

LETTER OF RECOMMENDATION

To whom it may concern,

I am writing this letter to highly recommend **Ms. Khaoula Fikri**, with whom I had the pleasure of working at **TRT Digital**, where I served as her direct manager.

During her time as a Junior Digital Marketer, Khaoula consistently demonstrated a high level of professionalism, discipline, and reliability. She has an excellent ability to follow instructions precisely while also showing strong autonomy in executing tasks efficiently and on time.

Khaoula showed outstanding skills in **SEO and PPC**, with a clear understanding of strategy, execution, and optimization. She was able to handle keyword research, on-page SEO tasks, campaign structuring, performance analysis, and optimization with great accuracy and responsibility. Her analytical mindset allowed her to quickly identify issues and propose effective solutions.

In addition to her technical skills, Khaoula impressed me with her **content writing abilities**. Her writing was clear, structured, SEO-friendly, and well adapted to different objectives. She also demonstrated strong **problem-solving skills**, often handling challenges calmly and efficiently without constant supervision.

What truly sets Khaoula apart is her work ethic and attitude. She is highly organized, eager to learn, proactive, and trustworthy. She integrates quickly into a team environment and contributes positively to both productivity and morale.

I am confident that Khaoula Fikri will be a valuable asset to any organization looking for a skilled, reliable, and motivated digital marketer. I recommend her without hesitation.

Should you require any additional information, please feel free to contact me.
