

Lusidette

Timeless art, reimaged in 3D

From the creator of Original 3D wall panel

GREETING FROM US

We design with style for your smile.

Starting in 2020, our Studio has designed various interior design products for homes and businesses.

We believe that “simplicity is the ultimate form of sophistication.”

So we are proudly introducing our new line of interior Decor products that is designed and manufactured in India.

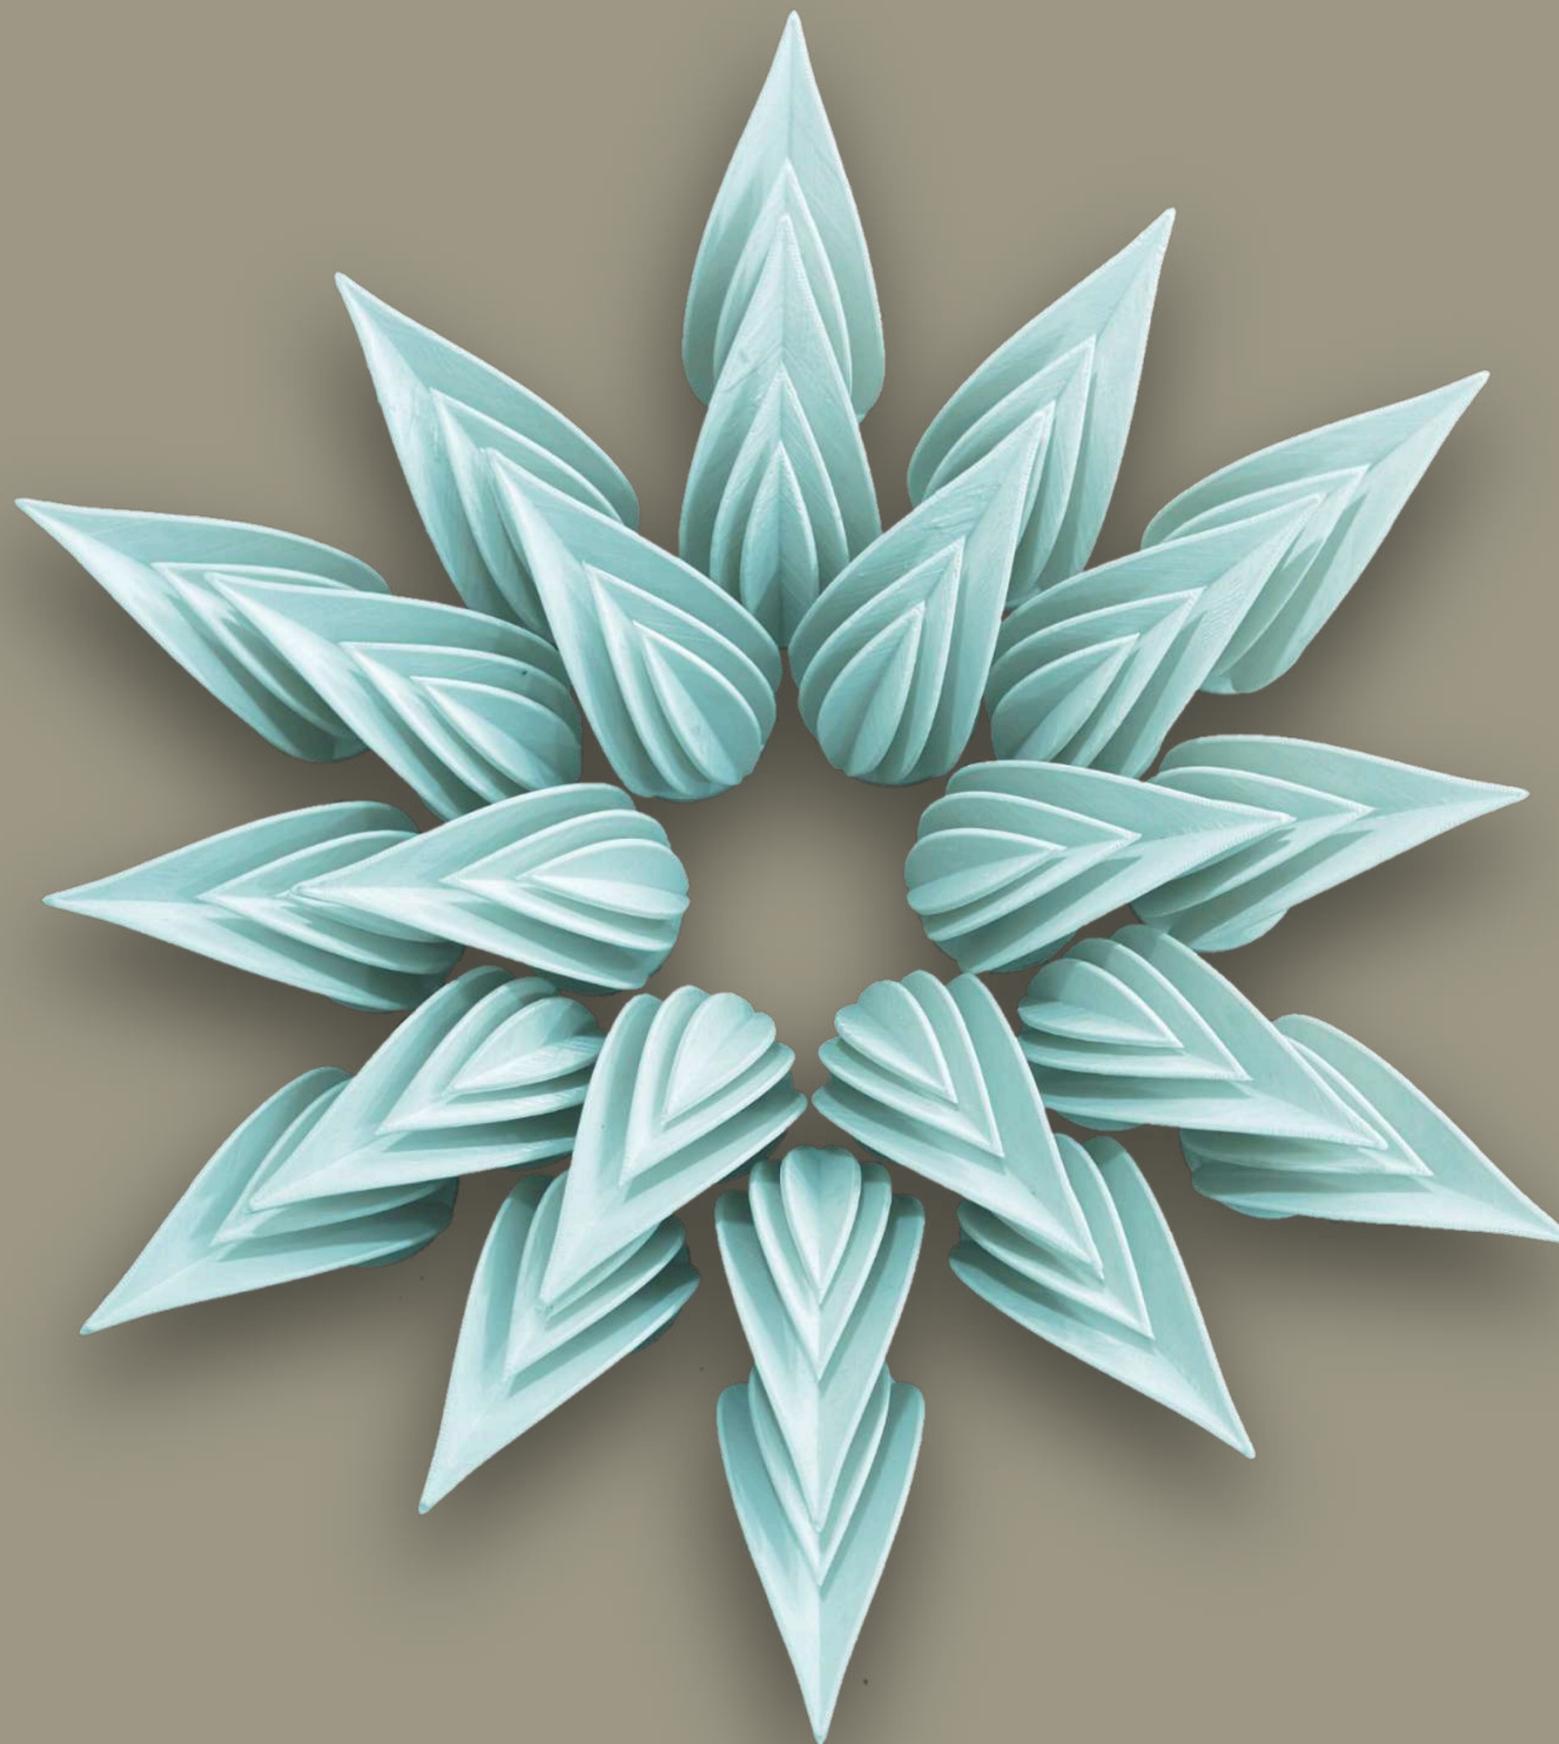

3D WALL PANEL

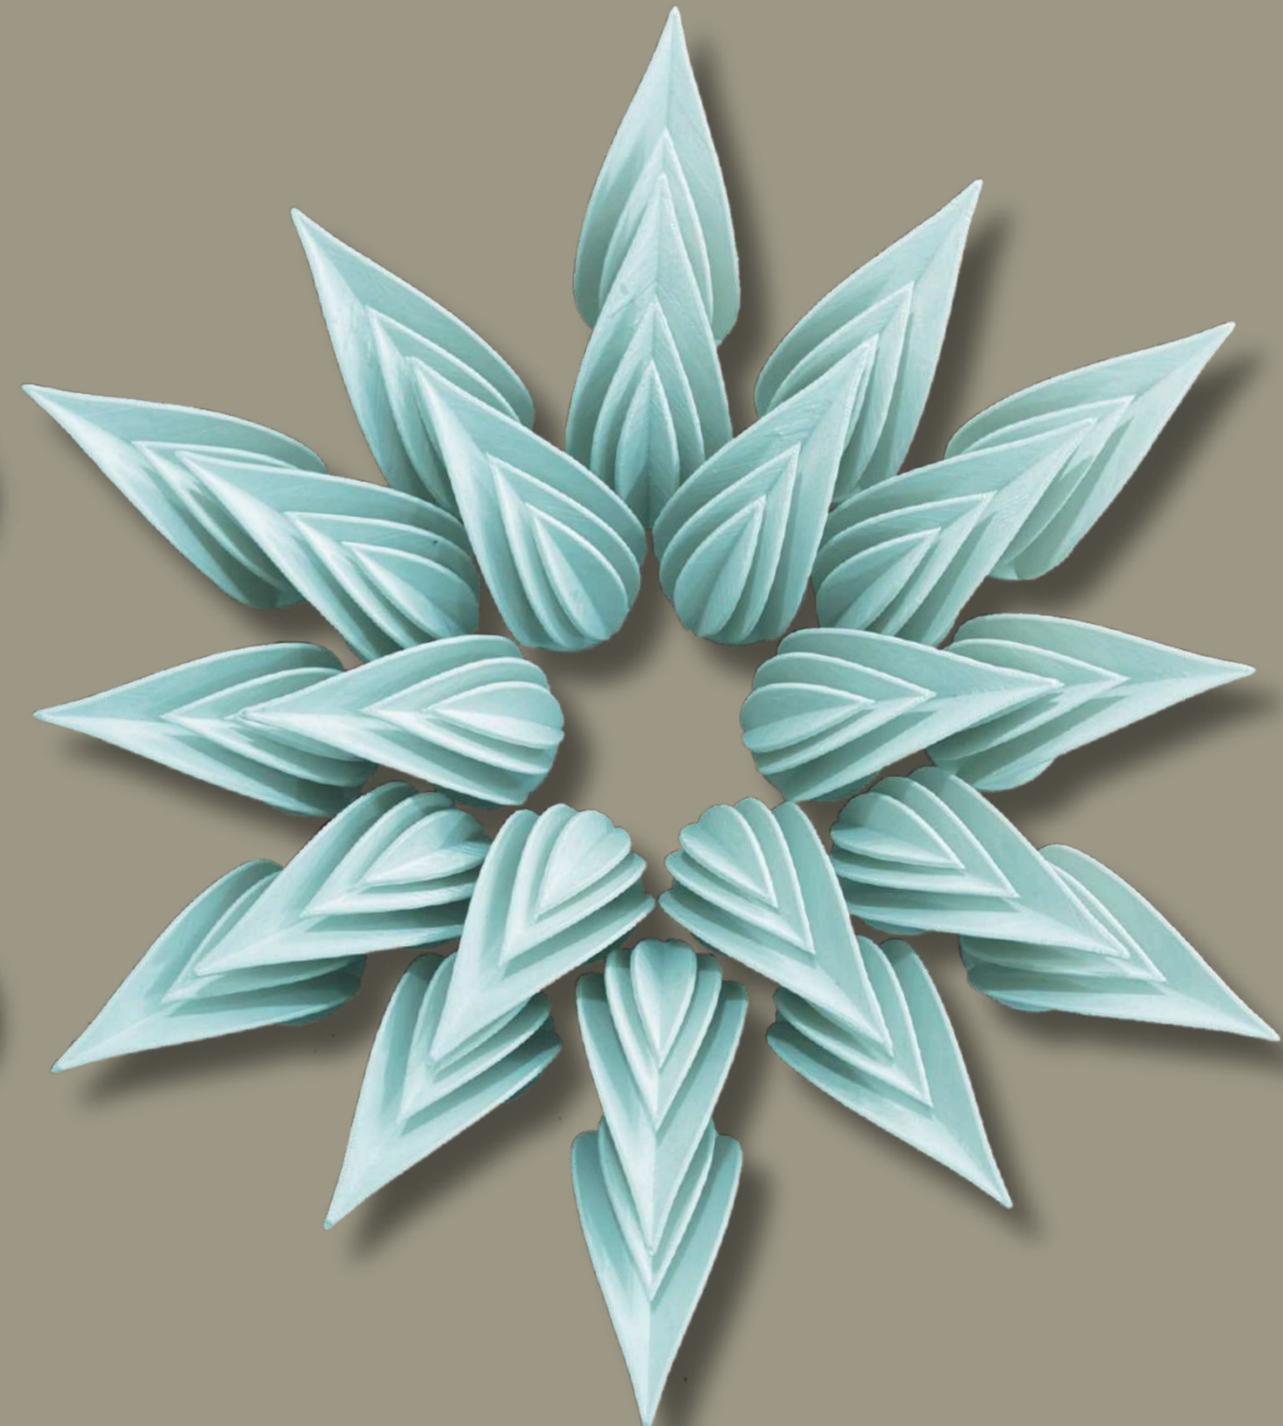

Elevate your space

The new design taste for the ones who seek something more from the ordinary and regulars. Don't just go with the imitators for 3d wall panels but create your unique masterpiece with our intricately designed and hand finished design forms.

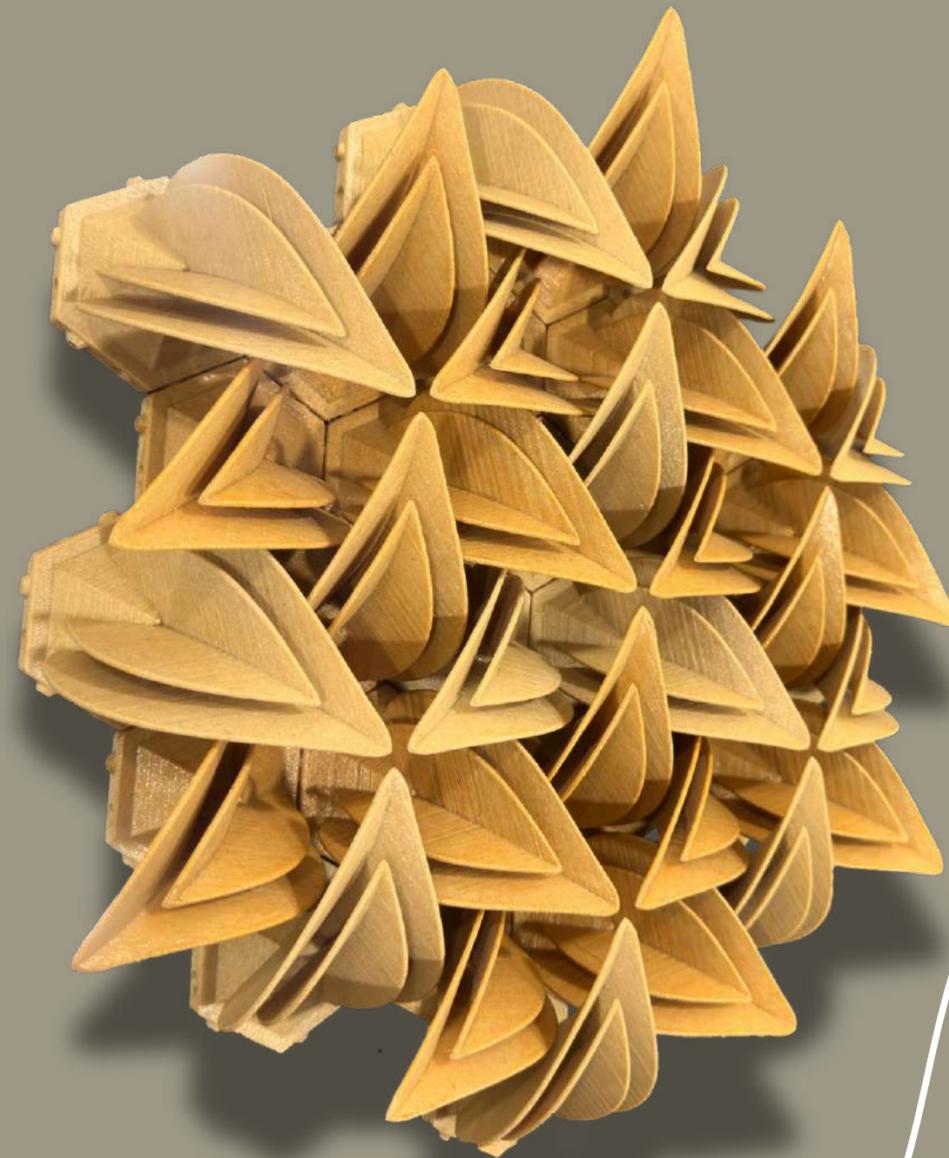

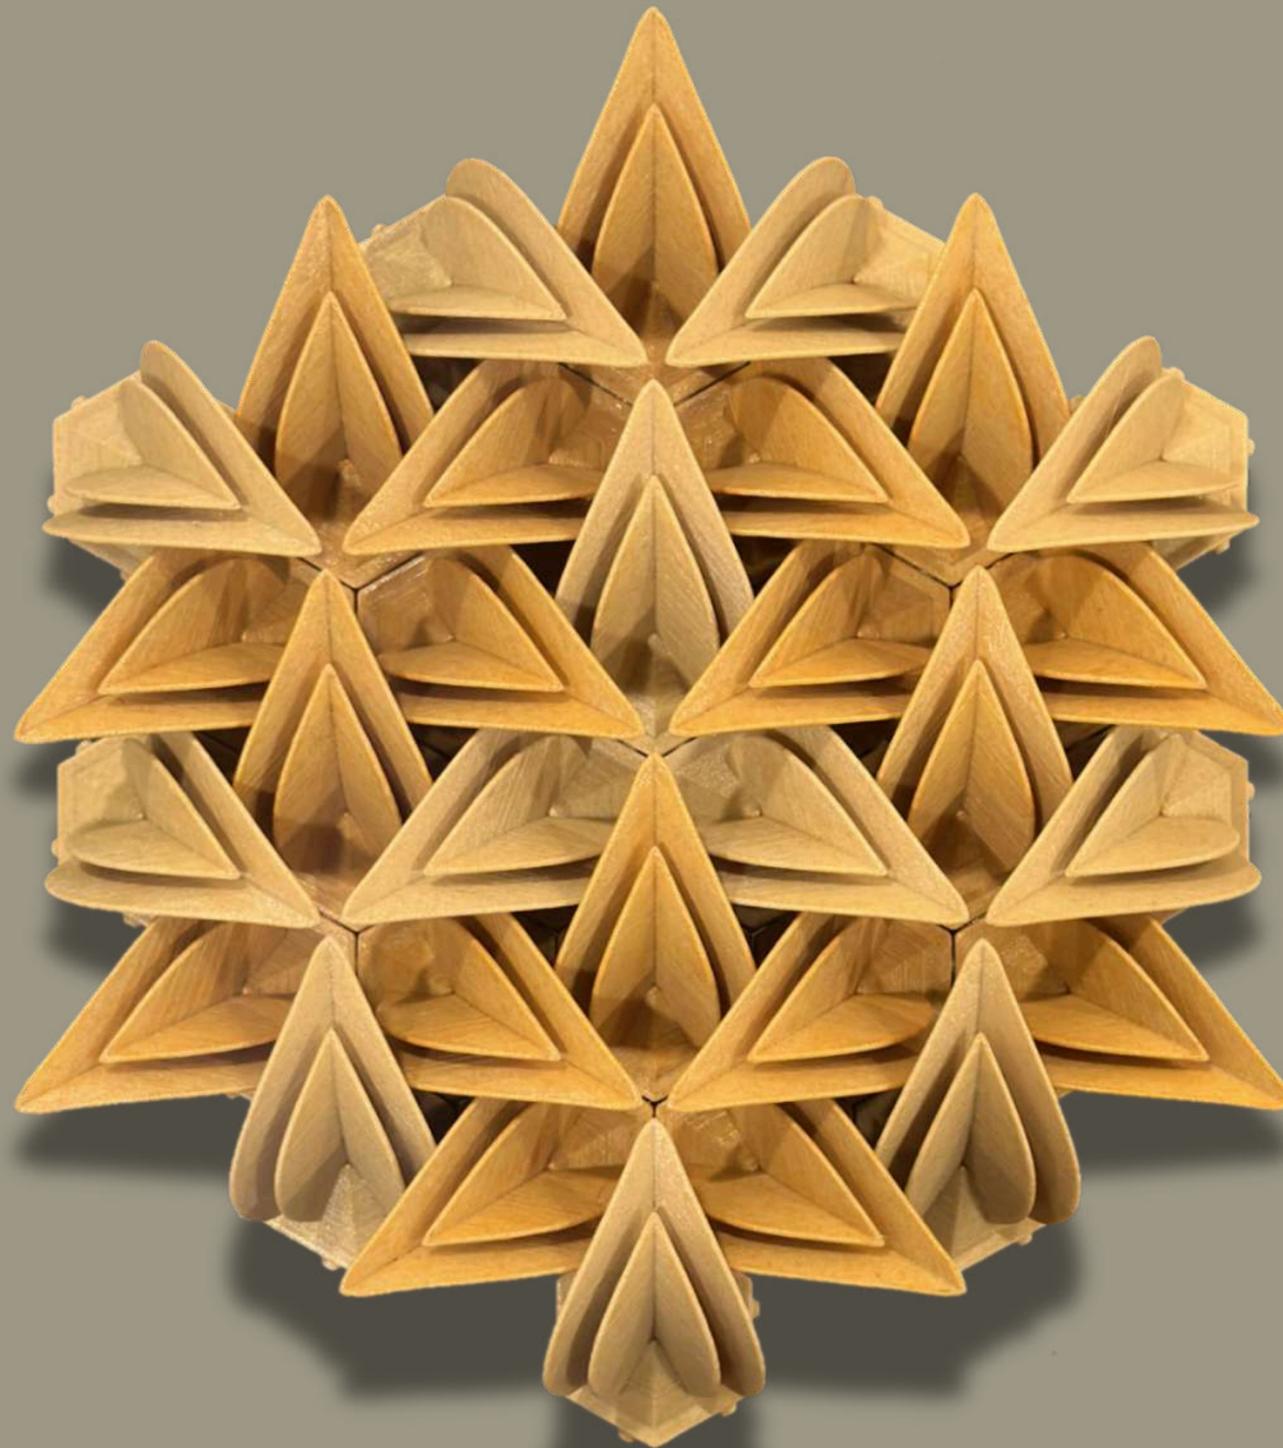

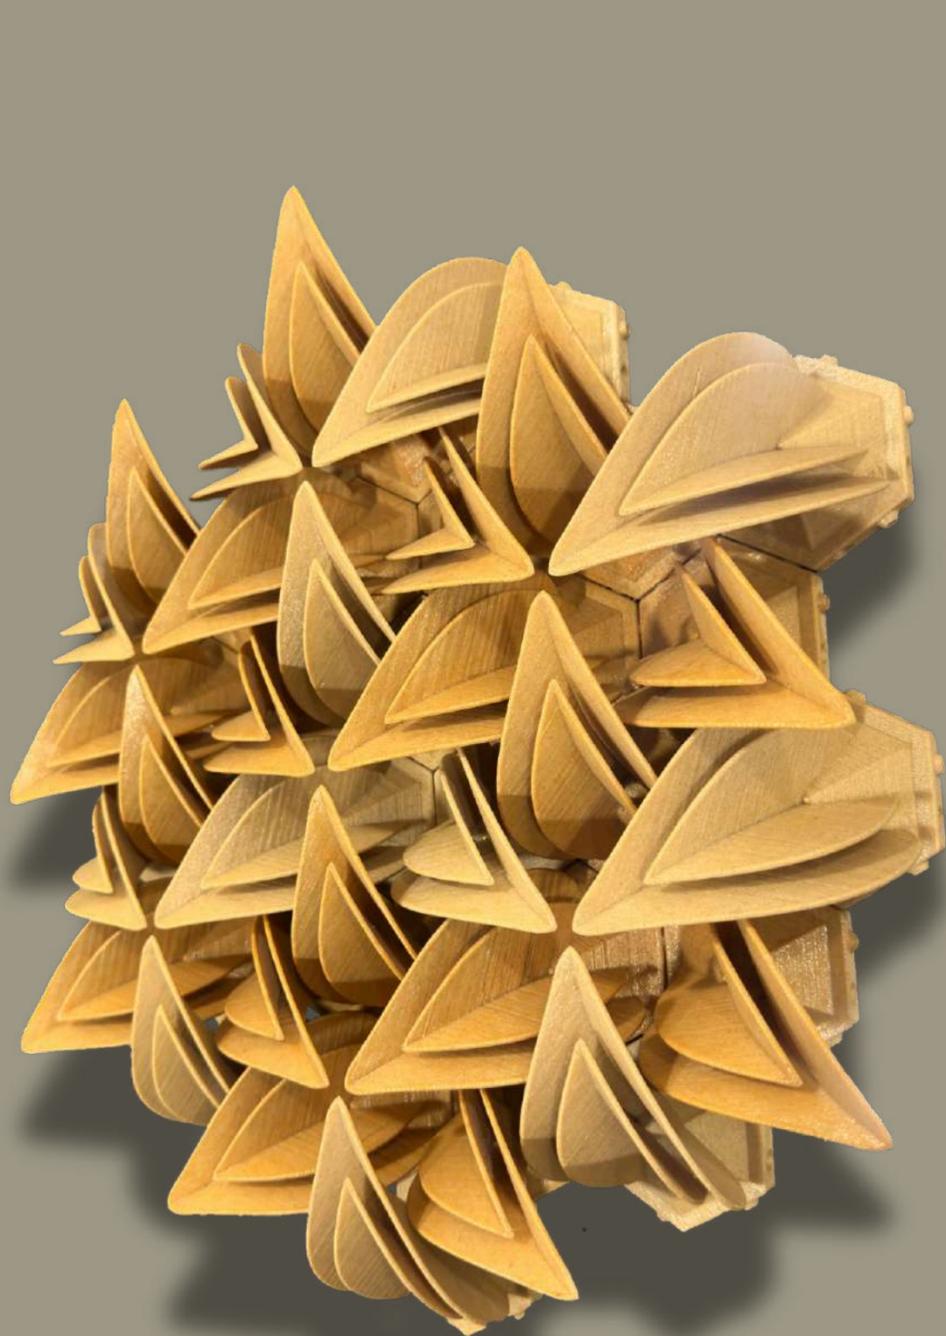

BLOOMING LOTUS

INTERTWINED LEAVES

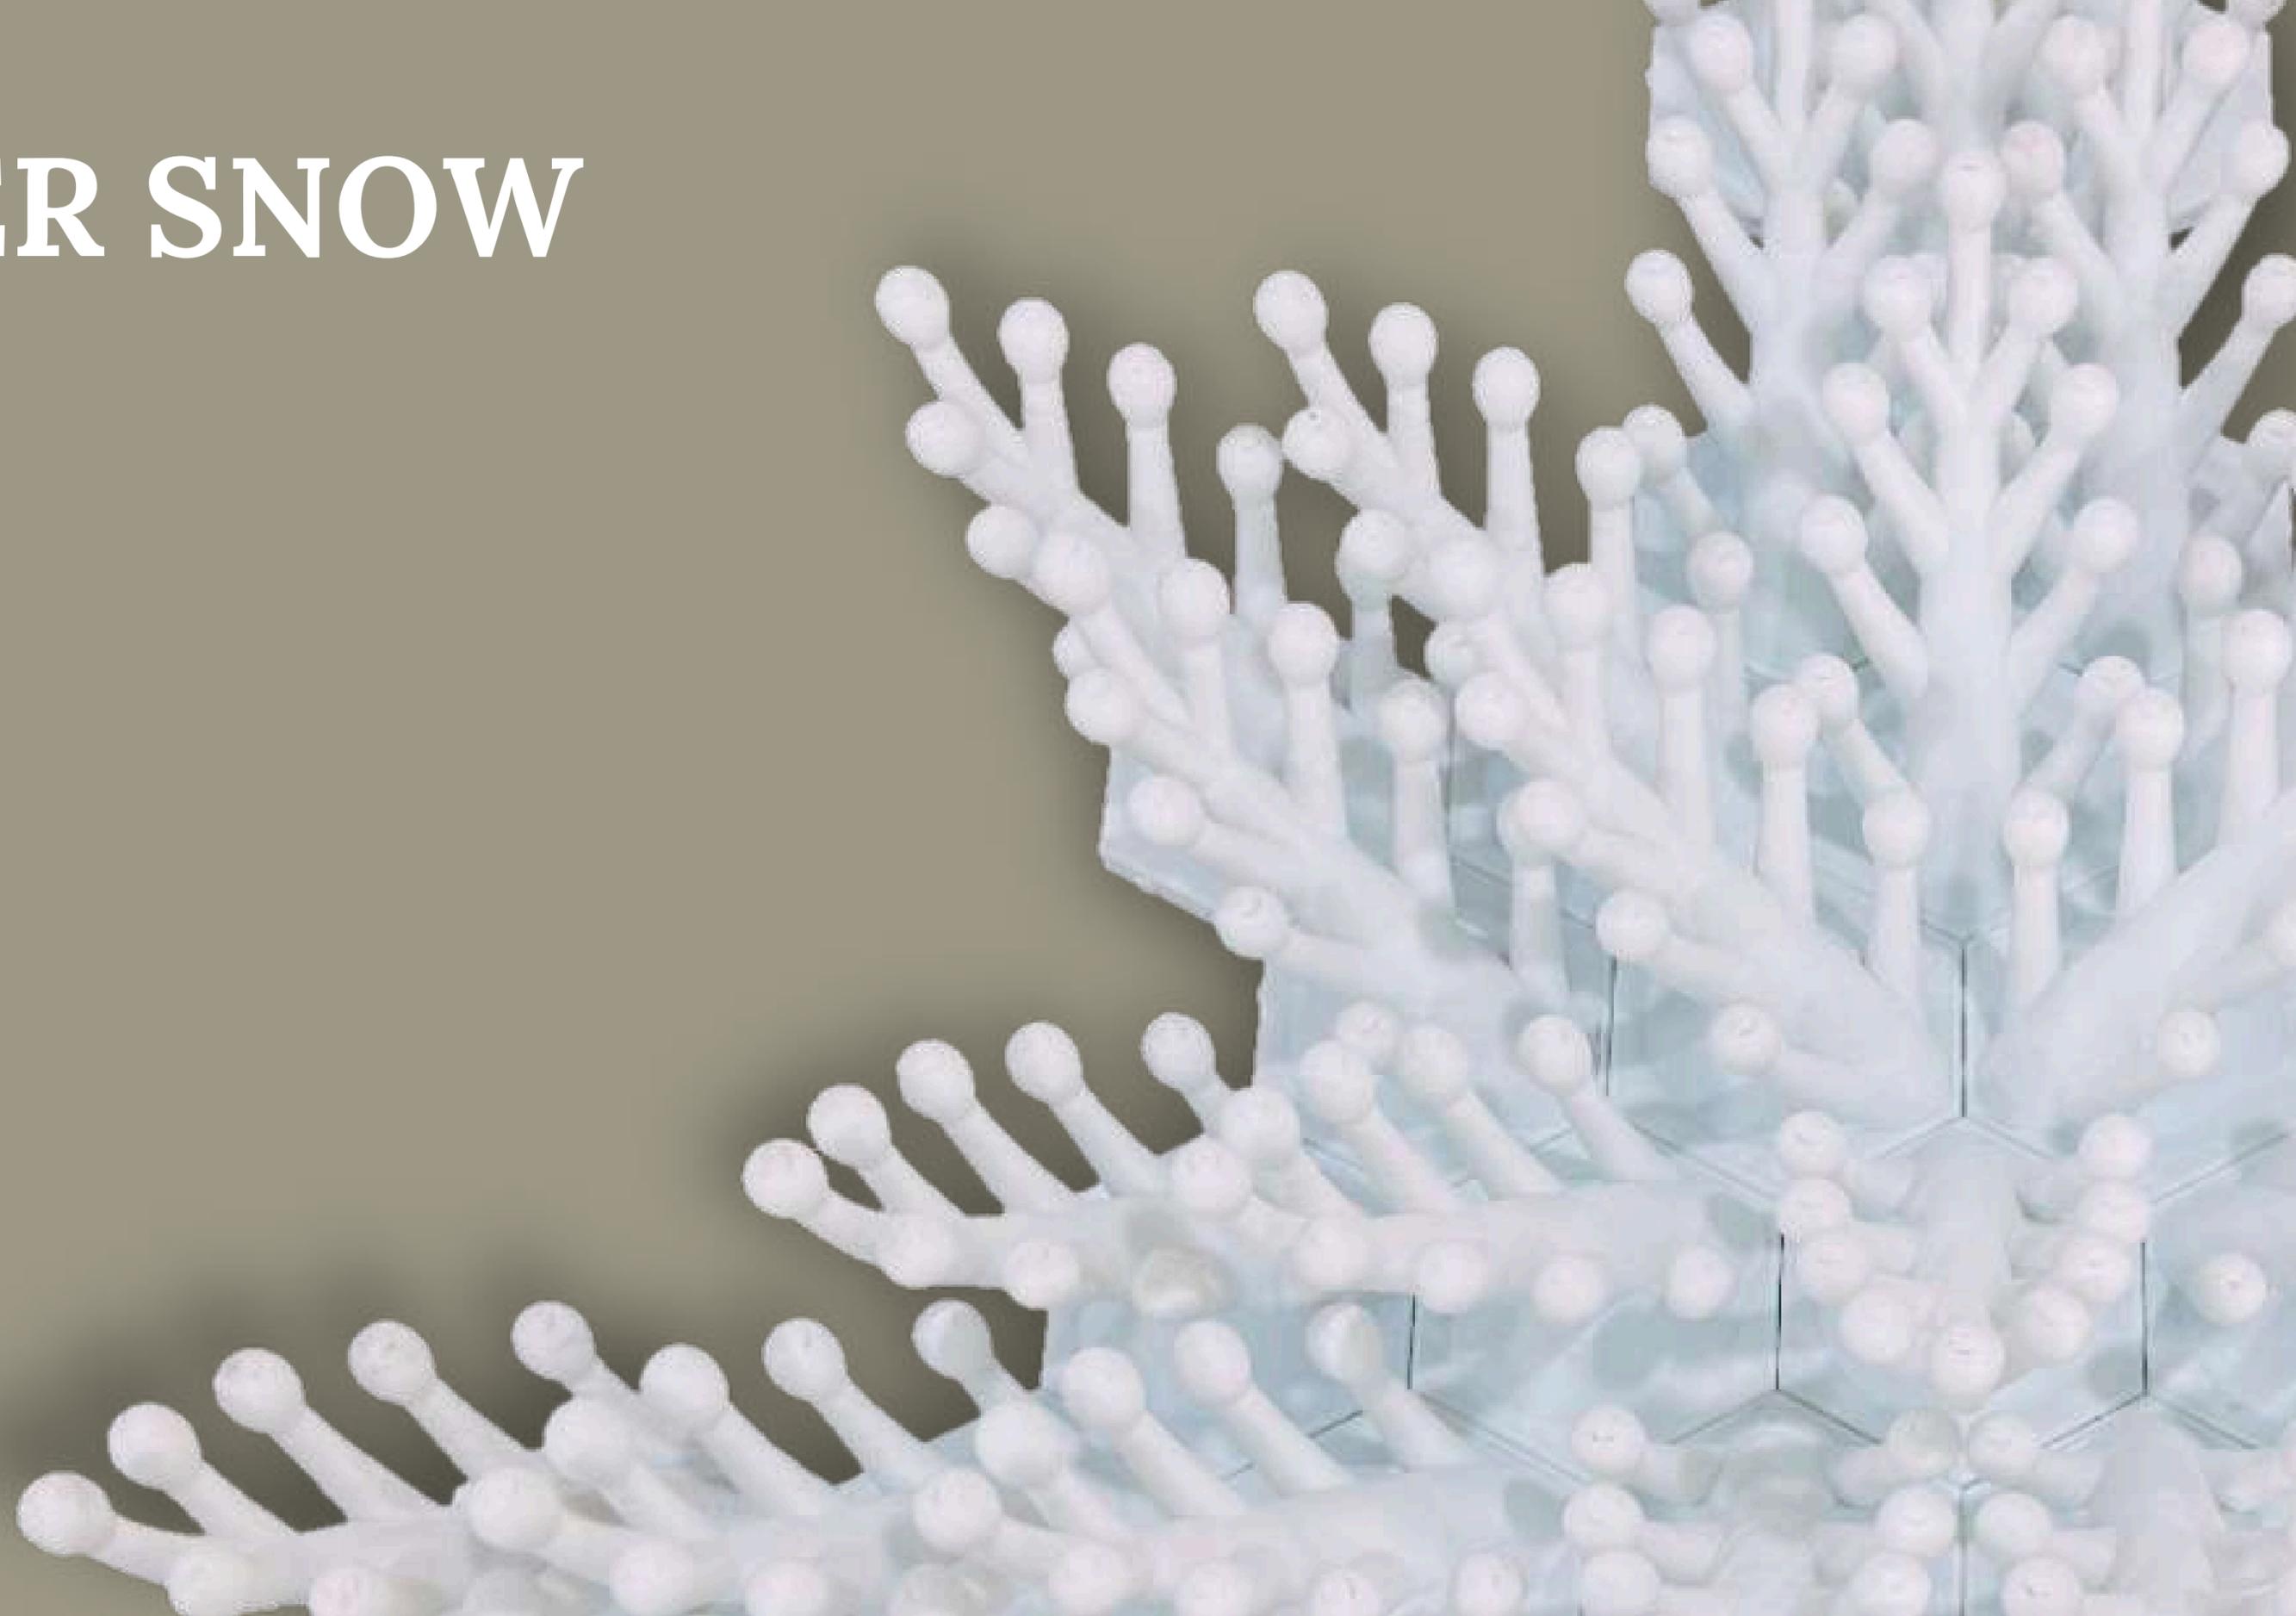

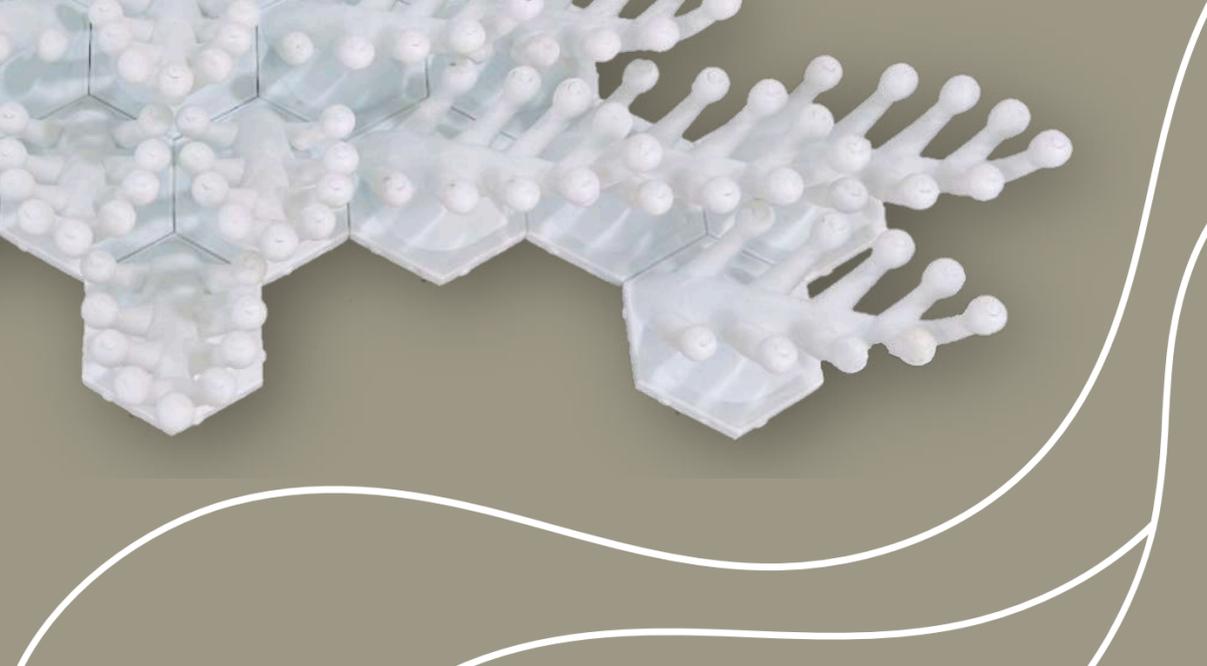

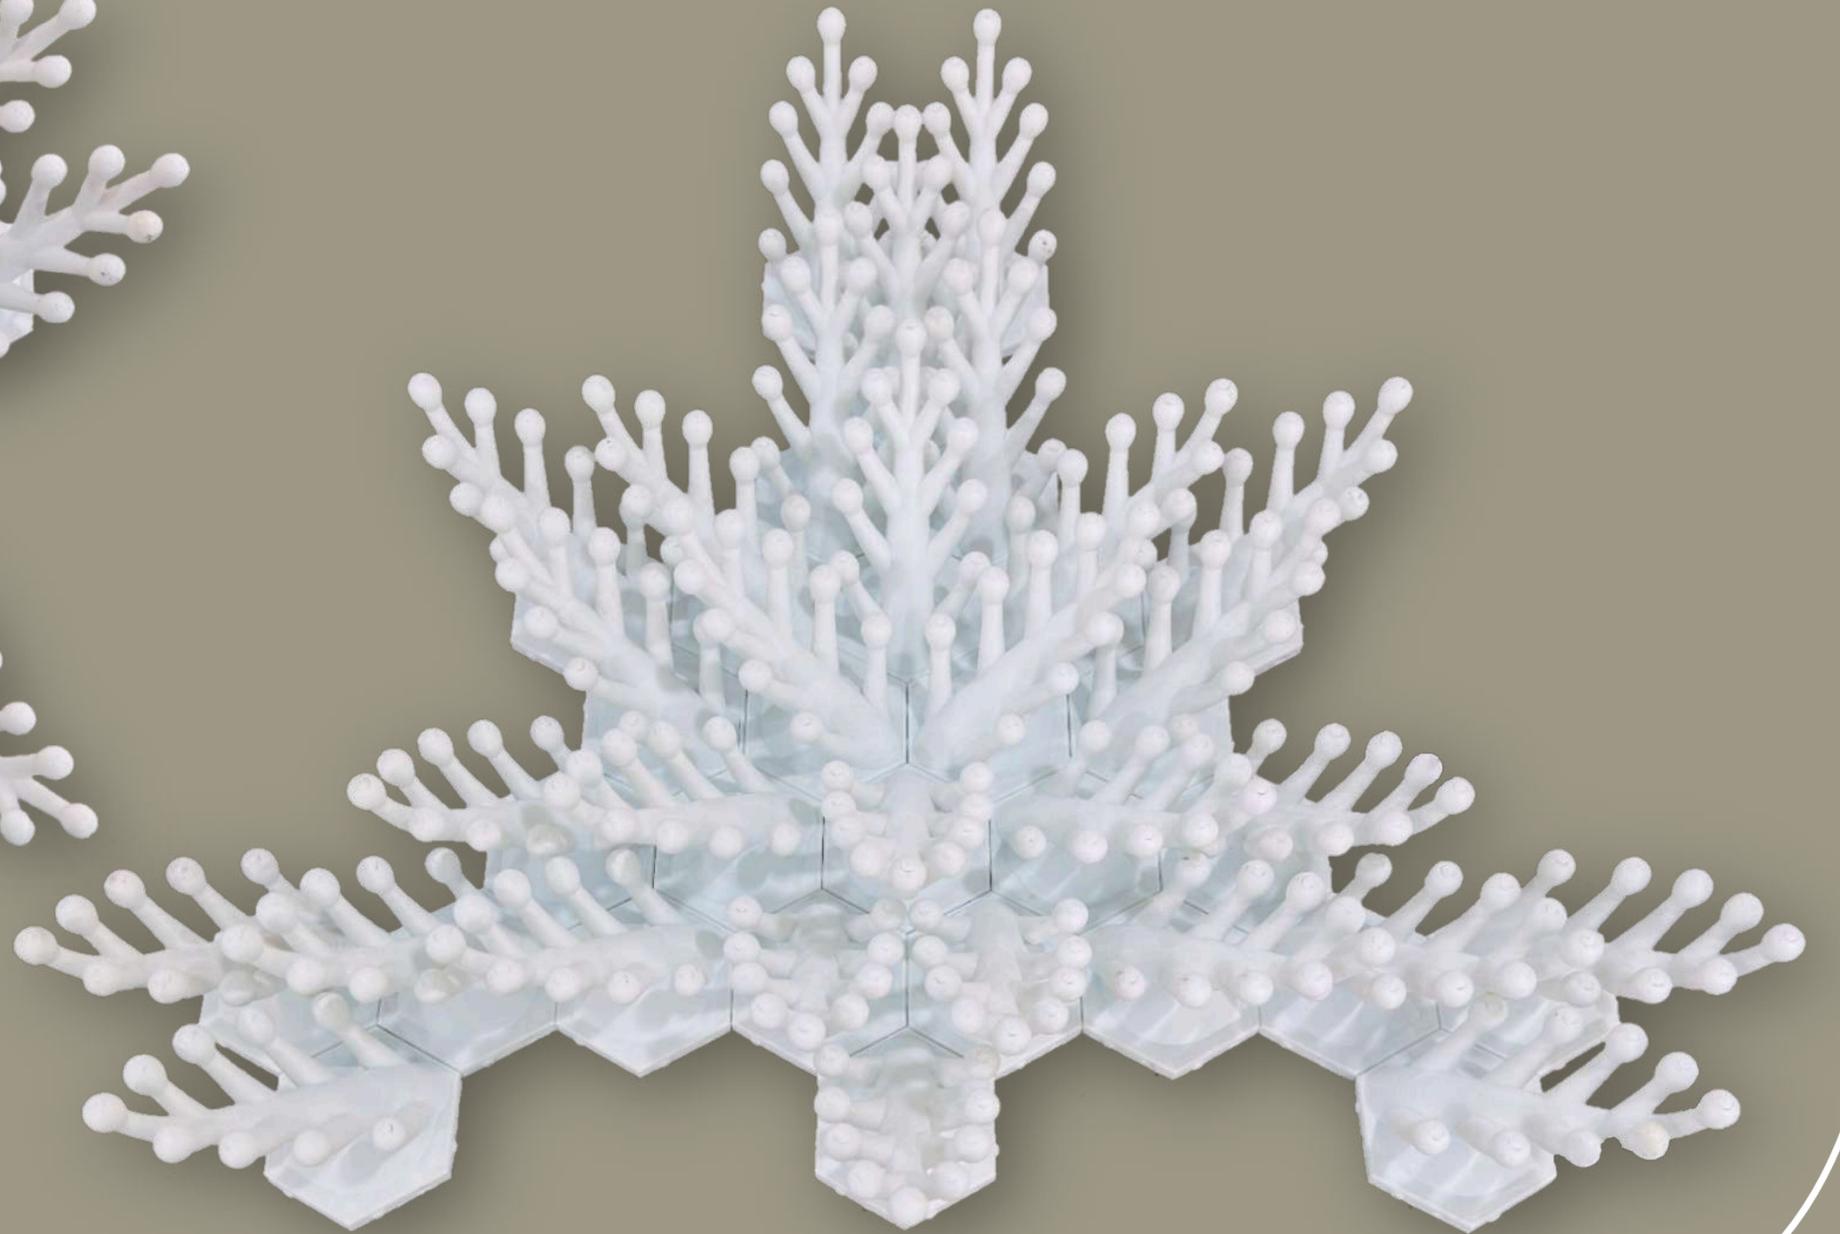

SPIKED

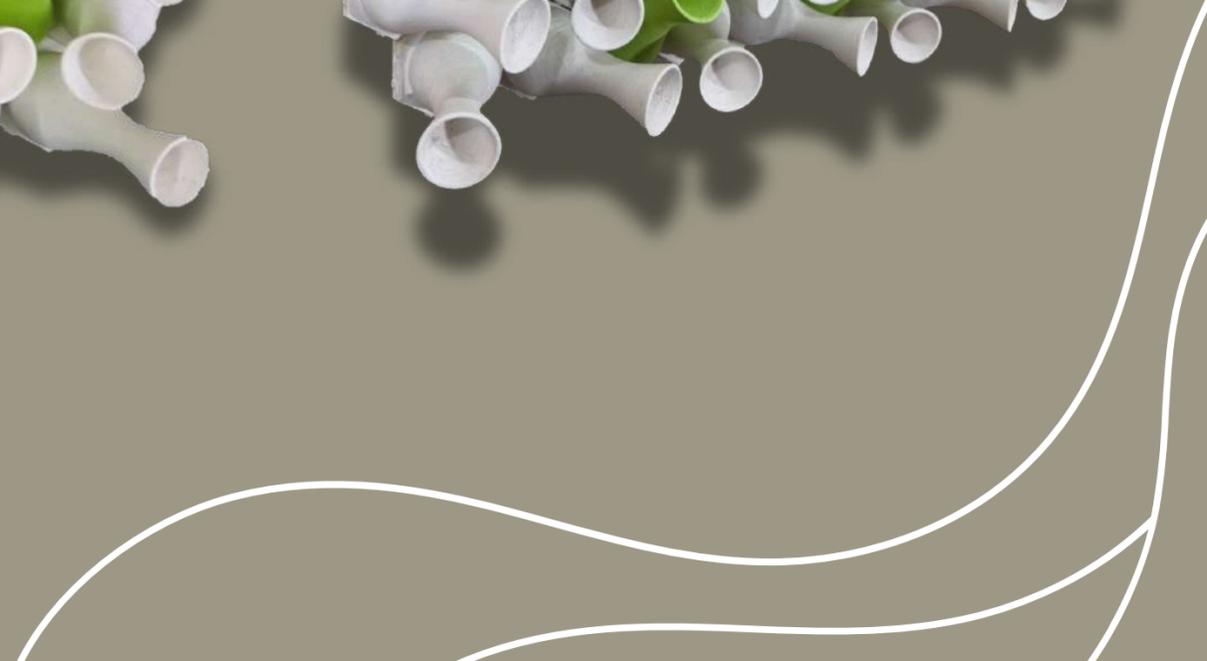

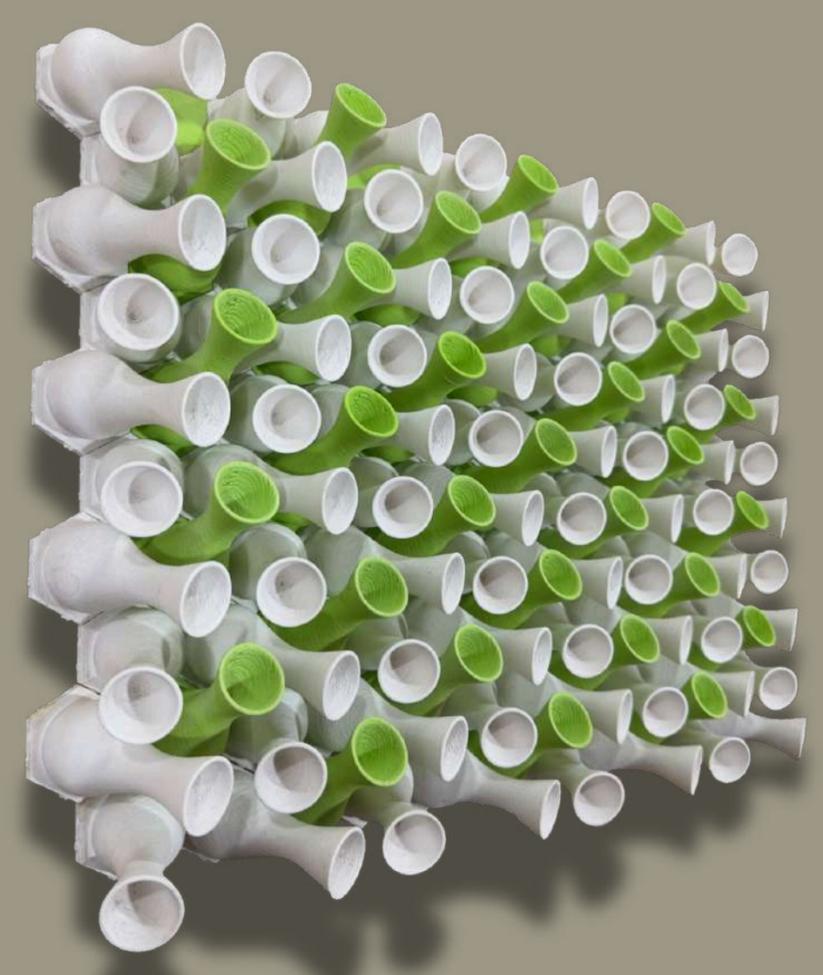

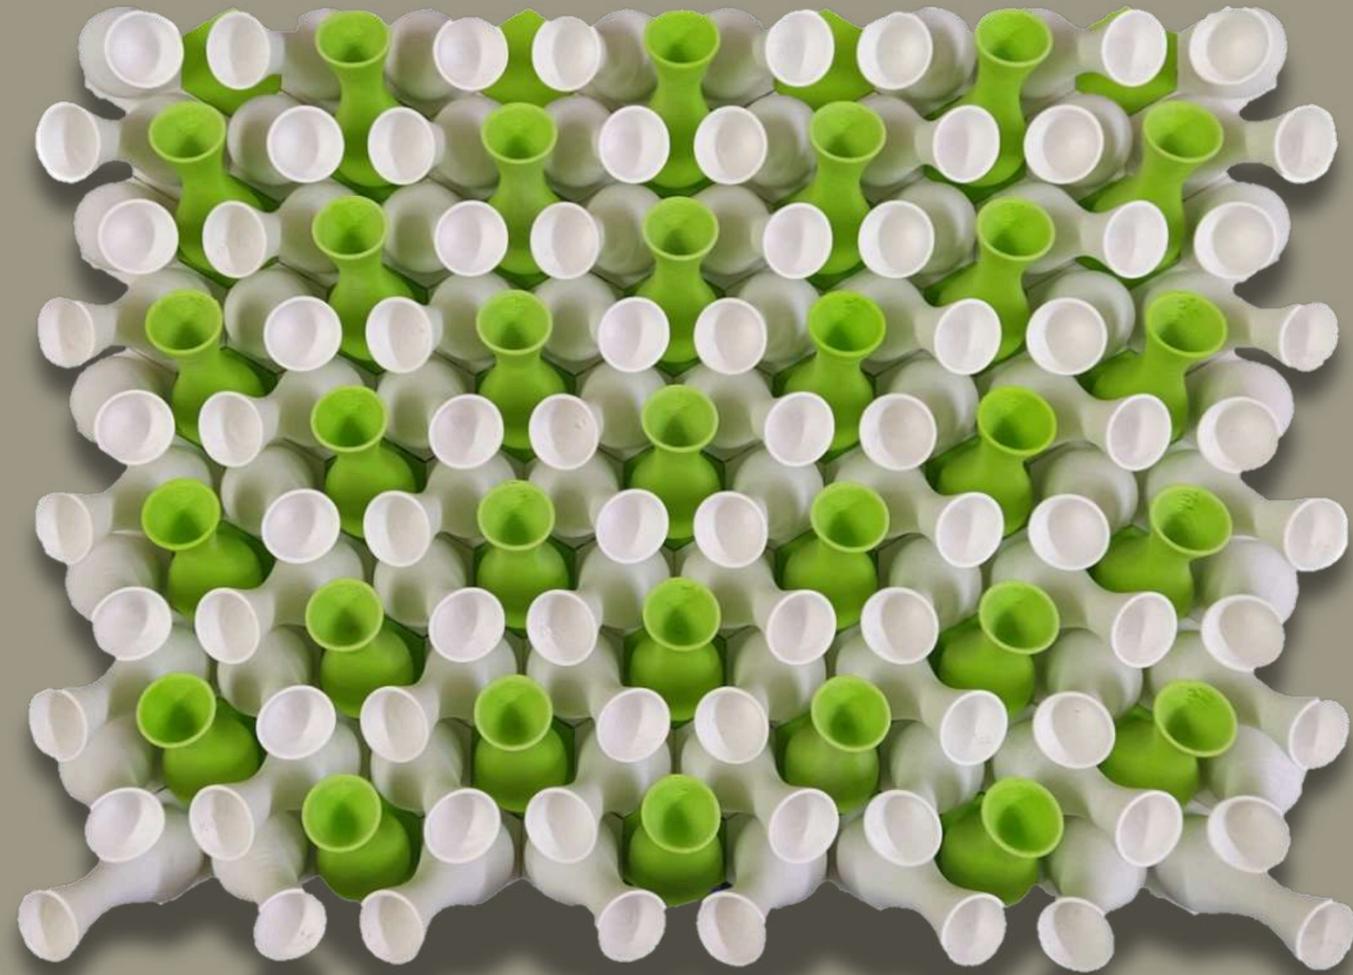

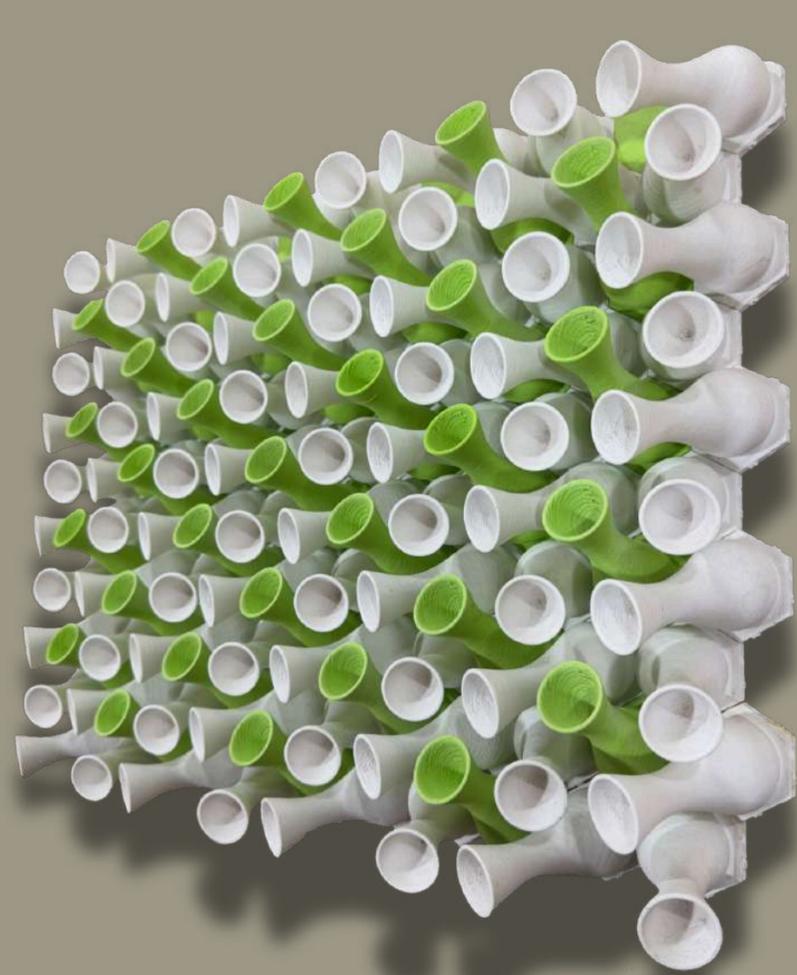

WINTER SNOW

OGRE EARS

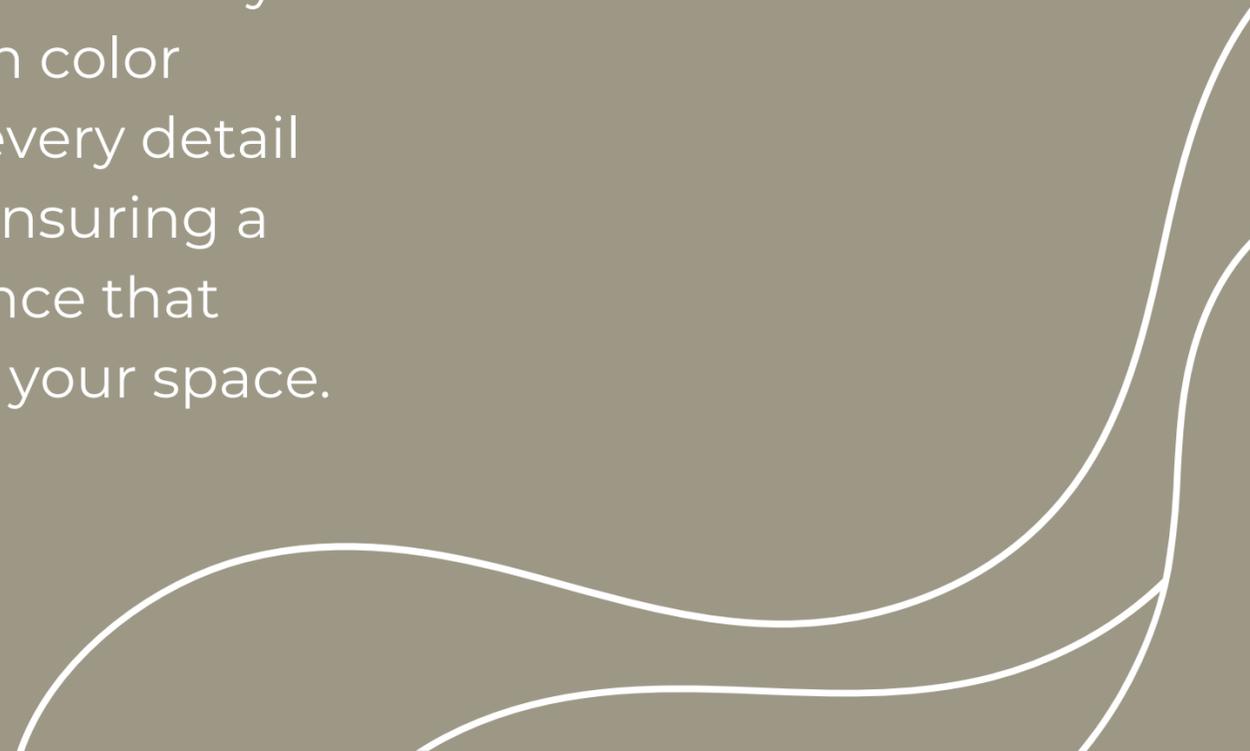

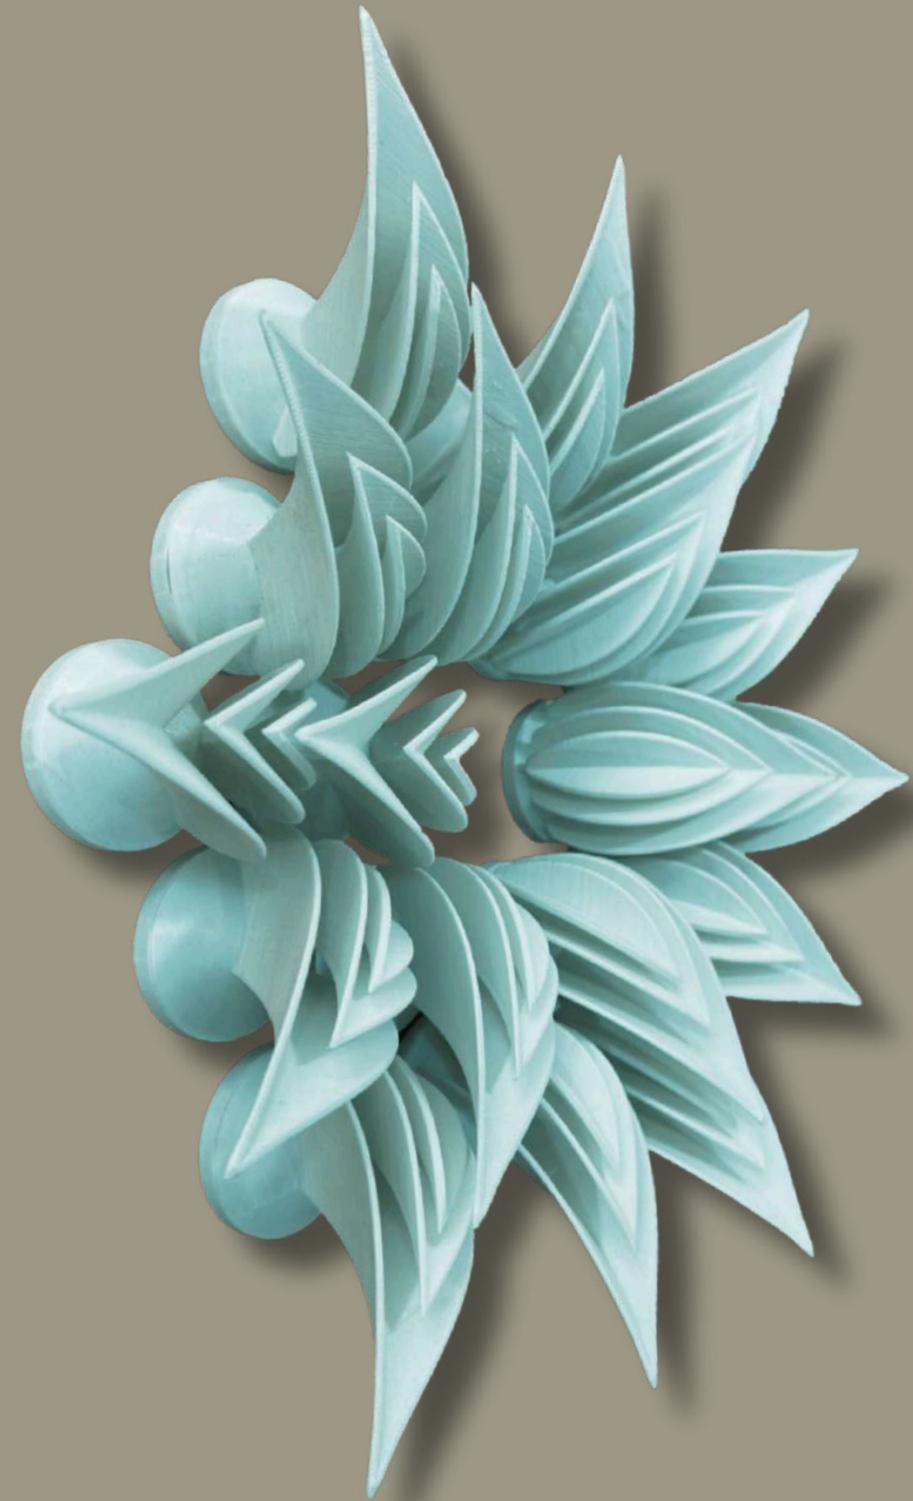

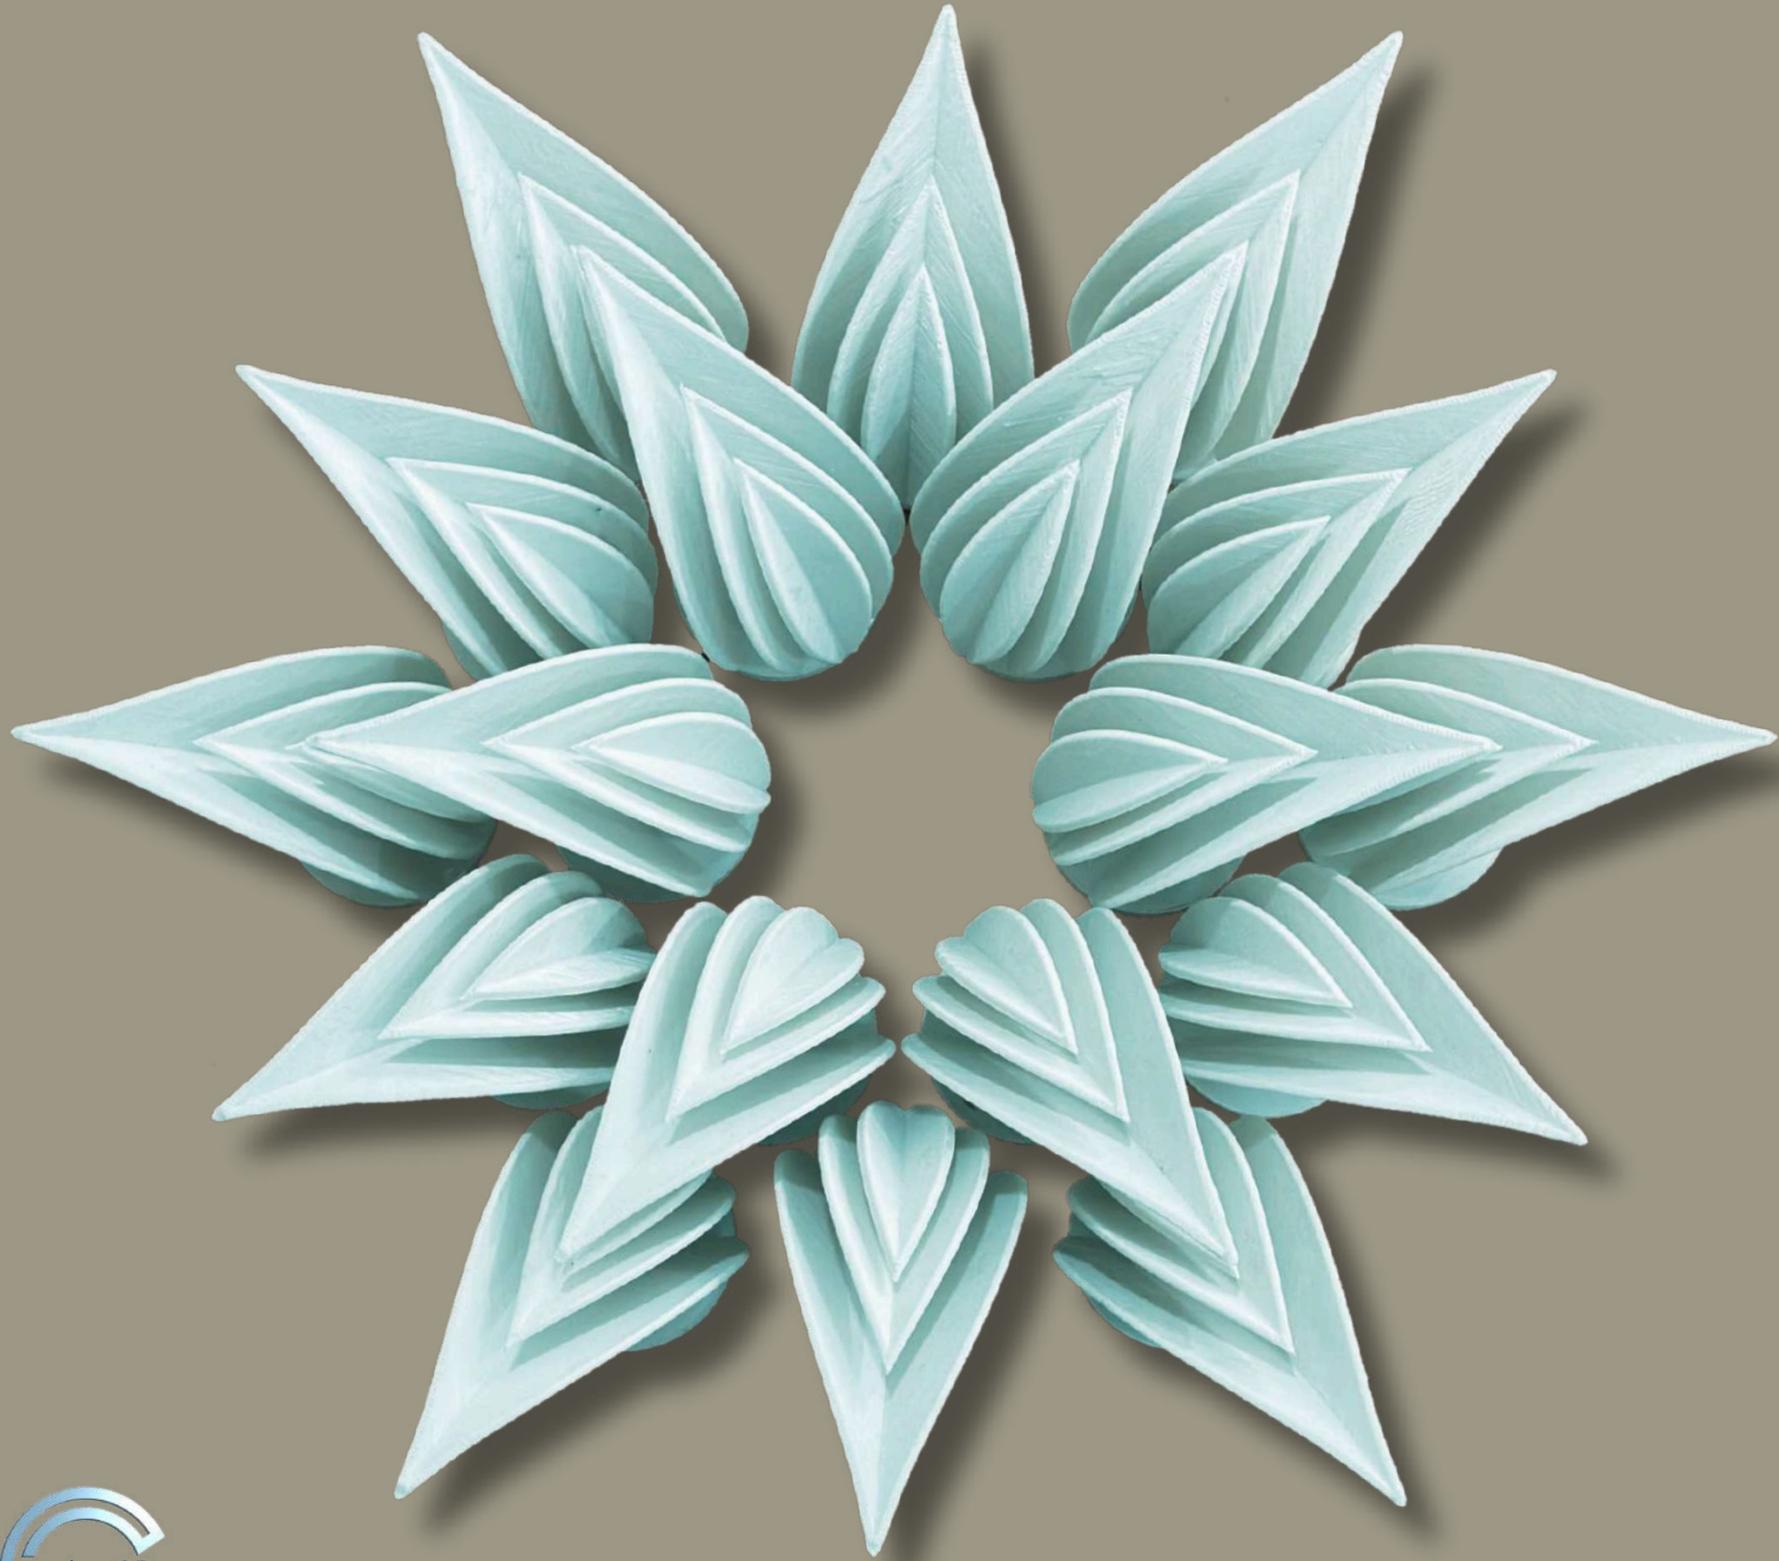

INNUMERABLE POSSIBILITIES FOR YOUR BESPOKE ARTWORK

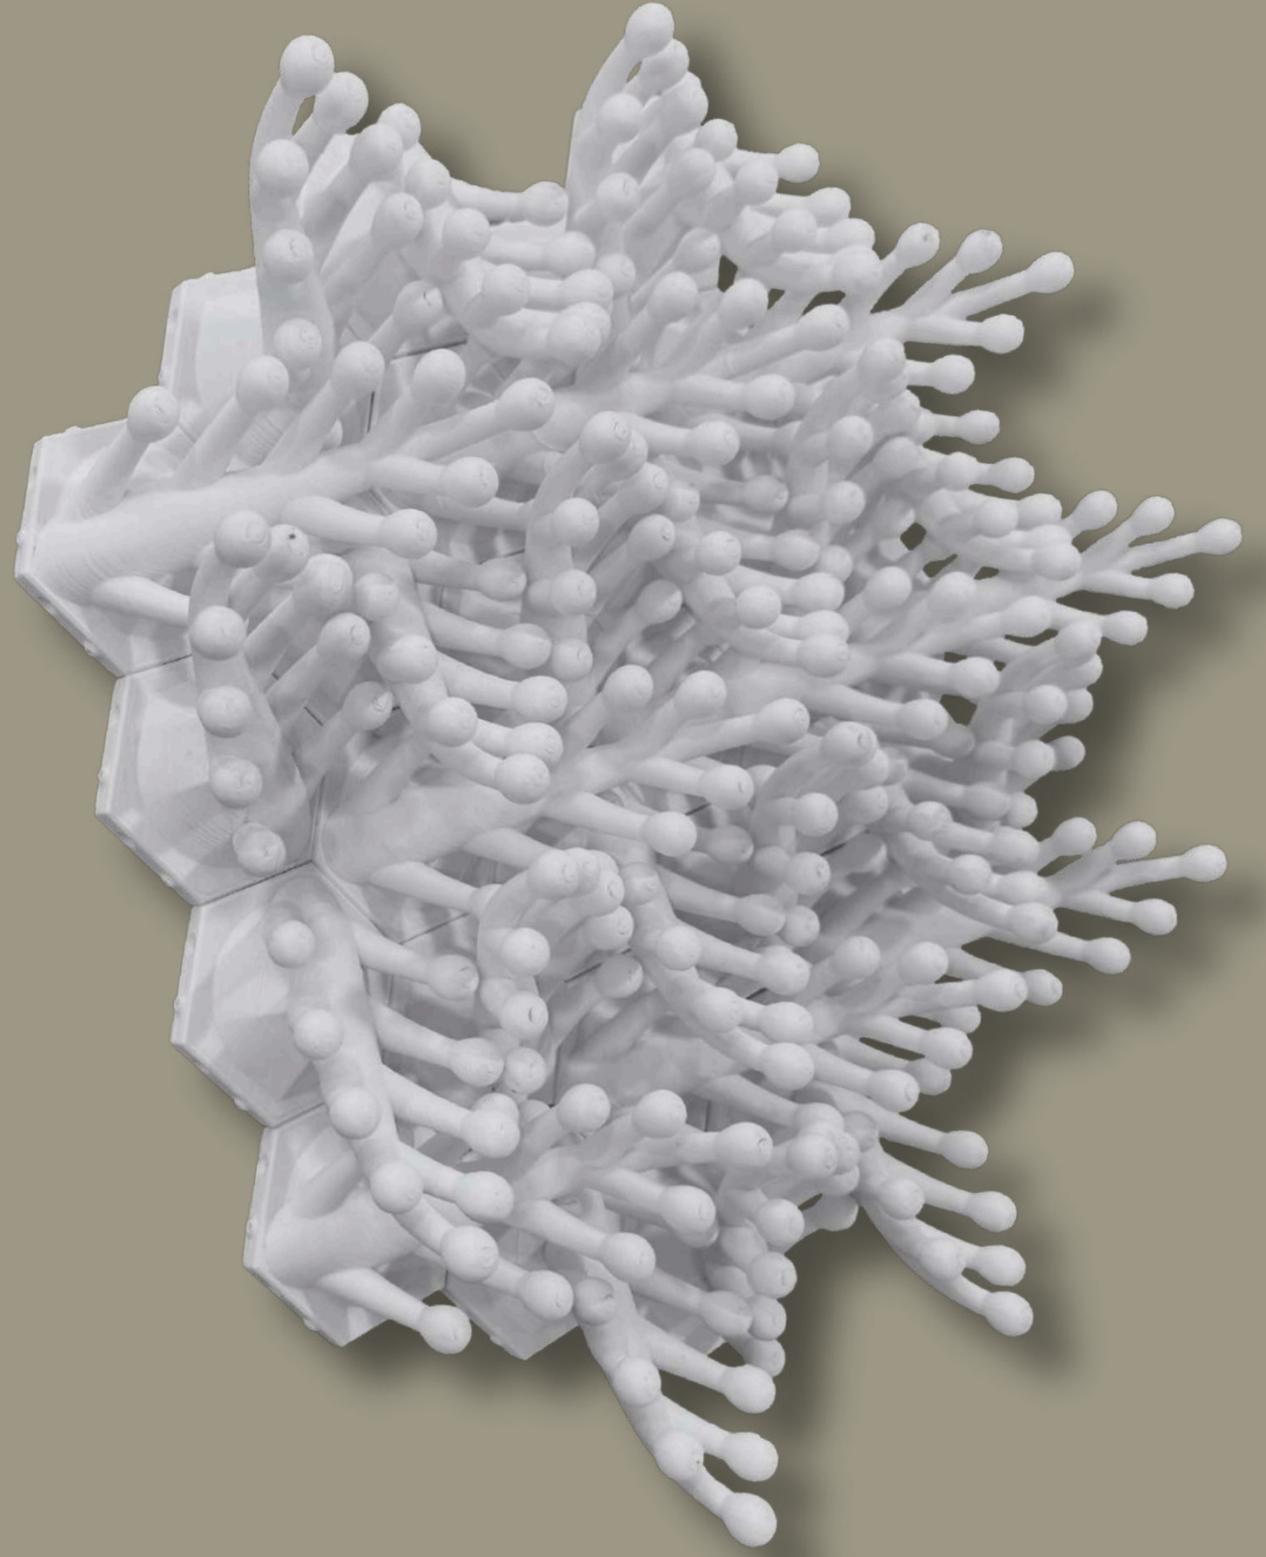

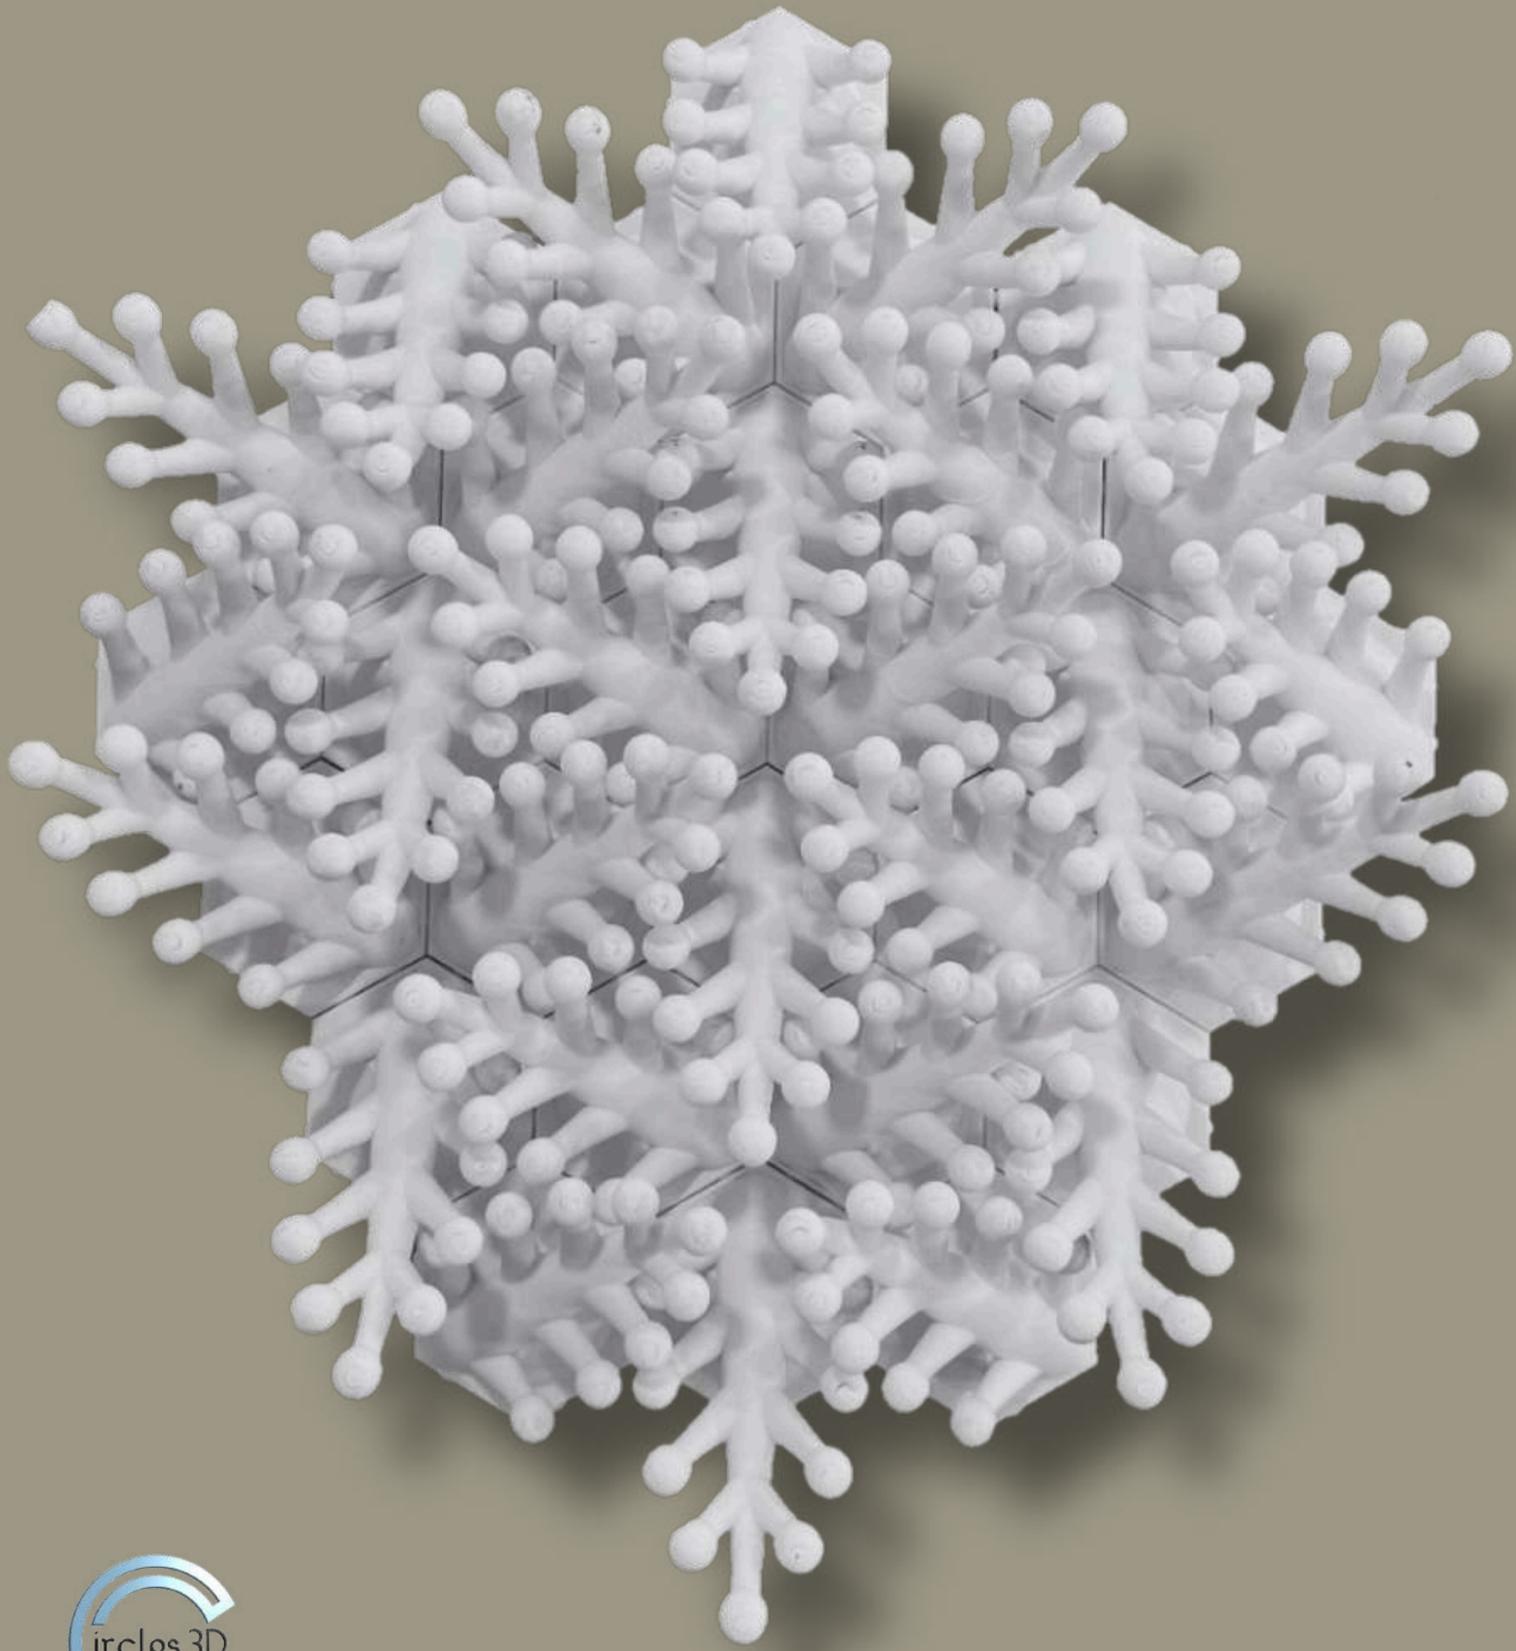

Tailoring your sculpture to fit the unique essence of your space is a luxury that now can be realised with our Distinct designing program.

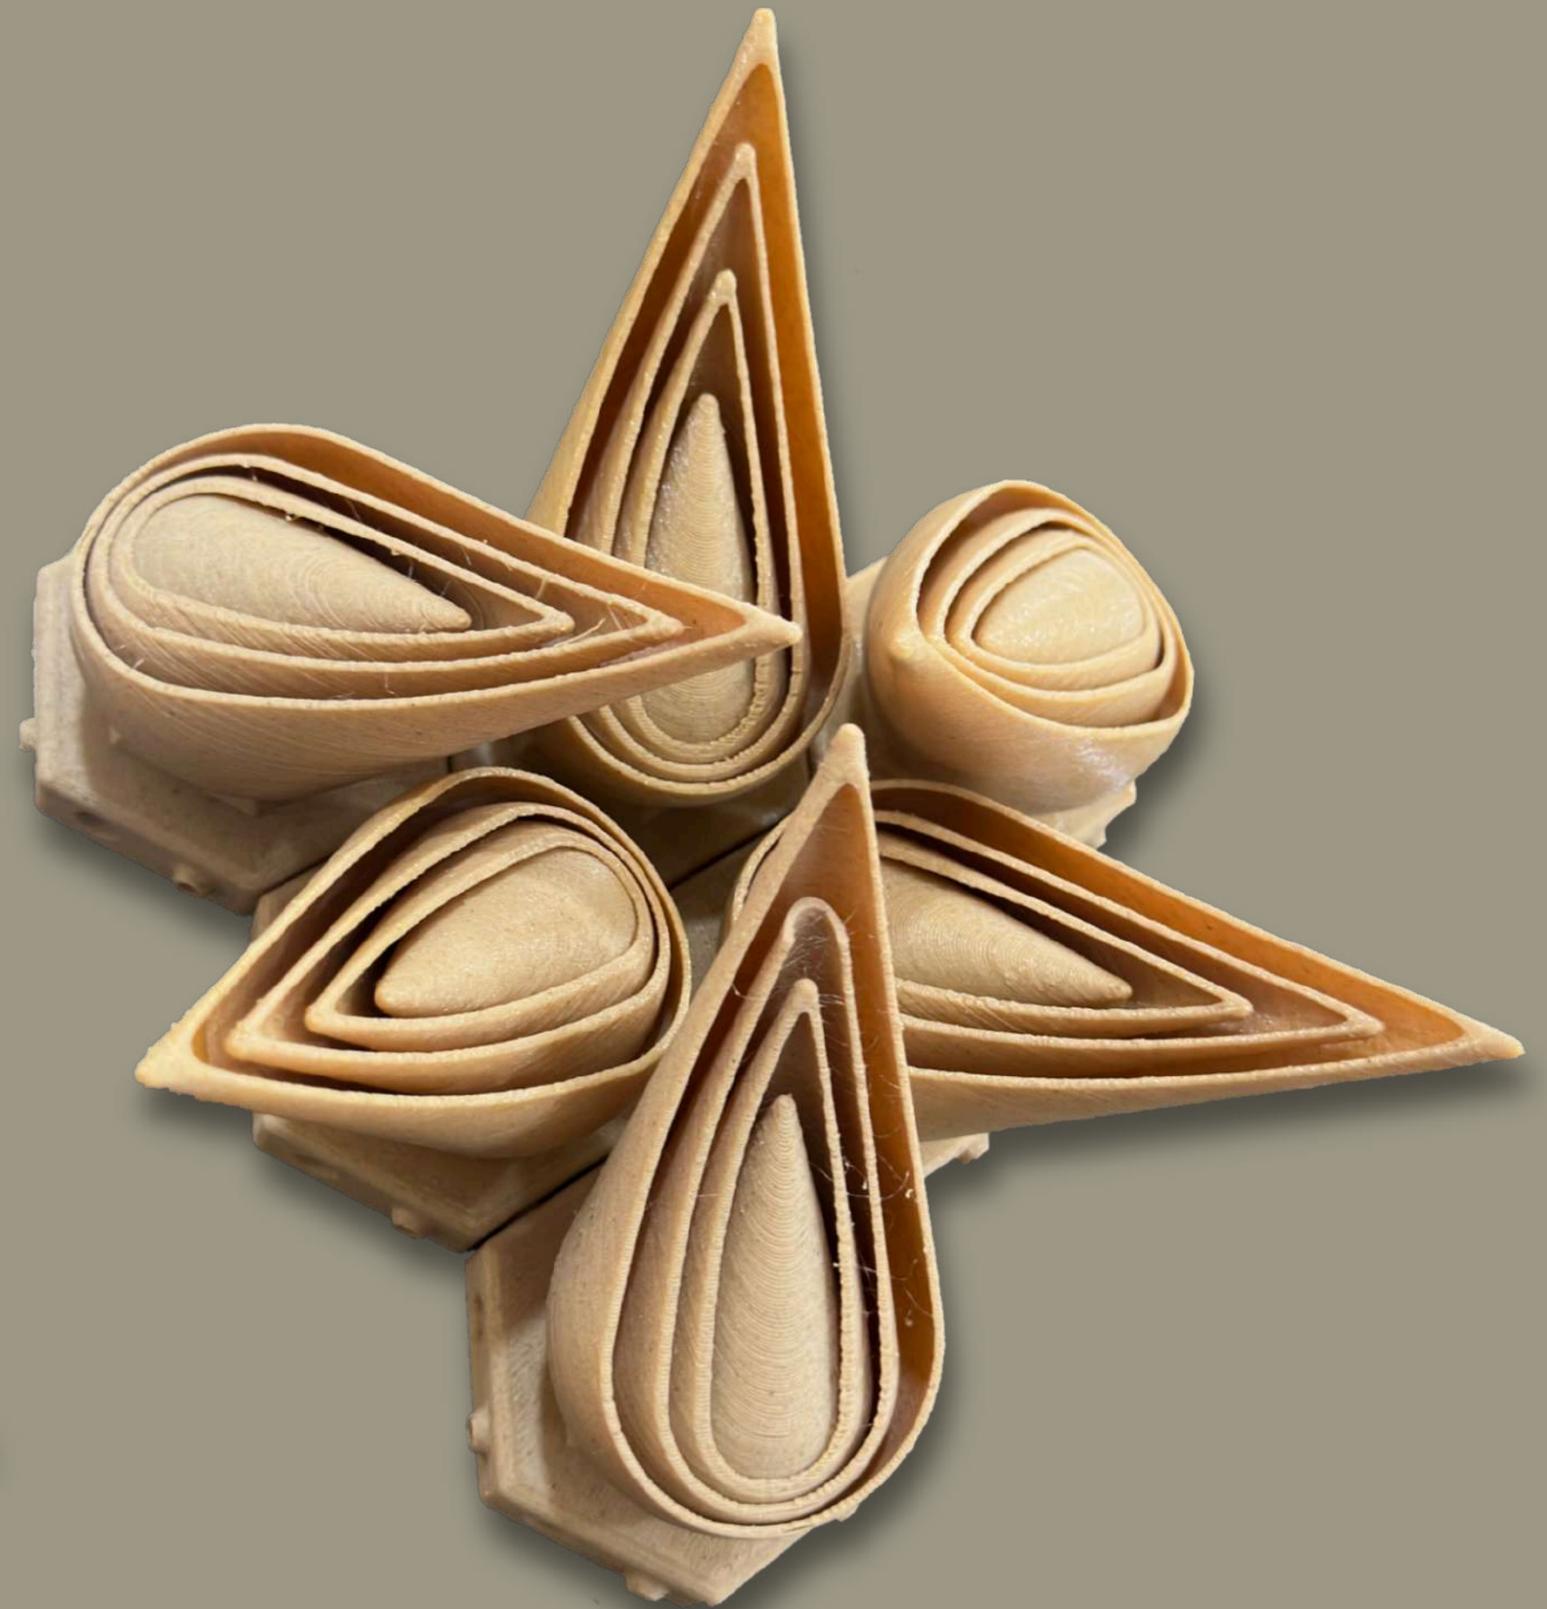

With our customisable options, we put the power in your hands, allowing you to create a sculpture that speaks to your individuality like never before. From color schemes to features, every detail can be personalized, ensuring a one-of-a-kind experience that resonates deeply with your space.

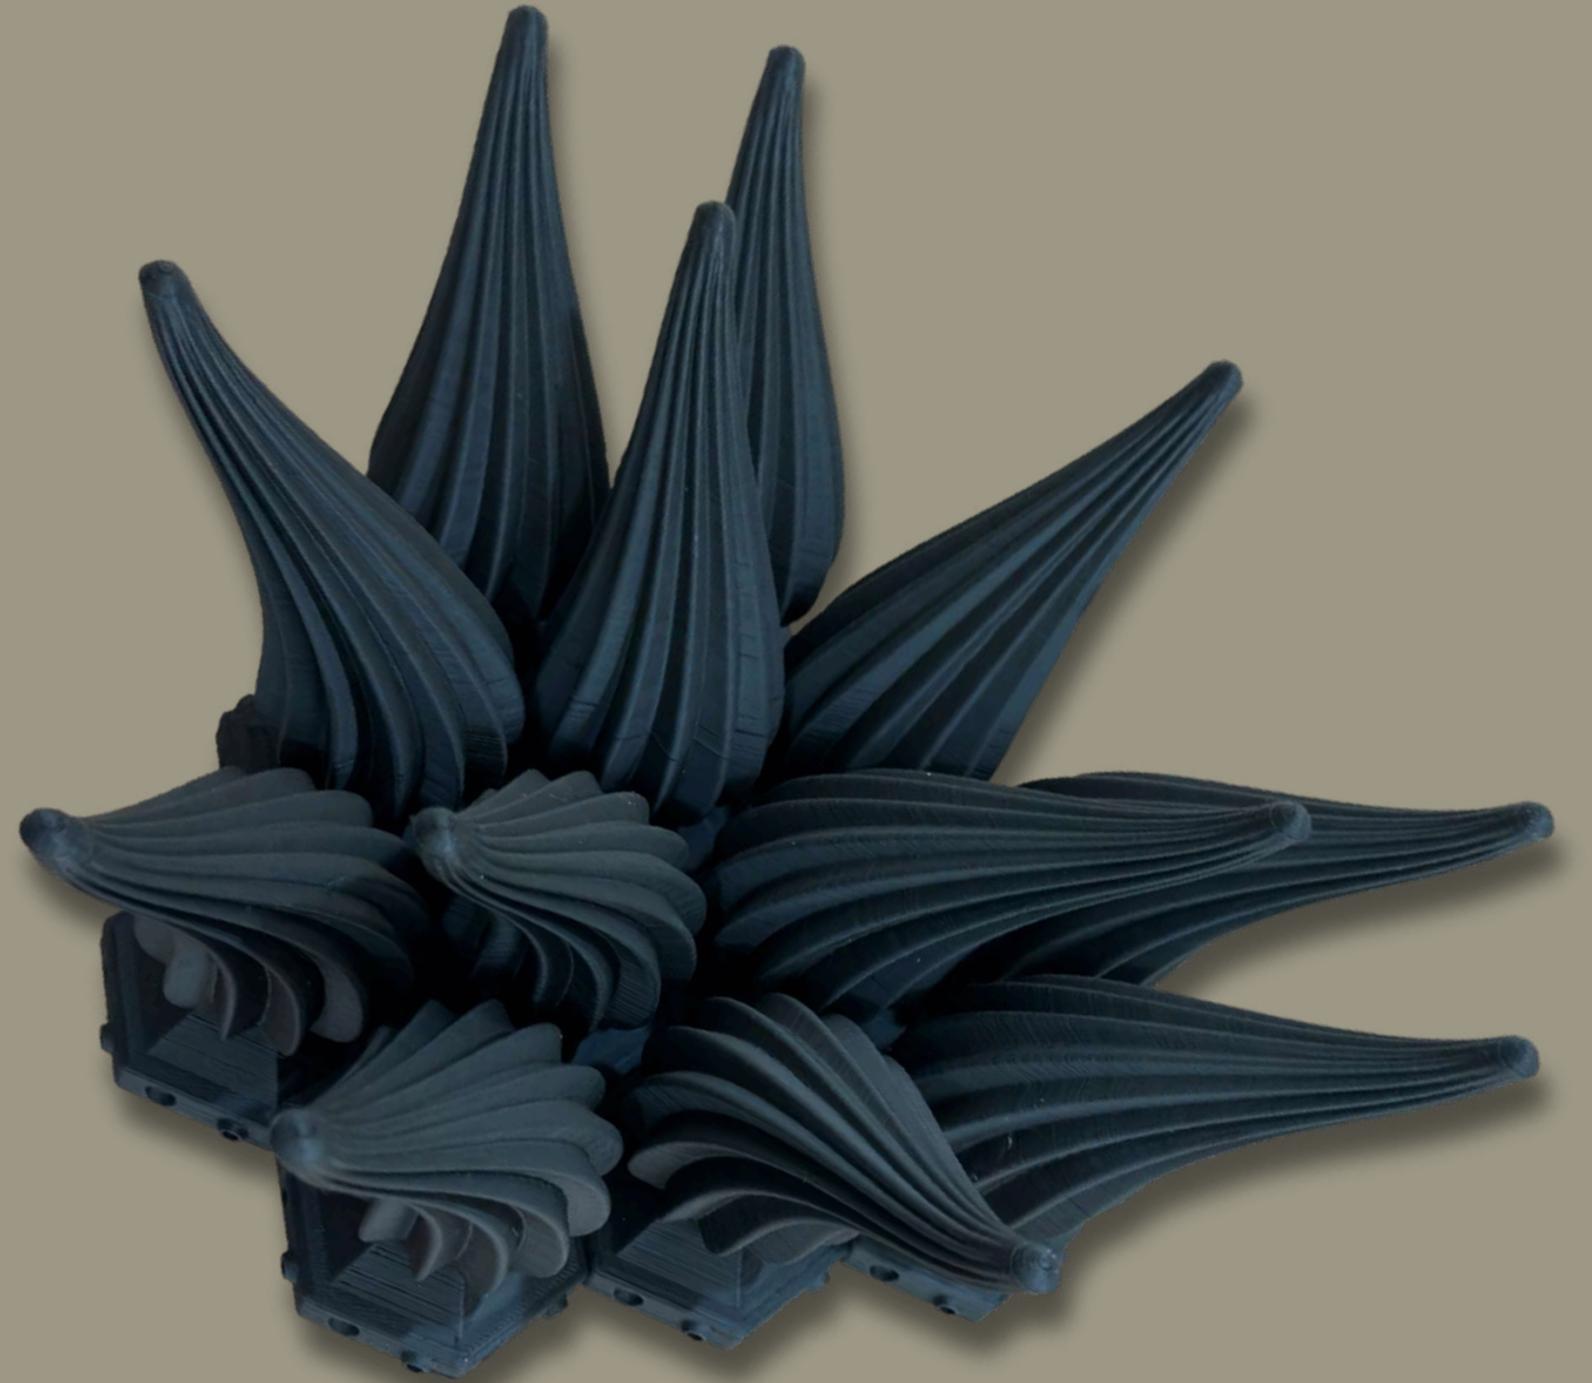

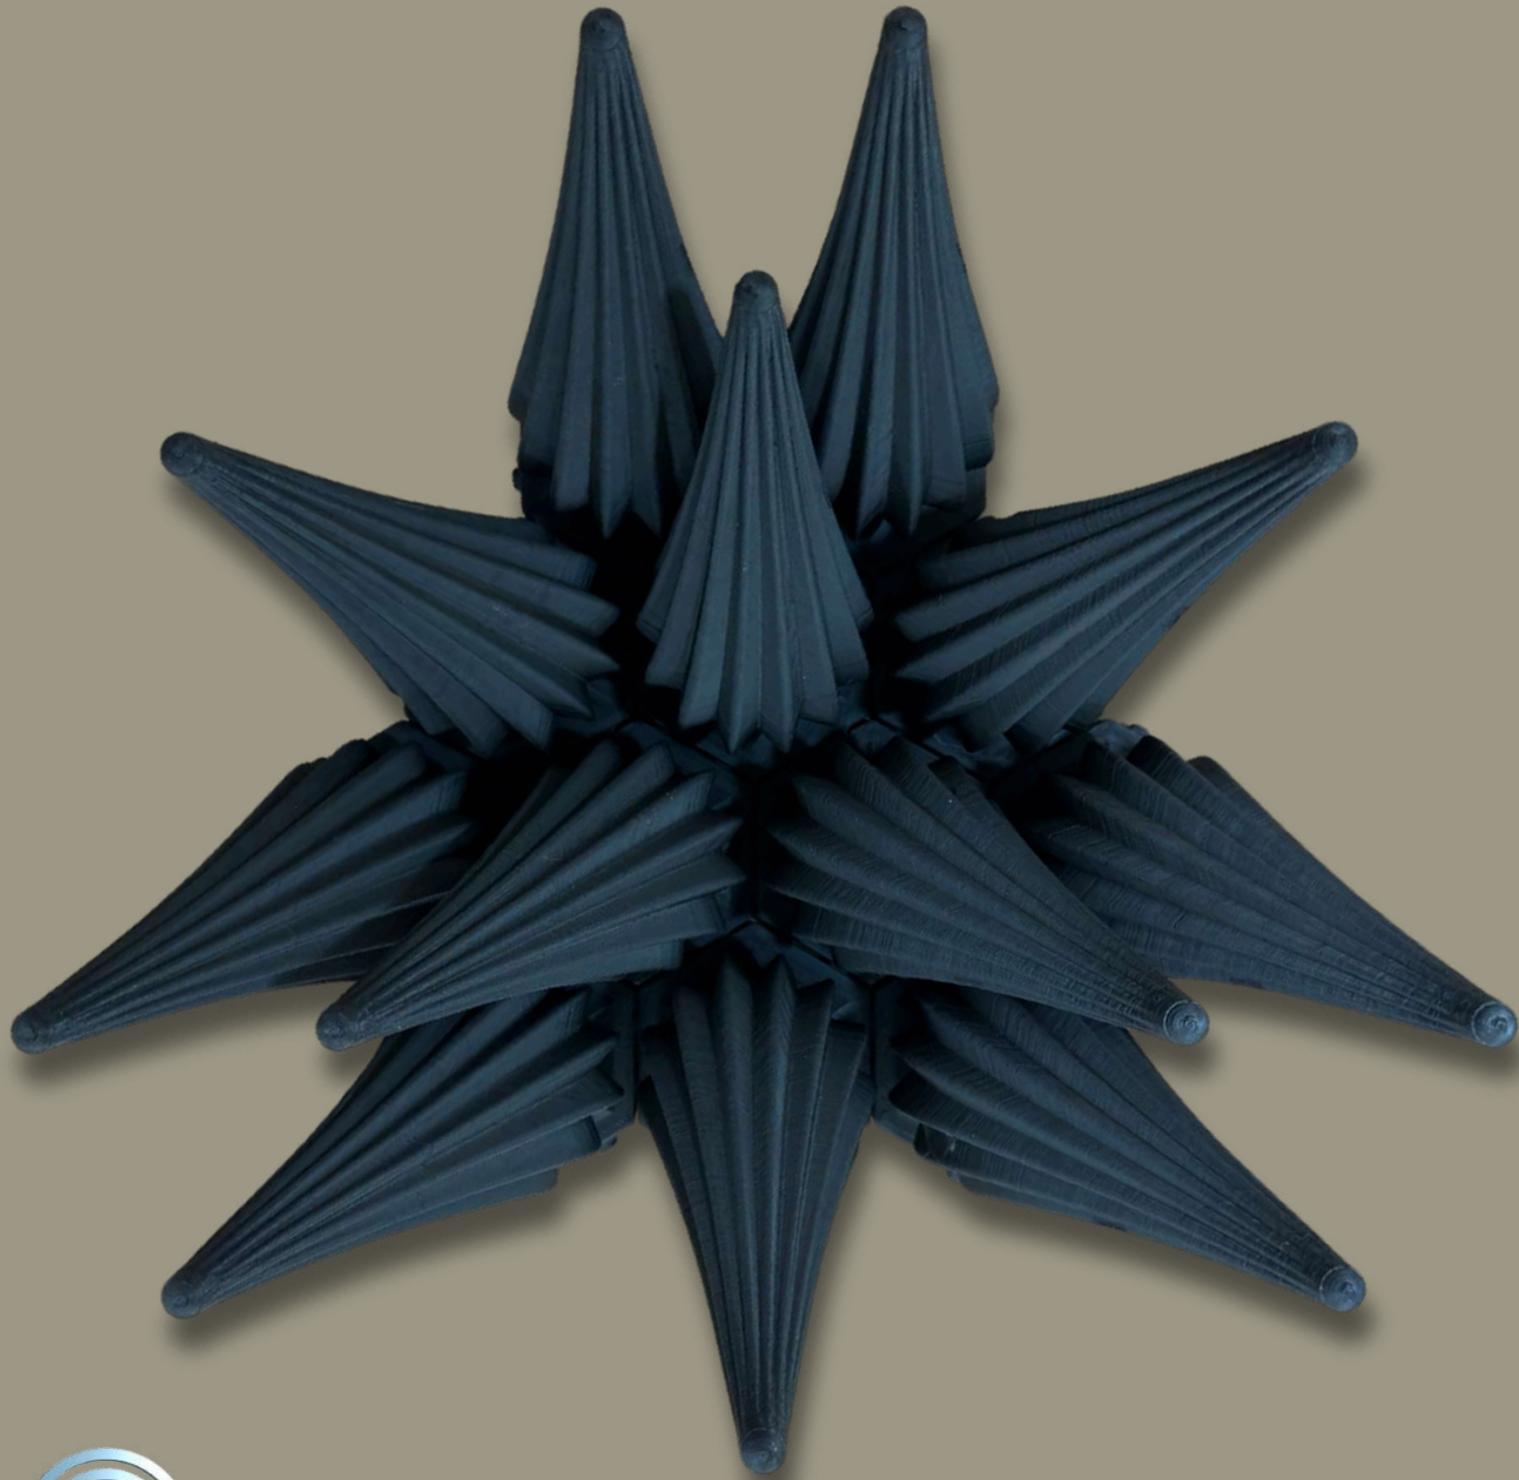

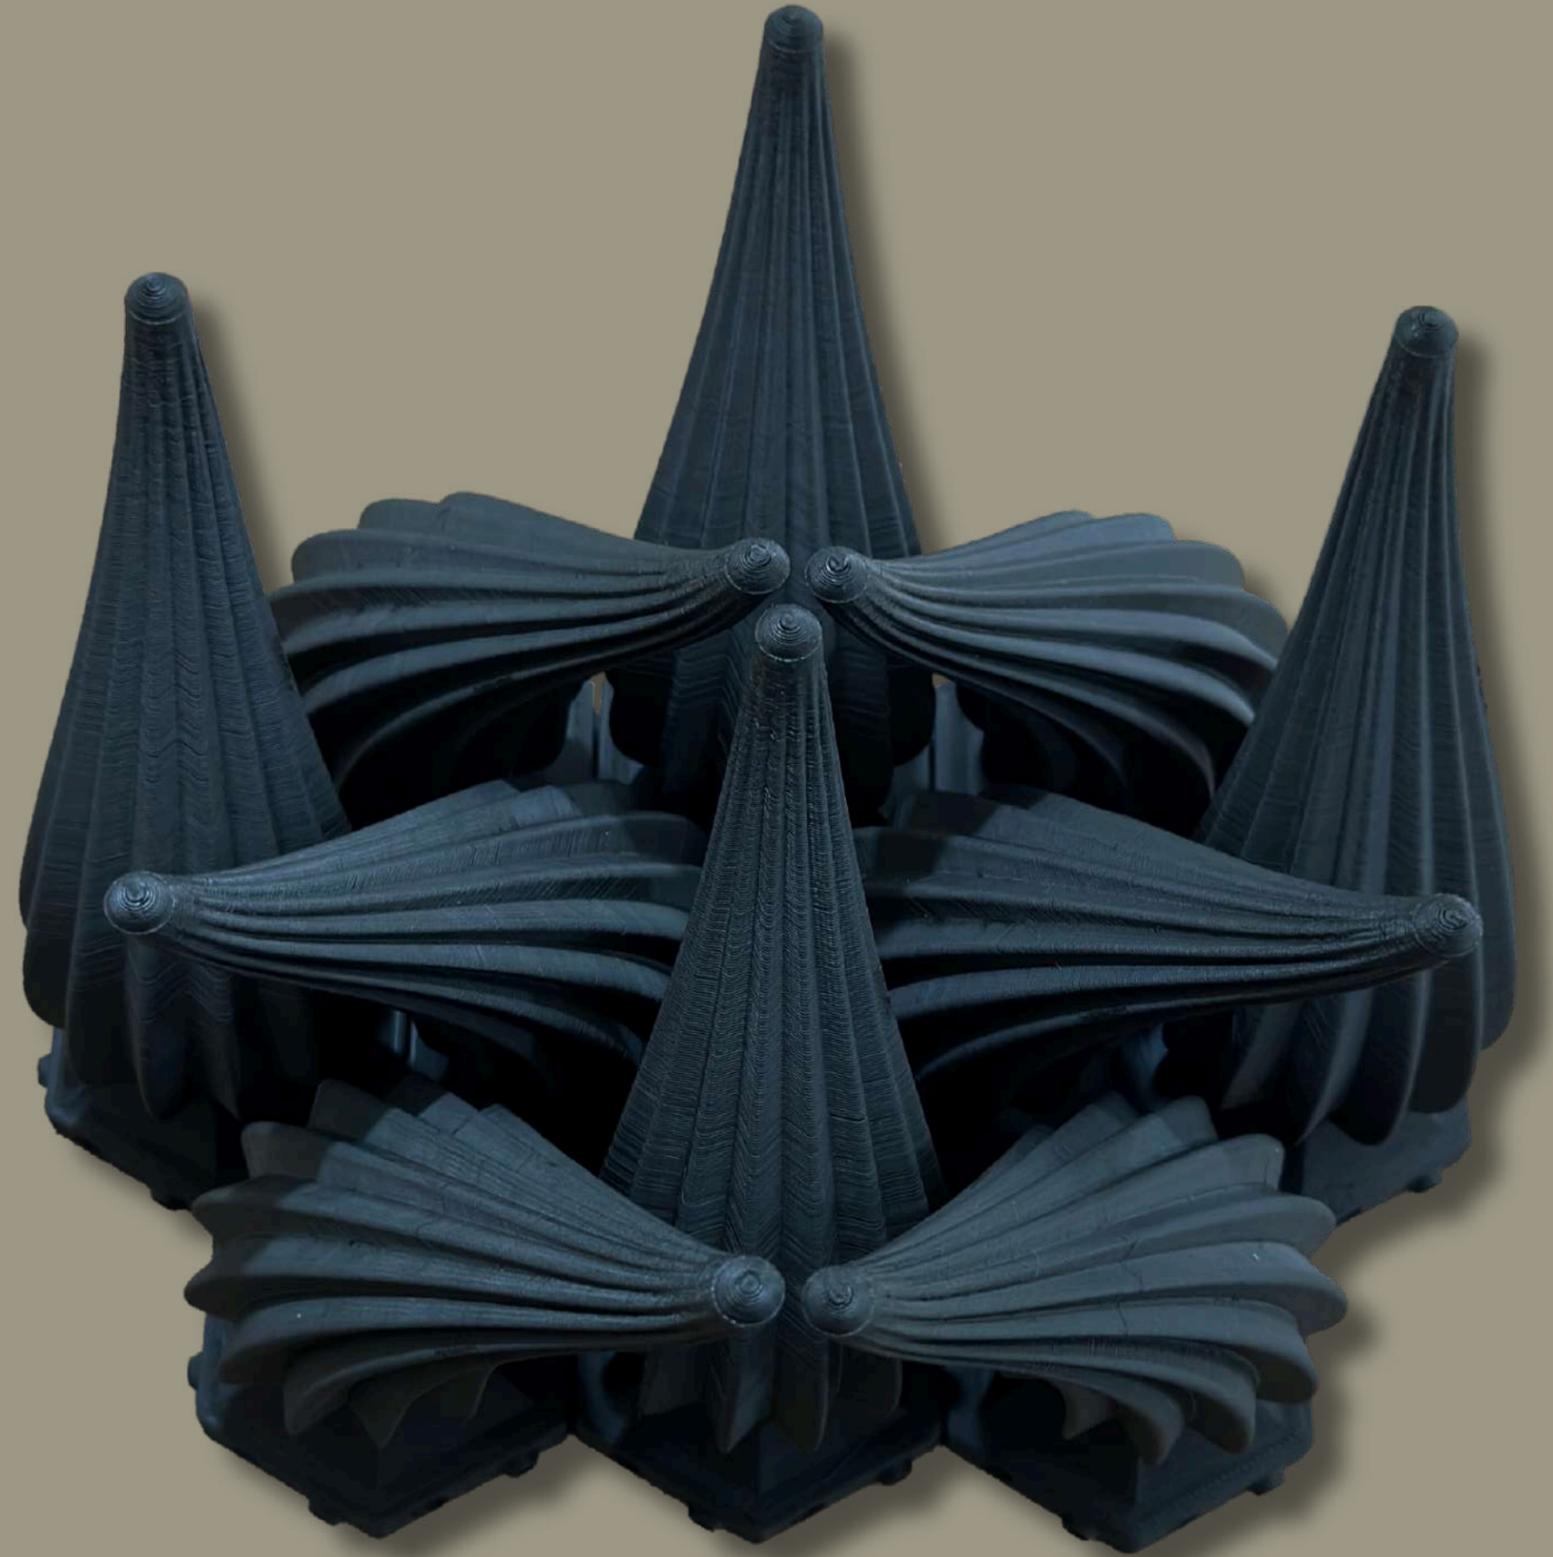

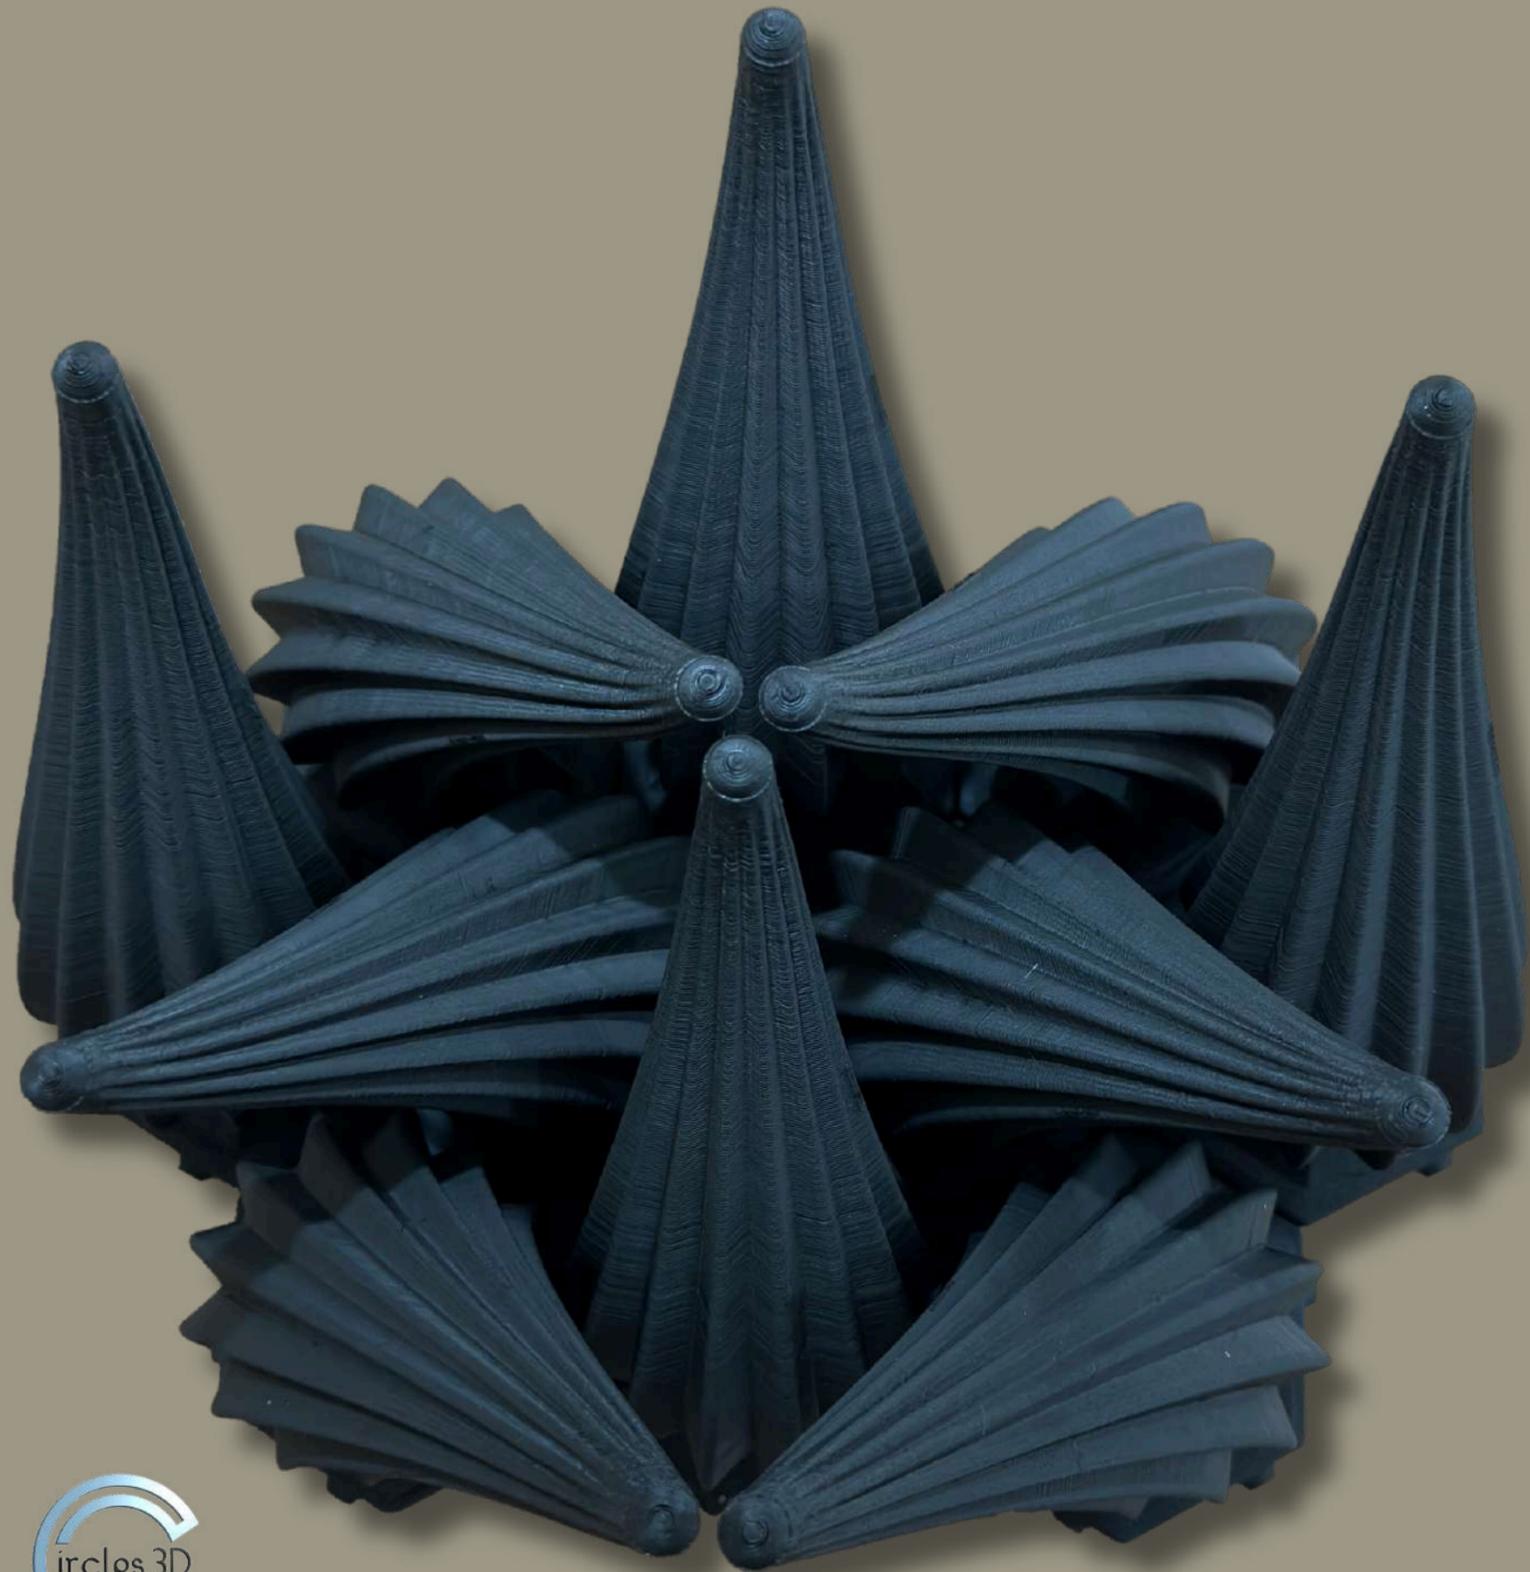

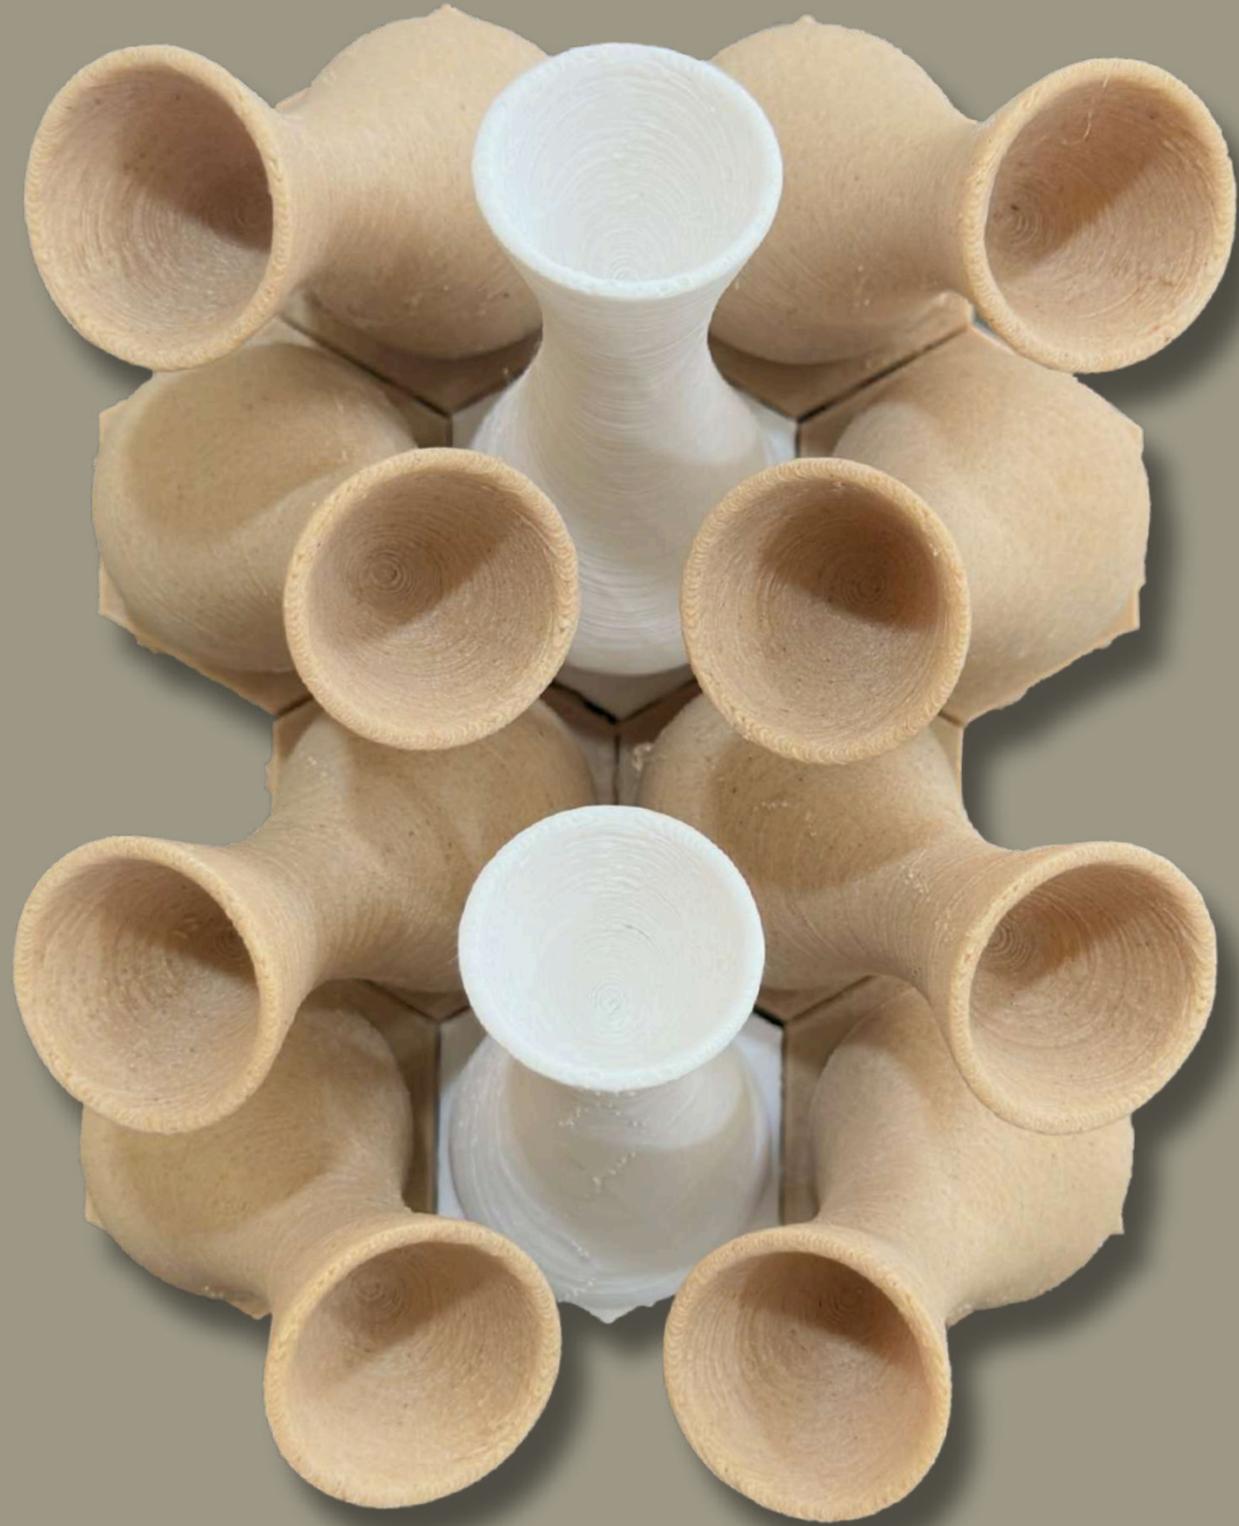

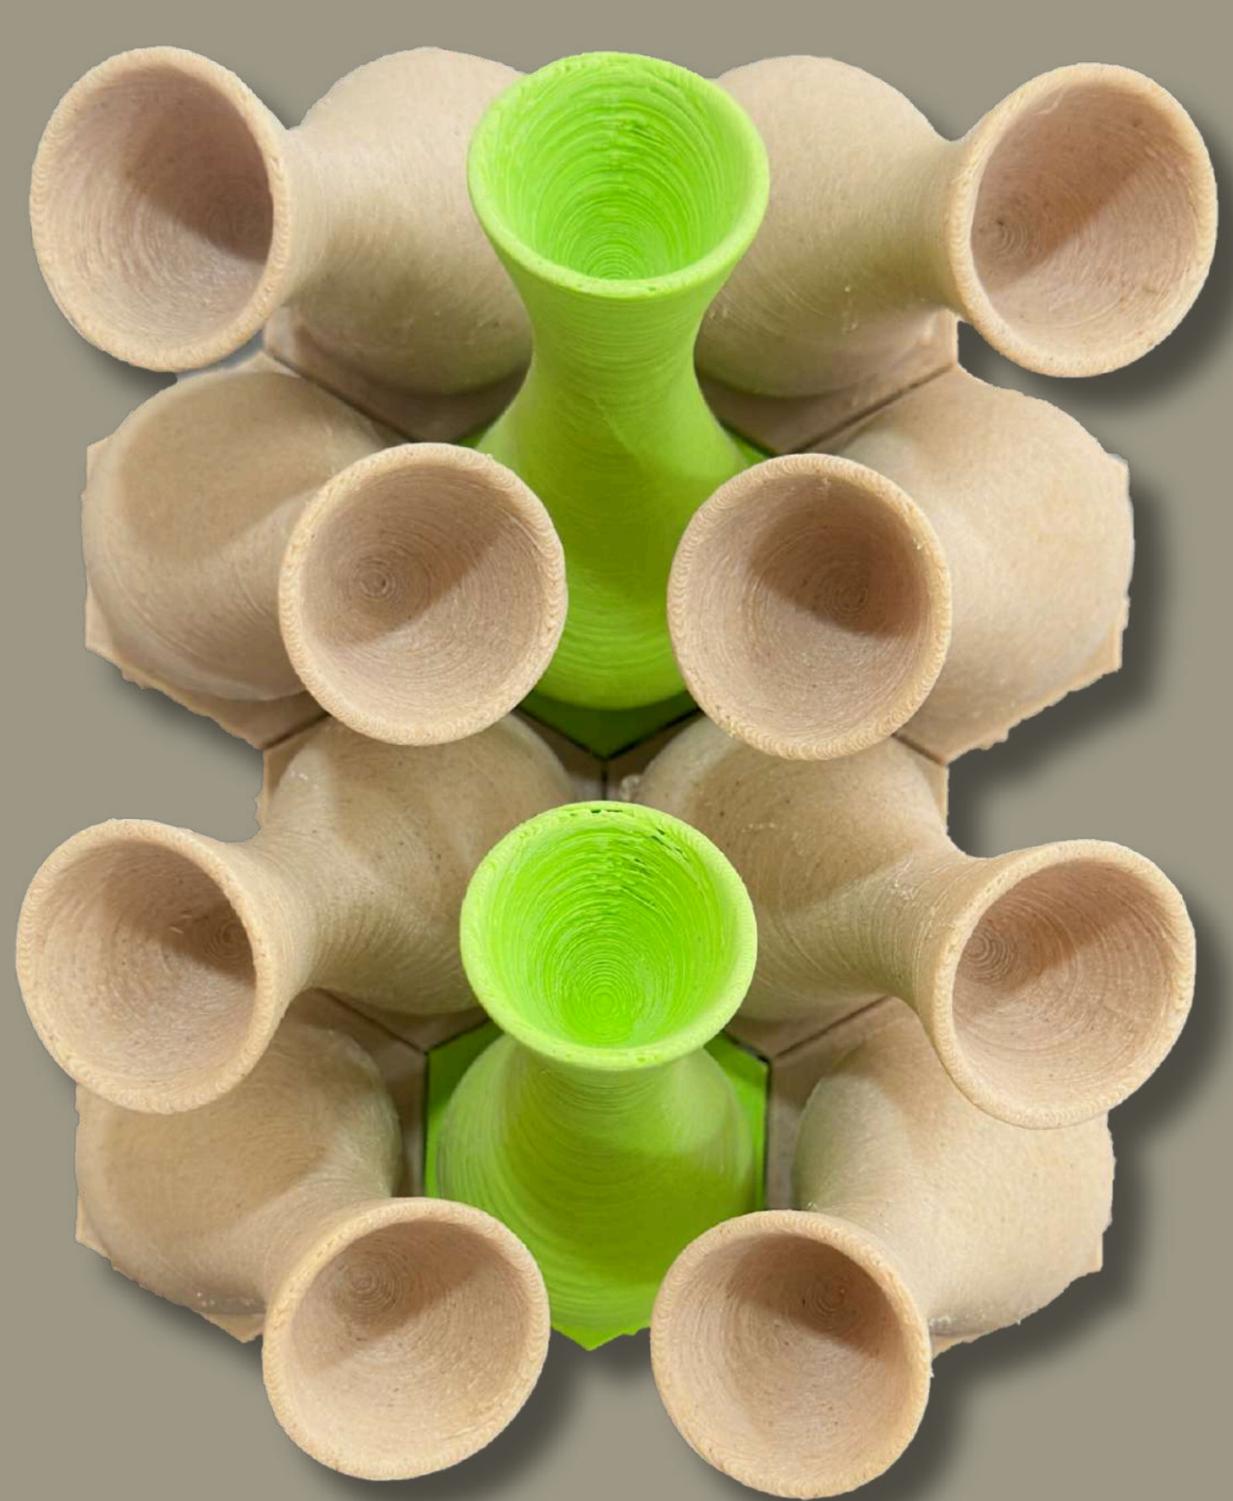

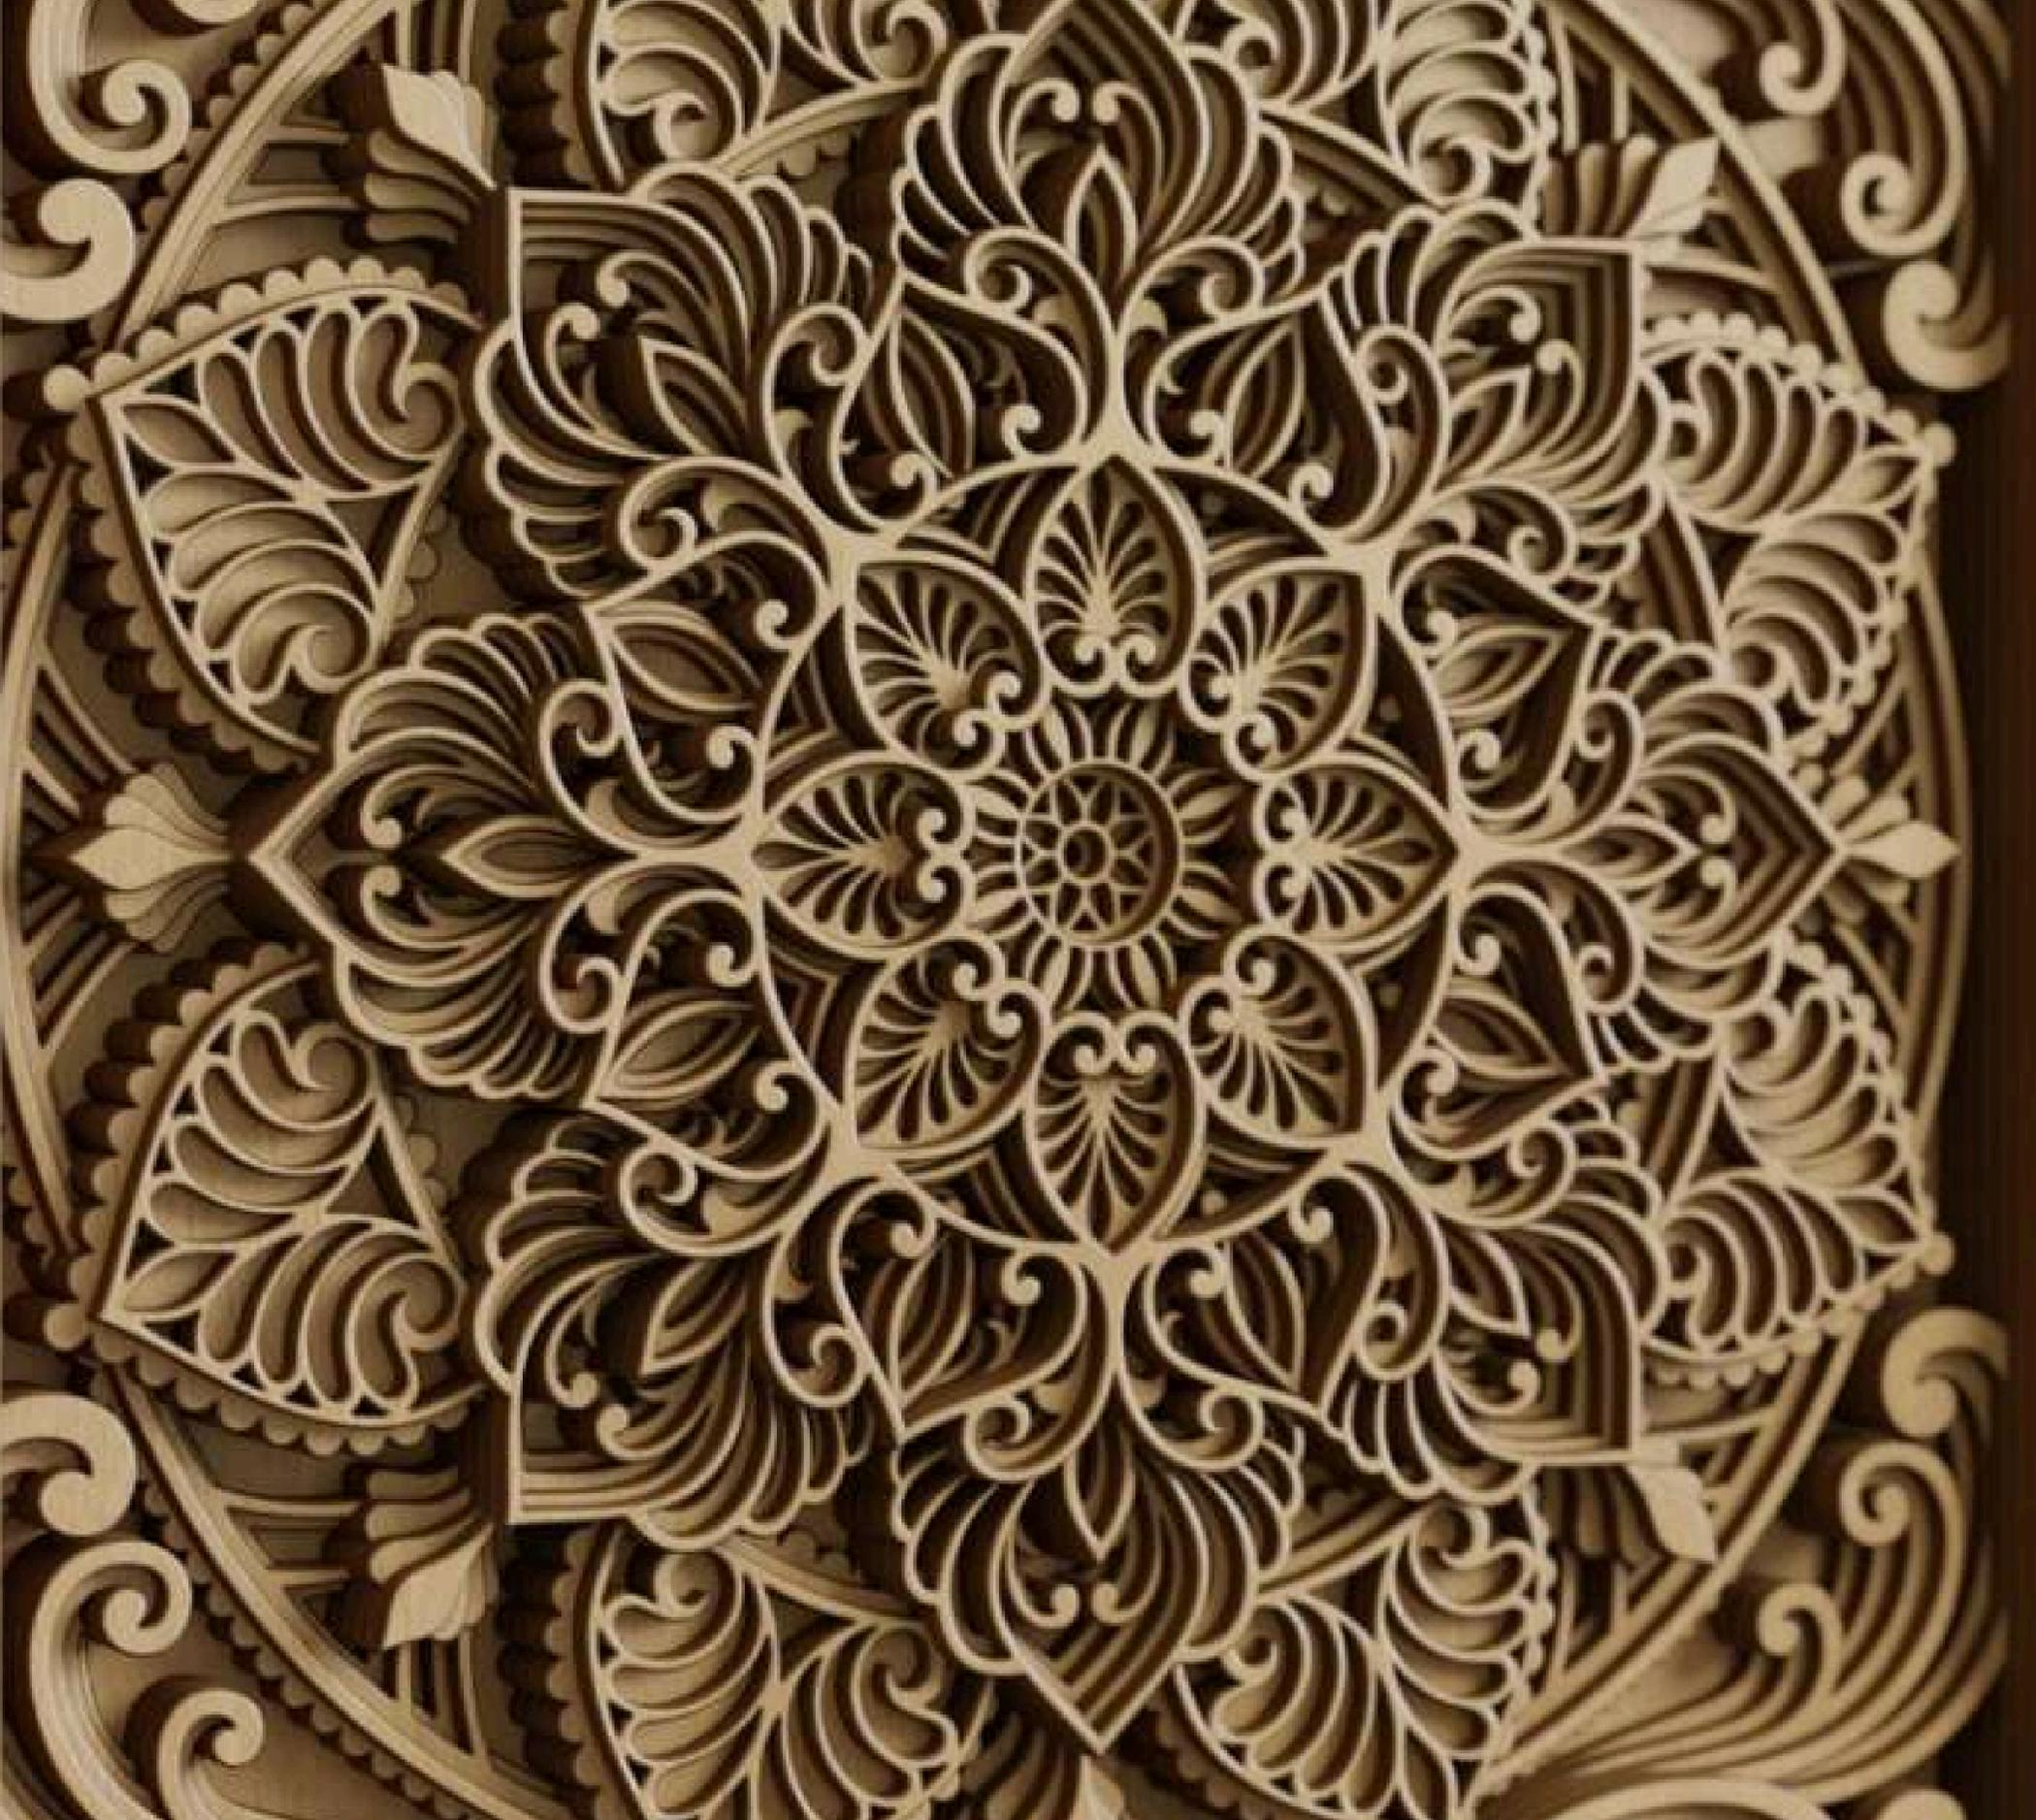

Layered Mandala Art

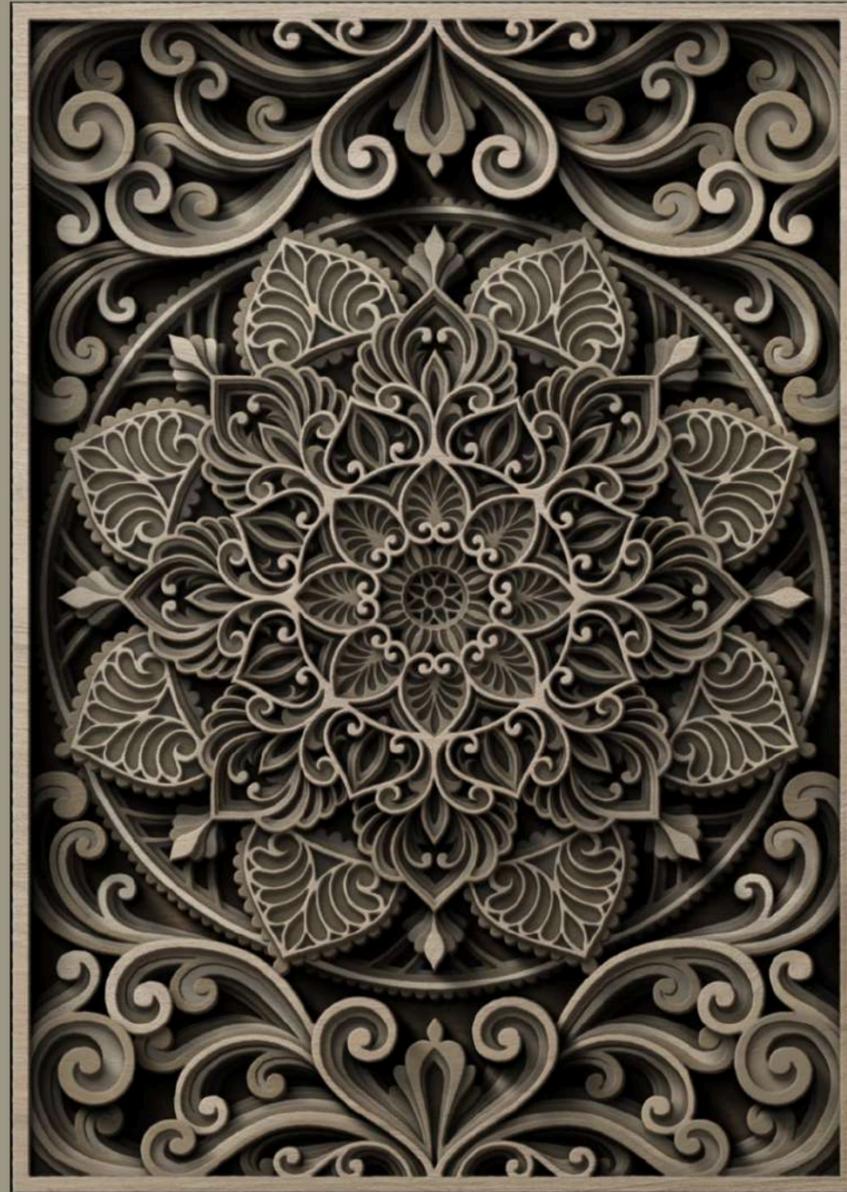

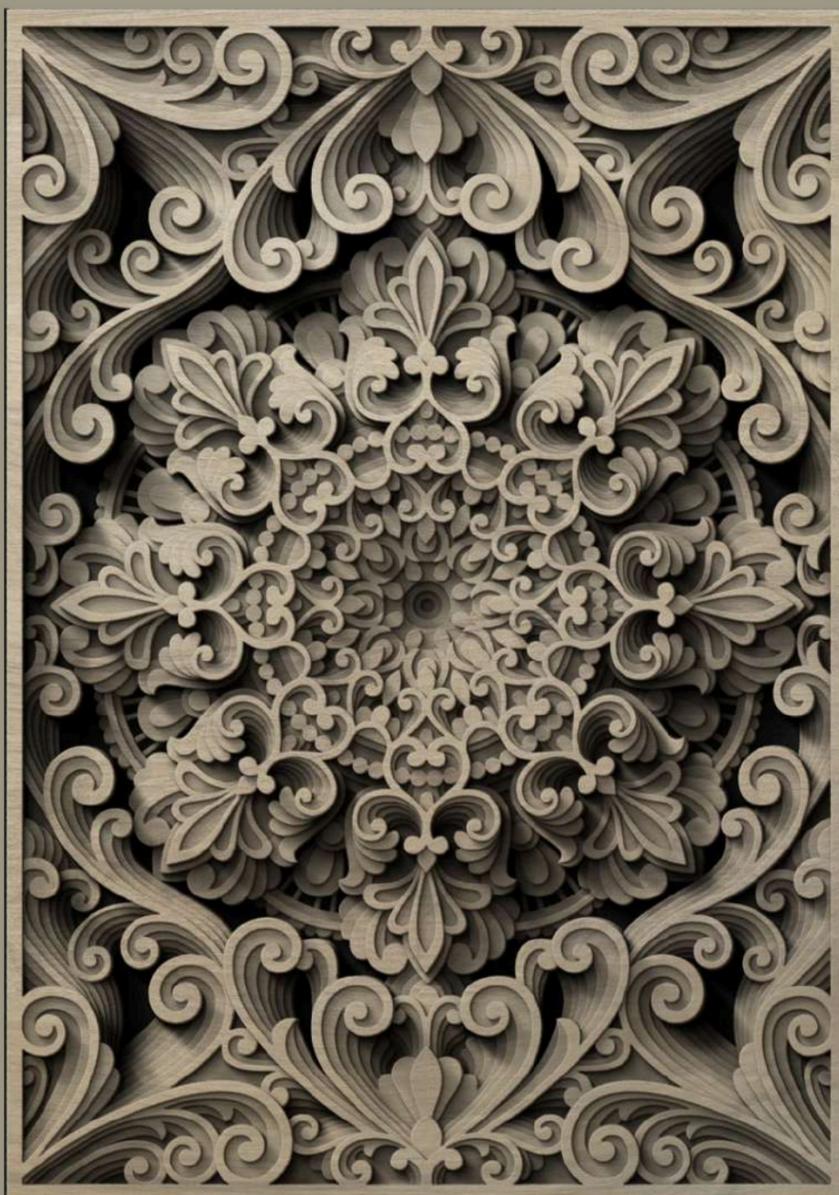

Elevate your space or surprise a loved one with the timeless charm of our ****Layered Mandala Art****—a stunning fusion of traditional design and modern craftsmanship. Made from precisely shaped wooden panels, each layer is carefully stacked to create a rich, three-dimensional mandala that radiates balance, beauty, and depth. The natural wood tones and intricate detailing make it a captivating centerpiece for any home, office, or meditation space. Thoughtfully designed and beautifully finished, this artwork also makes a unique and meaningful gift—perfect for housewarmings, weddings, anniversaries, or anyone who appreciates art with soul and intention.
