

Questions to Ask on Open Day

Here are some helpful questions to ask during your visit:

- What is the school's vision and approach to learning?
- How does the school support children with different learning needs?
- What is the average class size?
- What extracurricular activities are available?
- How is behaviour managed and what is the school's discipline policy?
- What does a typical day look like for students?
- How do teachers communicate progress to parents?
- How is technology used in the classroom?
- What are the school's expectations for homework?
- What support is available during transitions (e.g. starting Year 7)?
- Can I speak to current students or parents?
- What are recent Ofsted results or performance metrics?
