Dear Members of Our Alumni Community:

Warm greetings to our entire “Coalition” family, and a very special salute to the extraordinary women across all our alumni chapters.

Today, we pause to honor the mothers, grandmothers, aunties, mentors, caregivers, and every woman who pours love, wisdom, and strength into our families and our community. To all the ladies in our coalition, we wish you **A Happy Mother’s Day** filled with joy, appreciation, and the deep knowledge that your contributions truly matter. Your resilience and compassion continue to shape not only your households but also the wider Jamaican diaspora here in South Florida.

As Co-Chairs, we also want to extend heartfelt thanks to the entire coalition for your unwavering commitment to supporting your alma mater and uplifting the local community. The work you do, whether through mentorship, fundraising, volunteering, or simply by showing up keeps our shared mission alive and strengthens the bonds that connect us across schools in Jamaica and future generations.

We also take this moment to celebrate the remarkable achievements of the families and individuals within our Coalition Alumni Community who have recently graduated or will be graduating in the coming days. Whether you have completed high school, college, graduate studies, or professional certifications, we applaud your dedication, discipline, and perseverance. Your accomplishments reflect not only personal triumph but also the support system of families, mentors, and community members who have walked beside you. We are immensely proud of you and look forward to witnessing the impact you will continue to make in your careers, your communities, and the world.

This time of year is also especially meaningful for schools and colleges in Jamaica, as they are approaching the end of the Spring term and school year, and are preparing for graduation ceremonies. We join you in celebrating the achievements of all upcoming graduates, some of whom you have helped along the way. May they step confidently into the next chapter of their lives, carrying the values and traditions that shaped them. For those returning to school, we wish them continued success, curiosity, and perseverance throughout their continuing academic journeys.

To the women who nurture, lead, advocate, and inspire, today is for you. To the coalition members who continue to serve with pride and purpose, thank you; to the students in Jamaica preparing for new beginnings, we are cheering you on; and to our own graduates here in the Coalition family, well done, and continue to shine.

With warm regards and deep appreciation,

Sandra & Rupert (Co-Chairs)

THE FLORIDA CHAPTER OF CALABAR ALUMNI HOSTS WORLD SPRINTERS OBLIQUE SEVILLE & CHRISTOPHER TAYLOR

Pictures from the South Florida Caribbean News, February 24, 2026

In his recent visit to South Florida over the weekend of February 21, 2026, World 100m Champion and Calabar Alum Oblique Seville was greeted with explosive energy at **Calabar Alumni Florida's Green-and-Black Ness: Day Experience**. Adding to the prestige, World Silver Medalist and Calabar great Christopher Taylor stood proudly alongside him. The entire weekend became a vibrant display of Calabar heritage and Jamaican athletic brilliance, with Seville's triumph serving as the heartbeat of the celebration.

The alumni community is grateful for the opportunity to meet the sprinters and use this medium to thank the Chapter's President Karl Thompson and members of the Board of Directors for organizing the event.

Here is how the president of the Florida Chapter of Calabar Alumni Association described the event:

"Green-and-Black Ness was more than an event — it was a statement," said Karl Thompson, President of Calabar Alumni Florida. "It celebrated Jamaican excellence, cultural pride, and our diaspora's strength. Honoring two of our own on U.S. soil made this weekend historic. At its core, this initiative supports our nonprofit. Our tagline — 'A Force for Good' — reflects our commitment to backing our alma mater as it shapes boys into responsible men. We see this as our role in nation-building. Investment in our schools is a down payment on Jamaica's future leadership... The support you provide today helps ensure that the next generation is equipped to contribute meaningfully at home and abroad."

A child stands on a circular stage, reaching up towards a bright, glowing starburst of light. The background is a dark blue curtain with a subtle pattern of concentric circles and a field of small, shimmering gold stars. The scene is framed by a gold archway with a small flower at the top center. On either side of the arch are three gold lanterns hanging from the top. The overall atmosphere is magical and hopeful.
