Ready to elevate your dairy operations? Contact us today for personalized consultations, quotes and expert advice.

Milk Processing Equipment

Turn raw milk into high-quality dairy products with our state-of-the-art milk processing equipment. From pasteurization to packaging, we provide solutions that adhere to the highest industry standards, delivering products that meet and exceed customer expectations.

Hi Tech Engineering Services we understand the critical role that efficient and reliable dairy equipments plays in the success of your dairy farm or processing facility

Hi Tech Engineering Services You Got Complete Solution Fabrication, Erection, Installation Of Dairy Equipment like Milk Silo, Falling Film Evaporator and Spray Dryer and SS Pipe Fittings.

Maintain the freshness and quality of your dairy products with our reliable Milk Silo, SS Pipe Fittings and other Dairy Equipments

We're building lasting partnerships for the success of your dairy business.

Falling Film Evaporators And Spray Dryer

Our cutting-edge falling film evaporators are designed to meet the demands of dairy applications, providing efficient and reliable solutions for milk concentration and component separation.

Innovative design ensures optimal heat transfer for high evaporation rates. Thin film formation enhances the efficiency of the evaporation process. Counter-current flow design minimizes energy consumption. Suitable for sustainable and cost-effective operations.

Our state-of-the-art spray dryers are designed to transform milk feedstock into dried powder efficiently and effectively. Explore our catalog to discover cutting-edge solutions for your drying needs.

Utilizes advanced atomization techniques for consistent and uniform droplet formation. Enables precise control over particle size distribution. Optimized design for rapid evaporation, ensuring efficient drying processes.

Our Spray Dryers are suitable for a wide range of dairy applications.

Falling Film Evaporators

Spray Dryer

WE ALSO SUPPLIES DAIRY EQUIPMENTS

As we're selling all major dairy equipments; as well as we're building lasting partnerships for the success of your dairy business.

We Supply Following Equipments:

Milk Past, Milk Chiller Cream Separator, Milk Homogenizer, Steam Control Valve, Fdv, And Other Dairy Equipments.

Homogenizer

Milk Past With Skid

Valve Battery Skid

Cream Separator

Steam Control Valve

Fdv

Quality Assurance To Ensure Durability, Performance And Longevity.

WE ARE ASSOCIATED WITH FOLLOWING COMPANIES FOR SUPPLYING DAIRY EQUIPMENTS

CLIENT'S LIST

- Magnam Netlink Pvt. Ltd., Vadodara
- Ashtavinayaka Technocrafts Pvt. Ltd., Ahmedabad
- CP Milk & Food Products Pvt. Ltd., Lucknow
- Mother Dairy Food & Vegetables Pvt. Ltd., Nagpur
- Erection Instrumentation Pvt. Ltd., Ghaziabad
- YSM Dairy & Biotech Pvt. Ltd., Faridabad
- MSM Process Solution Pvt. Ltd., Pune
