Zulita Migration. This includes preparing and

submitting your visa application, arranging travel, and providing other services you have requested.

5.3 Compliance with a Legal Obligation : We may process your personal data to comply with legal and regulatory obligations, such as responding to requests from government authorities or adhering to immigration laws.

5.4 Legitimate Interests : We may process your personal data based on our legitimate interests, provided that such interests do not override your fundamental rights and freedoms. Our legitimate interests may include improving our services, ensuring the security of our systems, and conducting business analytics. Where we rely on legitimate interests, we will always ensure that there is a fair balance between our interests and your privacy rights.

8.5 To comply with our legal and regulatory obligations, including record-keeping requirements.

Once the retention period expires, your personal data will be securely deleted or anonymized in a manner that ensures it can no longer be used to identify you. The specific retention periods may vary depending on the type of data and the purpose of processing.

9. Your Rights Regarding Your Personal Data.

Under applicable data protection laws, including the DPDP Act and GDPR, you have several rights concerning your personal data :

9.1 Right to Access: You have the right to request access to the personal data we hold about you and to receive a copy of this information.

9.2 Right to Rectification: You have the right to request that we correct any inaccurate or incomplete personal data we hold about you.

9.3 Right to Erasure ("Right to be Forgotten"): In certain circumstances, you have the right to request that we erase your personal data.

However, this right is not absolute and may be subject to legal obligations or legitimate reasons for retaining the data.

9.4 Right to Restriction of Processing: You have the right to request that we restrict the processing of your personal data in certain circumstances, such as when you contest the accuracy of the data or object to the processing.

9.5 Right to Data Portability: Where technically

feasible, you have the right to receive your personal data in a structured, commonly used, and machine-readable format and to transmit it to another controller.

9.6 Right to Object: You have the right to object to the processing of your personal data in certain circumstances, including processing for direct marketing purposes or based on our legitimate interests.

10. Robust Security Measures Implemented to Protect Your Data.

We take the security of your personal data very seriously and have implemented a comprehensive suite of technical and organizational measures designed to protect it from unauthorized access, disclosure, alteration, and destruction. These measures include :

10.1 Secure Socket Layer (SSL) Encryption: All communication between your browser and our websites and digital platforms is encrypted using SSL technology to protect data during transmission.

10.2. Secure Data Storage: Your personal data is

stored on secure servers hosted by reputable providers like AWS, Google Cloud, and Microsoft Azure, which employ industry-leading security protocols and certifications.

10.3 Two-Factor Authentication (2FA): We require two-factor authentication for our employees accessing systems containing your personal data, adding an extra layer of security.

10.4 Role-Based Access Control: Access to your personal data is strictly limited to authorized personnel who require access to perform their job responsibilities. Access is granted on a need-to-know basis.

10.5 Regular Security Audits and Vulnerability Assessments: We conduct regular security audits and vulnerability assessments to identify and address potential security risks.

10.6 Employee Training on Data Privacy and Security: All our employees undergo comprehensive training on data privacy and security best practices to ensure they handle your information responsibly.

10.7 Data Encryption at Rest: Sensitive personal data is encrypted at rest using strong encryption

algorithms to prevent unauthorized access even if our storage systems are compromised.

10.8 Intrusion Detection and Prevention

Systems: We employ intrusion detection and prevention systems to monitor and block unauthorized attempts to access our networks and systems.

10.9 Incident Response Plan: We have a well-defined incident response plan in place to address any data security breaches promptly and effectively.

While we strive to implement the highest standards of data security, please be aware that no method of transmission over the internet or electronic storage is completely secure.

Therefore, we cannot guarantee the absolute security of your personal data.

11. Cookies and Other Tracking Technologies.

We utilize cookies and other tracking technologies (such as web beacons and pixel tags) on our websites and digital platforms to enhance your user experience and for analytical purposes.

11.1. Types of Cookies We Use :

- **Strictly Necessary Cookies:** These cookies are essential for the operation of our website and enable you to use its features, such as accessing secure areas.
- **Performance/Analytics Cookies:** These cookies collect information about how you use our website, such as which pages you visit most often and if you encounter any errors. This helps us to improve the functionality and performance of our website. We may use third-party analytics tools like Google Analytics, which also use cookies.
- **Functionality Cookies:** These cookies allow our website to remember choices you make (such as your language preference) and provide enhanced, more personalized features.
- **Targeting/Advertising Cookies:** With your explicit consent, these cookies may be used to deliver advertisements that are more relevant to you and your interests. They may also be used to track the effectiveness of advertising campaigns. We may use retargeting technologies that show you relevant ads on

other websites based on your interaction with our website.

11.2. Managing Your Cookie Preferences: You can control and manage your cookie preferences through your web browser settings. Most browsers allow you to block or delete cookies. Please note that blocking or deleting certain cookies may impair the functionality of our website.

12. Our Policy Regarding Data Concerning Minors.

Zulita Migration's services are primarily directed towards adults. We do not knowingly collect personal data directly from individuals under the age of 18 without obtaining verifiable consent from their parent or legal guardian. If we become aware that we have inadvertently collected personal data from a minor without the necessary parental or guardian consent, we will take immediate steps to delete that information from our records. Where our services require the processing of a minor's personal data (e.g., for a study visa application), we will ensure that we

obtain the explicit and verifiable consent of the parent or legal guardian in accordance with applicable data protection laws. We may require documentation to verify the parental or guardian relationship and consent.

13. Periodic Updates and Amendments to This Privacy Policy.

We may update this Privacy Policy from time to time to reflect changes in our data processing practices, legal requirements, or technological advancements. The latest version of the Privacy Policy will always be prominently posted on our website with the effective date clearly indicated. For significant changes that materially affect your privacy rights, we will make reasonable efforts to provide you with prior notification, such as via email or through prominent notices on our website or mobile applications. We encourage you to review this Privacy Policy periodically to stay informed about how we are protecting your personal data. Your continued use of our services or interaction with our platforms after the effective date of any updated

Privacy Policy constitutes your acceptance of the revised terms.

14. How to Contact Us for Privacy-Related Inquiries.
