INTRODUCTION

Ungasethemba Projects & Services is a dynamic and reliable company dedicated to delivering exceptional construction, interior finishing, and quality management solutions. Built on a strong foundation of trust, integrity, and professionalism, we pride ourselves on consistently providing services that meet the highest standards of quality and craftsmanship.

With a diverse range of expertise, we specialize in custom furniture manufacturing, tiling, plumbing, ceilings, decorative coatings, and ISO 9001:2015 consulting and auditing. Our team combines practical experience with innovative approaches to transform spaces into functional, modern, and visually appealing environments, while also helping businesses improve their operational efficiency through structured quality management systems.

At Ungasethemba Projects & Services, we understand that every project is unique. That is why we take a client-focused approach, working closely with our clients to understand their vision, requirements, and goals. From initial consultation to project completion, we ensure attention to detail, clear communication, and timely delivery.

Our commitment to quality, reliability, and customer satisfaction drives everything we do. We aim not only to meet expectations but to exceed them, building long-term relationships and becoming a trusted partner in both construction and business improvement solutions.

ABOUT COMPANY

Ungasethemba Projects & Services is a professional construction and interior finishing company committed to delivering high-quality, reliable, and cost-effective solutions. Built on the foundation of trust, our name “Ungasethemba” reflects our dedication to honesty, integrity, and excellence in every project we undertake.

We specialize in a wide range of services including custom furniture manufacturing, tiling, plumbing, ceilings, decorative finishes, and ISO 9001:2015 consulting and auditing. Our team combines technical expertise with practical experience to deliver results that meet both functional and aesthetic needs. Whether working on residential, commercial, or industrial projects, we focus on precision, durability, and customer satisfaction. Our goal is not just to complete projects, but to build long-term relationships with our clients through consistent quality and dependable service.

COMPANY OVERVIEW

Ungasethemba Projects & Services is a Johannesburg-based company offering professional construction, interior finishing, and quality management solutions. Our services include custom furniture, tiling, plumbing, ceilings, decorative coatings, and ISO 9001:2015 consulting and auditing.

We are committed to delivering high-quality workmanship, reliable service, and practical solutions tailored to both residential and commercial clients. With a strong focus on professionalism and customer satisfaction, we aim to build lasting relationships through trust and consistent results.

COMPANY STRUCTURE

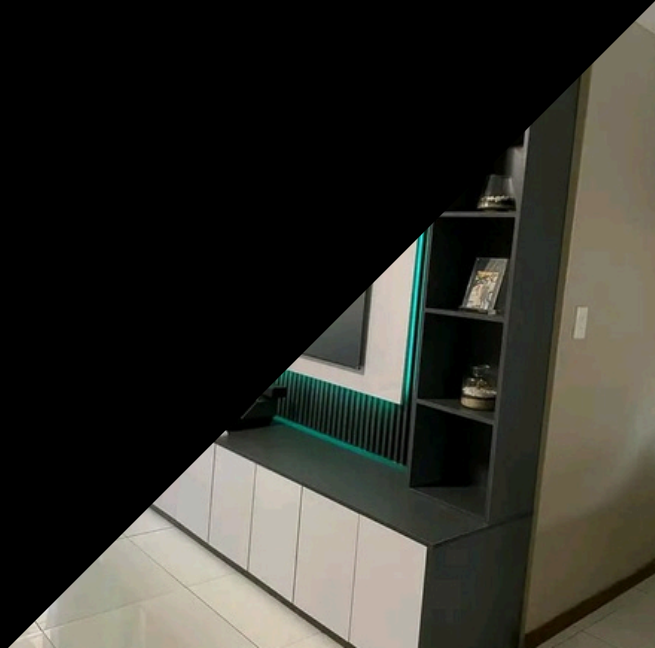

VISION & MISSION

Vision

To become a leading and trusted name in construction, interior finishing, and quality management solutions, recognized for excellence, innovation, and reliability.

Mission

- To deliver high-quality construction and finishing services
- To provide reliable and professional solutions tailored to client needs
- To maintain the highest standards of workmanship and integrity
- To continuously improve our services and exceed customer expectations

OUR SERVICES

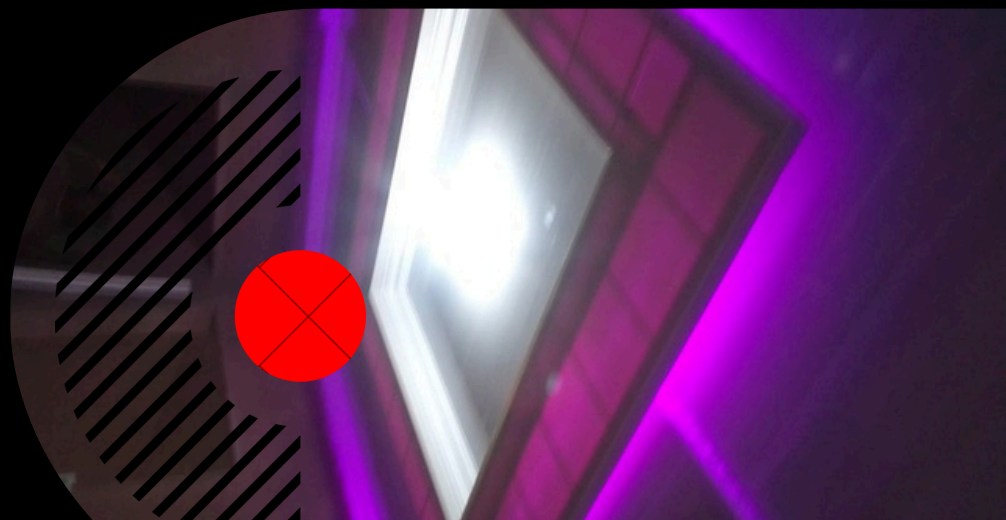

At Ungasethemba Projects & Services, we are dedicated to providing comprehensive construction solutions tailored to meet the diverse needs of our clients. Explore our comprehensive construction services tailored to meet your project needs and exceed expectations.

Custom Furniture & Cabinets

We design and manufacture high-quality custom furniture including kitchen cabinets, wardrobes, plasma stands, shelving, and outdoor furniture tailored to your needs.

Tiling & Cladding

Professional wall and floor tiling services, including decorative cladding, delivering clean, modern, and durable finishes.

Plumbing Services

Reliable plumbing installations, maintenance, and repair services for residential and commercial properties.

Ceilings & Partitioning

Installation of PVC ceilings, Rhino boards, Nutec boards, and partitioning systems for improved interior functionality and aesthetics.

Decorative Coatings

Premium finishes, including Gamazine, undercoating, and granite coatings that enhance durability and visual appeal.

ISO 9001:2015 Solutions

Ungasethemba Projects & Services provides comprehensive ISO 9001:2015 solutions designed to help businesses establish, implement, maintain, and improve effective Quality Management Systems (QMS). Our services are tailored to support organizations at every stage of their ISO journey – from initial consultation and system development to training, auditing, and ongoing compliance. We focus on practical, results-driven solutions that improve efficiency, enhance customer satisfaction, and ensure alignment with international quality standards.

ISO 9001:2015 CONSULTING (Implementation & Support)

Our consulting services are designed to guide your business through the full ISO 9001:2015 implementation process.

Key Areas Include:

- Gap Analysis (assessment of current processes vs ISO requirements)
- QMS Design & Development
- Documentation (policies, procedures, manuals)
- Process Mapping & Standardization
- Risk-Based Thinking Implementation
- Compliance Preparation for Certification

Benefits

- Structured and efficient business processes
- Improved operational performance
- Better decision-making through data-driven systems
- Readiness for certification audits

ISO 9001:2015 AUDITING SERVICES

Internal Audits

We conduct detailed internal audits to evaluate your systems and ensure compliance with ISO 9001:2015 standards.

What We Do:

- Review processes and documentation
- Identify non-conformities
- Highlight areas for improvement
- Provide corrective action recommendations

Supplier Audits

We assess your suppliers to ensure they meet your quality requirements and align with your QMS.

Benefits:

- Reduced operational risks
- Improved supplier performance
- Consistent product/service quality

Pre-Certification Audits

We prepare your business for external certification by identifying gaps before the official audit.

ISO 9001:2015 TRAINING

We provide practical, easy-to-understand training to ensure your team fully understands ISO requirements and their role in maintaining the QMS.

Training Includes:

- ISO 9001:2015 Awareness Training
- Internal Auditor Training
- Process & Quality Management Training
- Continuous Improvement Practices

Training Benefits

- Empowered and knowledgeable staff
- Improved compliance across departments
- Strong quality culture within the organization
- Better audit readiness

QMS MAINTENANCE & CONTINUOUS IMPROVEMENT

Ongoing Support

We don't just help you get certified – we help you stay compliant and continuously improve.

Services Include:

- Regular system reviews
- Updates to documentation
- Ongoing internal audits
- Process optimization

Outcome

A sustainable, efficient Quality Management System that evolves with your business.

THE UNGASETHEMBA PROJECTS PROCESS

Process 1

Process begins with an in-depth consultation to understand their needs and vision. Our team of experts conducts thorough site assessments and feasibility studies to ensure optimal project planning and execution.

Process 2

With meticulous attention to detail, we develop customized solutions tailored to meet the specific requirements of each project, leveraging our expertise in building, project management and architectural designing and municipal approved building plans.

Process 3

Once the project scope and timeline are finalized, our dedicated project management team oversees every aspect of implementation, coordinating with subcontractors, suppliers, and regulatory authorities to ensure seamless progress. Throughout the construction phase, we maintain open communication channels with our clients, providing regular updates and addressing any concerns promptly.

Final Process

Our commitment to quality, safety, and client satisfaction drives us to deliver exceptional results, on time and within budget, exceeding expectations at every stage of the project lifecycle.

OUR GOALS

At Urban Asphalt Construction, our goals are driven by our commitment to excellence, innovation, and sustainable growth in the construction industry. We strive to achieve the following:

- **Deliver High-Quality Construction** : We aim to provide durable, innovative, and cost-effective construction and infrastructure solutions that meet industry standards and client expectations.
- **Ensure Compliance & Industry Best Practices** : We are committed to strict adherence to municipal regulations, NHBRC standards, and safety protocols to guarantee the structural integrity and legal compliance of all our projects.
- **Expand Our Market Presence** : Our goal is to grow our footprint in residential, commercial, and industrial construction, becoming a trusted name in the industry while continuously expanding our services and reach.
- **Enhance Customer Satisfaction** : We prioritize customer-focused service, ensuring timely project completion, clear communication, and a seamless experience from consultation to project handover.
- **Promote Sustainable & Eco-Friendly Construction** : We strive to incorporate green building practices, energy-efficient designs, and environmentally friendly materials to contribute to a more sustainable future.
- **Invest in Innovation & Advanced Technologies** : We embrace modern construction techniques, digital tools, and smart technologies to enhance efficiency, precision, and project outcomes.
- **Empower Local Communities & Create Job Opportunities** : As a responsible construction company, we aim to create employment opportunities, develop local talent, and support skills training initiatives to uplift communities.
- **Foster Strong Partnerships & Collaboration** : We aim to build long-term relationships with clients, architects, engineers, and suppliers to ensure seamless project execution and mutual growth.

PROJECTS

Ungasethemba has successfully completed a variety of projects across residential and commercial sectors. Our portfolio includes:

- Custom kitchen installations
- Modern TV wall units and cabinetry
- Floor and wall tiling projects
- Ceiling installations and partitioning
- Decorative wall finishes
