INTRODUCTION

WELCOME!

We're so glad you've chosen *My PALS Preschool* for your child's earliest learning experiences. Scripture says "Children are a gift from the Lord..." (Psalm 127:3a) and here at PALS, we truly believe that! We consider it a privilege to be your son or daughter's first teachers, carefully nurturing the gift you have entrusted to us. It is our greatest desire to welcome your child into a loving learning environment that is centered on Christ. Here at PALS, we understand that no two children learn or grow in identical ways or at the same rate. We therefore seek to provide a variety of discovery opportunities that encourage unhurried exploration in a supportive community.

PURPOSE

PALS exists to foster not only the mental formation of preschoolers, but their spiritual, emotional and social development as well. We do this with a blend of child-led and teacher-directed activities, incorporating input from Elco kindergarten teachers, in an atmosphere that seeks to honor Jesus.

STAFF INFORMATION

PALS was formed by Sharon Wenger in 2017 and moved to Christ Community Church in 2025. Mrs. Wenger is a former faculty member of Sunrise Academy Preschool, Lebanon, started by Cornerstone Christian Fellowship. She taught both the 3-year-old program and pre-k classes on alternate years, as well as music for all classes. Mrs. Wenger has degrees from Houghton University in Educational Ministries, Bible, and a minor in music. She is thrilled to combine her background in each of these areas to educate little ones holistically.

Each class at PALS includes a Lead Teacher and Assistant. All staff are followers of Jesus and have passed required background clearances

DAILY PROCEDURES

PARENT COMMUNICATION

After Memorial Day, parents receive a mailing with information for the upcoming year including the school calendar. Once school begins, monthly class newsletters are sent home as well as daily class reports. Parents are invited to reach out at any time with questions.

BRIGHTWHEEL: Upon enrollment acceptance, parents will be given instructions on creating an account in Brightwheel. This is a teacher/parent app that not only enhances communication, but also provides also insight into your child's learning activities as well as the option to pay tuition online.

WHAT TO WEAR AND BRING EACH DAY

CLOTHING: Due to hands-on learning experiences, play clothes and sneakers are the best attire for class. (Leave flip-flops, clogs and other open-type shoes at home so they don't fall off during movement at school.) Children will also explore washable art supplies while they are at school.

BACKPACK: Please provide your child with a full-size backpack that has:

- ✓ space to hold a 9 x 12 folder
- ✓ a second zippered compartment to hold an extra outfit in a ziploc bag (in case of accidents)
- ✓ an exterior pocket for leak-proof bottle

DRINK: Please send a non-carbonated beverage for your child each day in a labeled, leak-proof bottle.

TOYS FROM HOME

For the first 2 weeks of class, students may bring a stuffed animal from home to keep in their backpack in case of separation anxiety. We also provide a family photo necklace to help children who may miss mom or dad. After 2 weeks, toys from home should remain there or in the vehicle at drop off time.

BIRTHDAYS

Each student's birthday will be celebrated in class...summer birthdays too! Detailed info will come home approximately 2 weeks prior to your child's special day. Students will be invited to participate in Show and Tell and also provide snack for their celebration.

DISCIPLINE

To help little learners, we use the tools of redirection, positive reinforcement and communication of appropriate choices. We have three rules at school: walking feet, helping hands, and listening ears. From time to time, however, situations arise when redirection and reinforcement do not bring about the desired change in a child's behavior. Repeated uncontrollable behavior, or the need for direct one-on-one attention, may mean a child needs to exit the program.

PALS also reserves the right to dismiss a student immediately in the case of drastic behavior. This behavior may include but is not limited to theft, destruction of property, and injury to self or others.

PARKING

Please use the parking that is available behind the church. (The small lot parallel to route 501 is off-limits to PALS families as it does not accommodate the number of families we serve. Nor is it easy to navigate, or turn around in, when families are walking there or all spaces are full.)

Please drive slowly on the premises. We also ask that you stay close to your child, holding their hand if necessary, and enforce our WALKING FEET rule upon entering/exiting to ensure student safety.

ARRIVAL / CHECK-IN

Families enter the door off the small parking lot along route 501. The classroom wing is on the second floor and can be accessed either by stairs or elevator. Children will be checked into the classroom at the designated class start time; they may not be dropped off early. The Brightwheel app provides a convenient timestamp.

[Wee 3's Class: students arrive at 9:30am / Pre-k Class: students arrive at 9:00am]

DISMISSAL / CHECK-OUT

Students are dismissed only to those on their approved pick-up list and are again checked out through Brightwheel. Parents are expected to be prompt in their return at dismissal time.

Why Is Important to Return on Time?

LATE CHECK-OUTS IMPACT STUDENTS: Late dismissals upset some children, thinking they will be left at school. The best end to your child's morning is for you to return a few minutes prior to dismissal. Arriving early means you can enjoy a peaceful moment in the PALS Parent area to check your phone or chat with a parent....then collect your child without stress, hurry or worry.

LATE CHECK-OUTS IMPACT STAFF: PALS staff is contracted hourly & leave shortly after class. Like you, they depend on their jobs ending at a specified time so they can run errands, attend appointments, and care for their own families. Late check-outs force them to rearrange or even forfeit those obligations with no notice. This is not fair to them.

CHECK-OUT POLICY

- If an emergency prevents a prompt return, please message through Brightwheel so that our staff knows you will be late.
- A late fee may be charged to parents; this compensates staff for overtime.
- A pattern of tardiness may result in the child's removal from the program.

Further details about check-out will be communicated at Meet the Teacher Day.

PLEASE NOTE: If parents and emergency contacts cannot be reached at dismissal, we must contact child protective services as this qualifies as child-abandonment.

SCHOOL CLOSINGS

PALS follows the Elco school district. If Elco has a 2-hour delay due to inclement weather, we will operate on a modified schedule. If Elco closes due to inclement weather, PALS will also close. Changes in schedule will be communicated through email and Brightwheel message.

HEALTH AND SAFETY

ILLNESS

Students are required to stay home when they have any of the following symptoms:

- fever[^] or chills
- diarrhea, nausea or vomiting
- headache
- loss of taste or smell
- sore throat or excessive cough
- congestion or runny nose
- any unexplained rash
- head lice
- uncharacteristic lethargy
- pink eye*
- ear infection*
- draining wounds

PLEASE NOTE:

*pink eye & *ear infection: antibiotics must be taken for 24 hours before returning to class.

[^]fever: students must be fever-free without medicine for 24 hours before returning to class.

Parents will be called to pick up any child displaying symptoms of illness at school.

PARENT VOLUNTEERS

Parents or guardians interested in volunteering in the classroom or during special events will be required to obtain federal and state background checks as well as child abuse clearances.

We are required by law to report any suspected signs of child abuse.

SNACK TIME

Students are asked to take turns providing snack for the class in rotation, about a handful of times over the year. An approved snack list will be provided with the summer informational mailing.

FOOD ALLERGIES

PLEASE NOTE: The classroom is not a peanut-free facility. While we can gladly limit foods with certain allergens, we are not able to guarantee an environment free of cross-contamination.

If food allergies are present, the student in question may be required to provide their own snack daily for sake of safety.

MEDICATION: BASIC FIRST AID

Students may be provided basic first aid by the teachers. Parents will note on the registration form their permission or refusal for staff to administer basic first aid.

EPI-PENS

My PALS Preschool reserves the right to determine the eligibility of any child who needs specialized medical provisions since there is no nurse or medical team on staff. A meeting with the parents of the child in question will be scheduled to discuss physical needs in detail and staff will be trained in the administration of epi-pens on a case-by-case basis.

EMERGENCY EVACUATION

The stairway next to the classroom will be used in case of emergency evacuation, leading staff and students out the front door (facing W. Park Ave). In the case of emergency, we will gather in the large open area along West Park Avenue and notify parents as soon as possible.

In the case of medical emergency, every effort will be made to contact a parent or guardian prior to obtaining treatment for the child in question.

STATEMENT OF FAITH

My PALS Preschool subscribes to the following beliefs:

- **God:** We believe that there is one true and living God, revealed in Scripture as the Almighty, all-knowing, and all-everywhere God, eternally co-existent as three persons—Father, Son, and Holy Spirit—yet there is only one gracious and loving God.
- **Revelation:** We believe that God has made himself known to the world through his written word, the Scriptures; through his natural word, the creation; and supremely through his living word, Jesus Christ, who is the fullness of God in bodily form.
- **Creation:** We believe that God created the world and everything in it “good” as a reflection of his own power, glory, and gracious character, and now he loves, sustains, and rules over it for all time and eternity.
- **Humanity:** We believe that human beings, both men and women, are created in the image and likeness of God, and therefore possess intrinsic significance, dignity, and value as God’s highest order of creation.
- **Sin:** We believe that sin has fractured and spoiled all things in God’s good world, alienating human beings from God, creation, each other, and themselves, leaving the world in desperate need of spiritual rescue.
- **Salvation:** We believe that salvation is by grace alone through faith alone in Christ alone, who has reversed the alienations caused by sin, and now is restoring humanity and creation to its original intended beauty in Christ.
- **Church:** We believe that the Christian faith is best nurtured in a community of gospel-centered believers, where worship and witness are embodied through the spiritual gifts and graces of its members, all of whom are on mission in Christ’s work of restoration.
- **Formation:** We believe that the Holy Spirit, who graciously indwells believers, gives the followers of Christ a growing ability and desire to follow the ways of the Lord in their personal lives and in society, such that all might flourish in this life and the next.
- **Eternity:** We believe that Jesus Christ rose from the dead, ascended back to the Father, and will come again to the world in power and great glory to inaugurate the final judgment and restore all things in his eternal kingdom.
