2. WP Courseware

<https://flyplugins.com/wp-courseware/>

To enroll in a class click register

 A dark blue rectangular card with a small gear icon containing three faces on the left. To the right of the icon, the text 'Online eLearning 101' is written in white.	<p>Online eLearning 101</p> <p>This course is designed to teach you how to create courses with WP Courseware.</p> <p>ENROLL NOW</p>
 A blue rectangular card with a small orange TV icon containing the number '53' on the left. To the right of the icon, the text 'Protect Your Online Media 101' is written in white.	<p>Protect Your Online Media 101</p> <p>This course teaches how to protect your online media.</p> <p>ENROLL NOW</p>

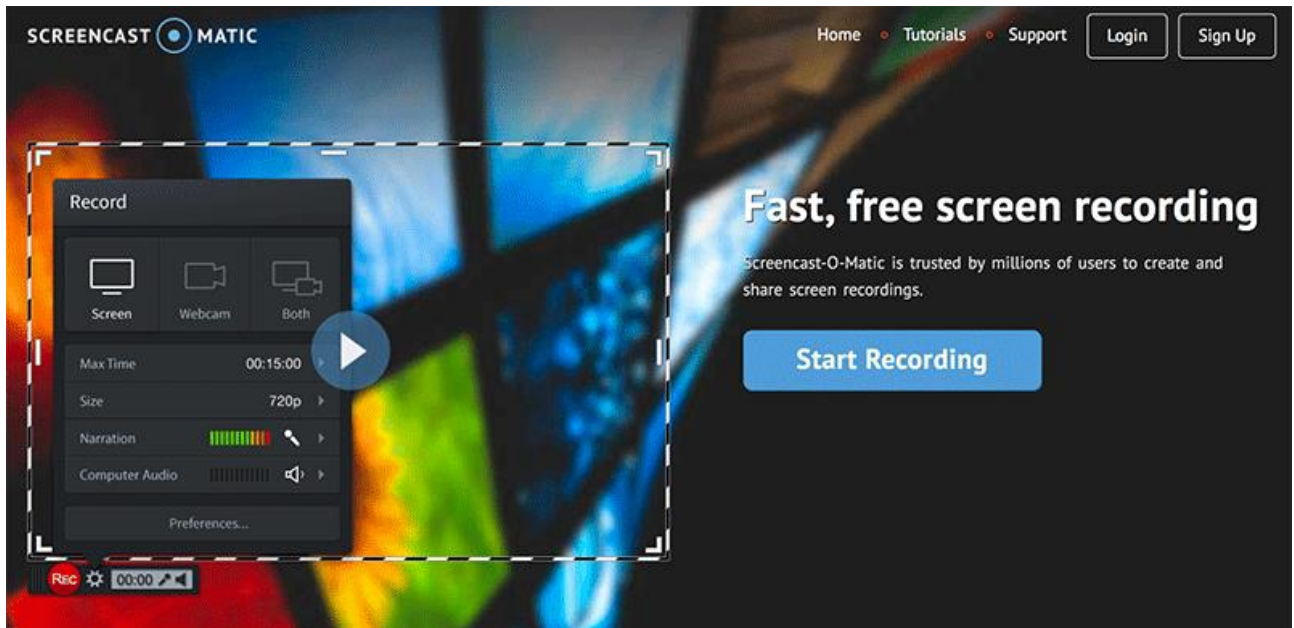

WP Courseware is a plug-in for Wordpress which allows you to build online courses. You can create unlimited courses, modules, lessons, quizzes and surveys.

From the website:

Simply create a course, a module, a course unit with course content, and perhaps a quiz or survey. Drag and drop to arrange the course and create a course outline using our [shortcodes] or widget. Courses can have automatic enrollment so you don't have to worry about enrolling students. Course certificates can be distributed at the end of a course. If you want to move your course, you can do so using the export/import functionality!

3. Screencast-o-matic

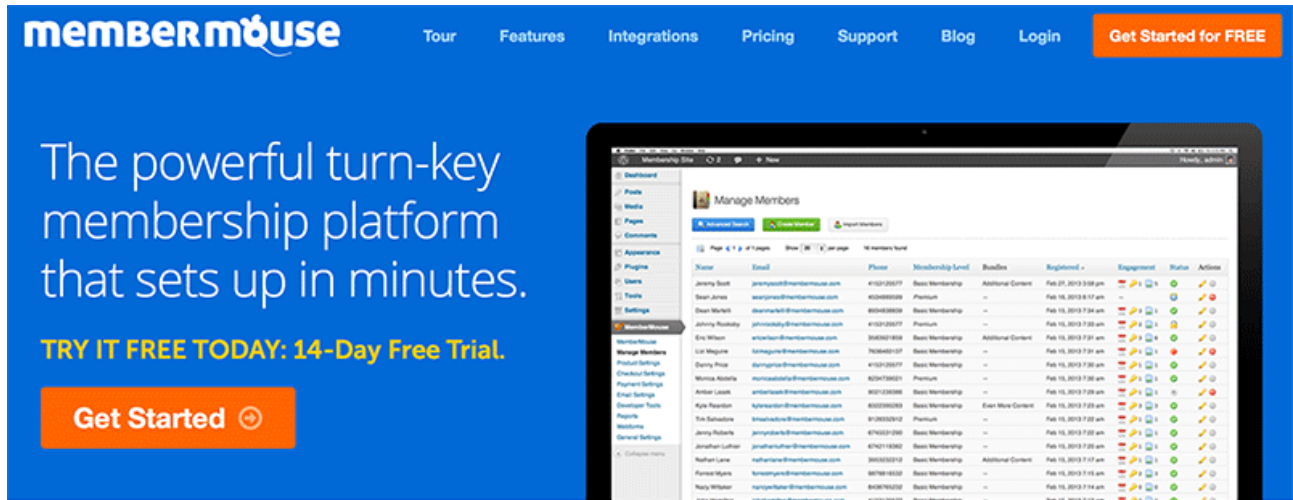

<https://screencast-o-matic.com/home>

Planning to create pre-recorded training for your clients? Use screencast-o-matic to record your screen and show your clients step by step.

4. Member Mouse

<https://membermouse.com/>

The banner features the MemberMouse logo and navigation links: Tour, Features, Integrations, Pricing, Support, Blog, Login, and a 'Get Started for FREE' button. The main text reads: 'The powerful turn-key membership platform that sets up in minutes.' Below this is a 'TRY IT FREE TODAY: 14-Day Free Trial.' and a 'Get Started' button with a plus icon.

The screenshot shows the 'Manage Members' interface. It includes a sidebar with navigation options like Profile, Media, Pages, Comments, Appearance, Users, Tools, Settings, and MemberMouse. The main area displays a table of members with columns for Name, Email, Phone, Membership Level, Bonuses, Registered, Engagement, Status, and Actions.

Name	Email	Phone	Membership Level	Bonuses	Registered	Engagement	Status	Actions

MemberMouse™ is an easy to use [WordPress membership plugin](#) that allows you to sell products, subscriptions and memberships, setup a password protected member's area, offer 1-click upsells and downsells, manage customers, automate customer service, track critical retention metrics and more. No matter where you're starting from, MemberMouse has the power you need to maximize revenue and get your business running like a well-oiled machine.

Want to start selling your coaching services using a subscription business model? Member Mouse allows you to create a membership portal for your coaching clients. It protects your content and works very seamlessly.

5. IFTTT

<https://ifttt.com/>

Make your work flow

We connect your favorite apps together, so they work best for you.

Connect Your Home

Be More Productive

Shop Smarter

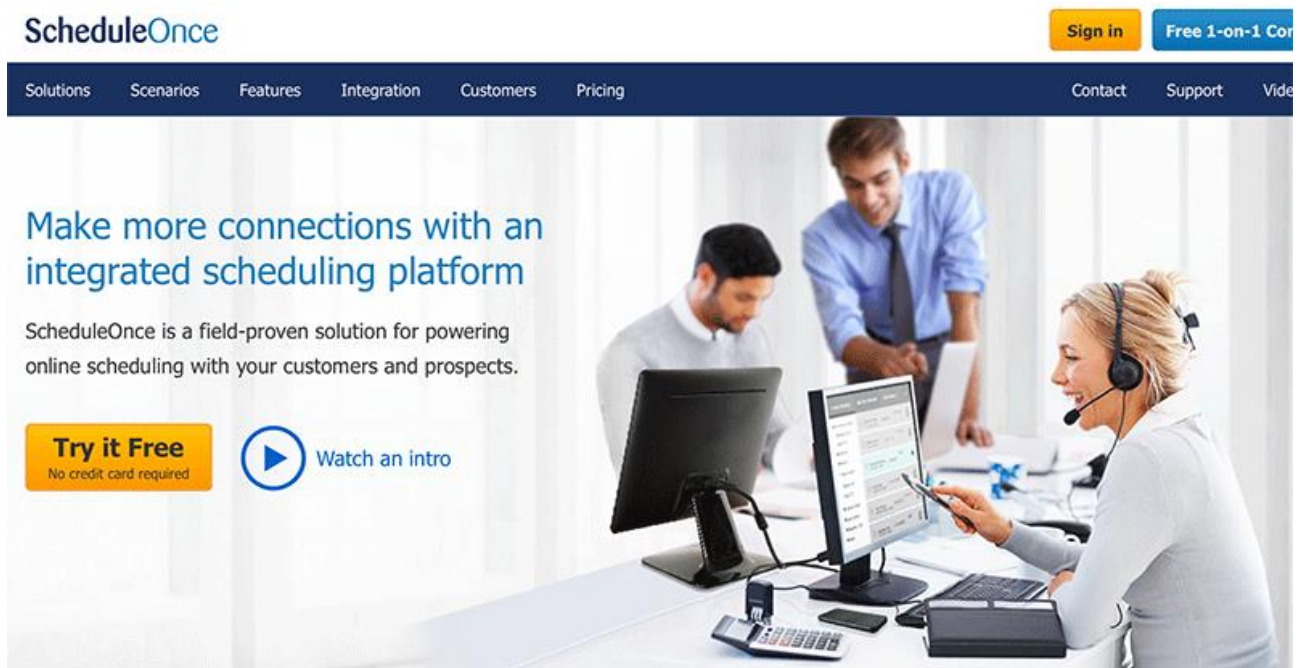

News Alerts

With IFTTT you can automate a lot of tedious tasks that you do online.

6. ScheduleOnce

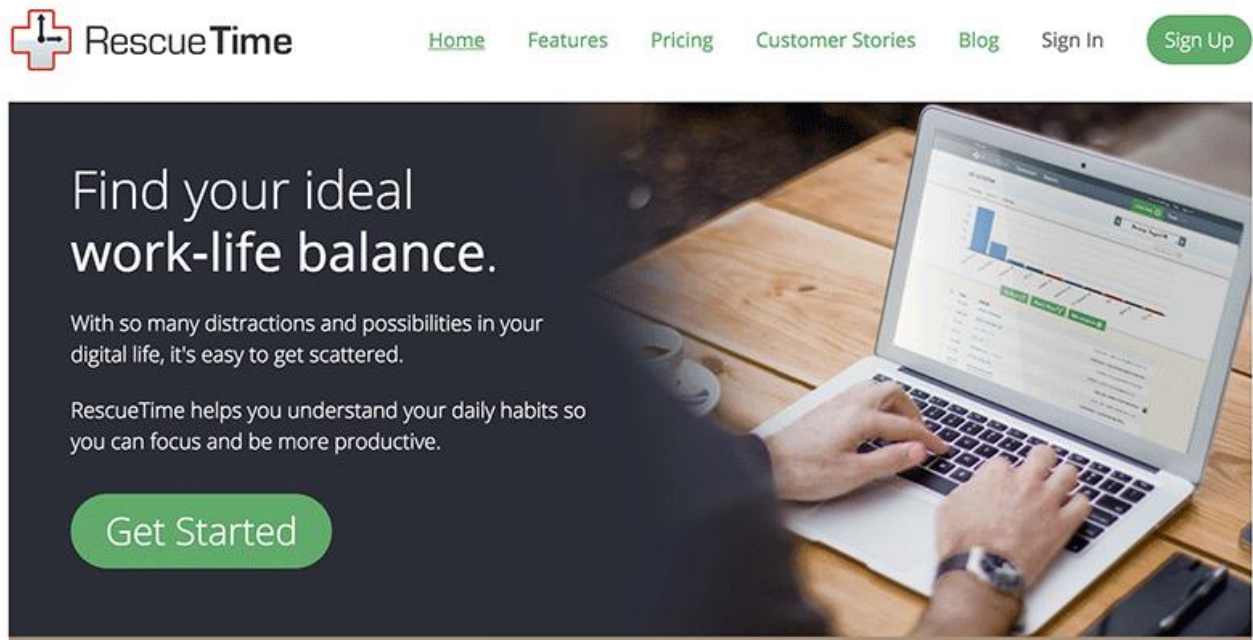

<http://www.scheduleonce.com/>

The image shows the top section of the ScheduleOnce website. At the top, the 'ScheduleOnce' logo is on the left, and 'Sign in' and 'Free 1-on-1 Con' buttons are on the right. Below this is a dark blue navigation bar with links for 'Solutions', 'Scenarios', 'Features', 'Integration', 'Customers', 'Pricing', 'Contact', 'Support', and 'Vide'. The main banner features a background image of three business professionals in an office setting. On the left, the text reads 'Make more connections with an integrated scheduling platform'. Below this, it states 'ScheduleOnce is a field-proven solution for powering online scheduling with your customers and prospects.' There are two call-to-action buttons: an orange 'Try it Free' button with the subtext 'No credit card required', and a blue play button icon followed by the text 'Watch an intro'.

ScheduleOnce allows you to create a booking calendar so that your clients can choose a time slot for a meeting. You set your days and hours so that they'll only be able to contact you when you're available.

7. RescueTime

<http://rescuetime.com>

Do you know where your time's going? What apps are you using most? Which sites are you spending most time on?

RescueTime is an app that runs in the background of your computer. Each day you'll be delivered a daily report of where your time was spent.

This is especially useful if you want to make sure you're productive and making more use of your time.
