About Us

Prime Healthcare Services is a professional medical institution based in Abuja, Nigeria, offering structured inbound and outbound healthcare solutions. We focus on preventive care, home-based medical services, specialist coordination, corporate health management, and international medical travel support. Our services are designed to provide patients and organizations with reliable, ethical, and seamless healthcare delivery.

Our Services

1. Comprehensive Health Screening & Preventive Care

- Detailed medical history review and physical examination
- Routine laboratory investigations (blood sugar, lipid profile, kidney & liver function tests)
- Diagnostic imaging such as ECG, chest and abdominal ultrasound
- Specialist consultations where necessary
- Personalized preventive care and follow-up health plan

Estimated Cost: #60,000 – #120,000 (Premium packages may extend to #150,000+)

2. Home-Based Care & Telemedicine Services

- Doctor and nurse home visits
- Mobile laboratory testing and vital signs monitoring
- Virtual consultations and follow-up reviews
- Medication administration and management
- Physiotherapy and post-operative nursing care

Estimated Cost: Home visits: #8,000 – #20,000 | Telemedicine: #5,000 – #15,000

3. Outbound Medical Support & Evacuation Coordination

- International hospital and specialist referrals
- Medical record preparation and transfer
- Travel health assessment and planning
- Coordination of emergency medical evacuation logistics
- Continuous patient advocacy and follow-up

Estimated Cost: #50,000 – #500,000 (Excludes external evacuation transport costs)

4. Specialist Consultation & Referral Management

- Initial case review and patient assessment
- Appointment scheduling with trusted specialists

- Coordination of diagnostic results and reports
- Second-opinion facilitation
- Post-consultation follow-up care coordination

Estimated Cost: #20,000 – #50,000 (Consultation fees billed separately)

5. Medical Visa Assistance & Travel Health Services

- Preparation of medical referral letters
- Embassy and visa-support documentation
- Travel fitness assessments
- Vaccinations and pre-travel health advice
- Medical clearance for international treatment

Estimated Cost: #30,000 – #80,000 (Vaccines and embassy fees excluded)

6. Corporate & Occupational Health Services

- Pre-employment and routine medical examinations
- Annual staff health screening programs
- Drug and alcohol testing
- Fitness-for-duty and occupational risk assessments
- Workplace wellness and health education programs

Estimated Cost: #15,000 – #40,000 per employee (Bulk rates available)
