

WANTED

CREATIVES IN PROGRESS. NOT THE FINISHED VERSION. NOT THE PERFECTED VERSION. THE VERSION GROWING AT YOUR OWN PACE.

The FAHL is documenting honest conversations with creatives still building, questioning, growing and trying to find their purpose. I'm looking for 4 individuals open to sharing points in their life where they felt uncertain, paused or invalidated as creatives. Check out the page below for more info: kiinprjct.com/the-fahl

WHY GET INVOLVED?

- Share lessons learned through challenges, setbacks, pivots, and growth
 - Help create a more honest picture of creative development
- Contribute to conversations that many creatives rarely get to hear
 - Support others navigating similar experiences
 - Help normalize the realities behind creative journeys
