

Online Store — from \$4,500

Suitable for a small business selling up to 20 products online.

Includes:

- ✓ Everything included in the five-page Professional Business Website package
- ✓ WooCommerce setup and configuration
- ✓ Entry of up to 20 products using client-supplied photographs, descriptions, prices and stock information
 - Payment-gateway transaction fees, premium extensions, domain registration and hosting costs are additional.
- ✓ Product categories
- ✓ Client-supplied product photographs and descriptions
- ✓ Configuration of one client-approved payment gateway
- ✓ Standard Australian GST settings
- ✓ Basic shipping or local-pickup configuration
- ✓ Stock tracking
- ✓ Order and customer email configuration
- ✓ Store testing
- ✓ Client training
- ✓ Two rounds of revisions

This package includes up to 20 standard products. Stores containing more than 20 products, product variations, complex shipping rules, supplier integrations or specialised inventory requirements will receive an individual quotation.
